Tigers In Red Weather Ruth Padel, 2009-05-26 Poet writer and descendant of Charles Darwin Ruth Padel set out to visit a tropical jungle and wildlife sanctuary in India and her visit turned into a remarkable two year journey through eleven countries in search of that most elusive and most beautiful animal the tiger Armed with her grandmother's opera glasses and Tunisian running shoes she set off across Asia to ask the question can the tiger be saved from extinction in the wild Tigers are an umbrella species they need everything in the forest to work in tandem they eat deer the deer need vegetation the vegetation has to be pollinated by birds mammals rodents and butterflies If you save the tiger you save everything else Today the 5 000 tigers that still survive in the wild live only in Asia and are scattered throughout 14 countries Padel says that while tigers will never become extinct they are too popular for that they may disappear from the wild There are as many tigers in cages in the US as there are surviving tigers in the wild As she travels she meets the defenders of the wild the heroic scientists forest guards and conservationists at the frontline fighting to save tigers and their forests from destruction in the places where poverty threatens to wipe out all wildlife She also examines her fascination both as a poet and as the great great granddaughter of Charles Darwin with nature wildness and survival and in the end becomes a knowledgeable advocate for the tiger The result is a beautiful blend of natural history travel literature and memoir and a searing intimate portrait of an animal we have loved and feared almost to extinction

The Tiger's Den T. Jack Lewis, 2013-08-29 This story is not about Japan It is about all people It is about tragedy and fear It is about courage It is about love and it is about growth It is about doing the right thing It is written in English but the setting is Western Manchuria early in World War II The pilots of the Japanese forces are facing their first combat against top notch Russian pilots They apply their training but find that actual combat is not what the books described They find comfort in the arms of the women that provide relief for a price Manchuria Mongolia Russia Japan Buddhism Christianity Islam Occupation Oppression The Worlds Oldest Profession Sympathy and Humanity Add them all together and you get A compelling story of a young man thrown into a stark reality He must grow quickly and learn the hard way From the fear and danger to The Tigers

Den **The Boy with the Tiger's Heart** Linda Coggin,2014-08-28 The call of the wild is powerfully realised in this thrillingly evocative modern day fable A girl raised in the wild a desperate race for freedom and a boy with a fiercely guarded secret When Nona s guardian kills himself she is immediately suspected of murdering him In a world where nature and darkness are feared where wild animals are held captive and cities are illuminated by permanent light who will believe her innocence Nona must flee with her only friend a bear who is strangely human In their desperate attempt to escape capture Nona and her bear encounter two strange boys Caius and Jay Together the four of them will hide and fight and make the deadliest of enemies in their desperate race to a forbidden place called The Edge where nature is unrestrained where there is light and shade forest and mountain and where there are no shackles or boundaries A poetic haunting and unforgettable modern fable about nature society and what it is that makes us human **Tiger-shooting in India** William Rice,1857

embarks on a second quest this time with Rens dark bad boy brother Kishan who has also fallen prey to the Tigers Curse Fraught with danger spellbinding dreams and choices of the heart TIGERS QUEST brings the trio one step closer to breaking the spell that binds them The Tiger's Revenge Evan Morris,2025-08-28 Since the end of the Second World War the audacious Operation Jaywick has remained little known amongst the public or military in the United Kingdom It was an incredible endeavour executed by British and Australian service personnel The deepest surface waterborne penetration behind enemy occupied lines undertaken by special forces of WW2 This hand picked band of men would achieve what some thought to be impossible a major strike at the very heart of the Japanese in their newly acquired Empire in South East Asia This story ranks and deserves the same acknowledgement as exploits such as the Dambusters or the Cockleshell Heroes In the words of British Generals and US Admirals and Commanders it achieved what everyone thought was impossible without loss and with the minimum expenditure of resources A terrible twist in the tale is that by not using the success of the mission as a propaganda victory as had been intended by Jaywick s commanders a terrible price was paid by local Singaporeans who were scapegoated by the Japanese Secret Police This is perhaps the reason that Operation Jaywick was never hailed with the success it truly deserved The highly effective delivery of Operation Jaywick gave a green light to an even more ambitious endeavour from which no British or Australian personnel would survive many being executed beheaded by their Japanese captors The Tiger s Revenge is the story told by the son of a special forces crew member who was the only post WW2 British survivor of Operation Jaywick **People as Living Things** Philip Julian Runkel,2003 Runkel links Perceptual Control Theory PCT thinking to psychological literature and discusses it against that background **Tiger** Stephen Mills,2004 A rare look at a magnificent predator Supple powerful long lean and intense tigers are one of the world s most beautiful predators Though fierce and efficient an estimated 5 000 tigers are all that survive in the wild Tiger provides a thorough understanding of this remarkable animal based on firsthand observations Using stunning photography and maps the book reveals how shrinking habitats and decreasing food supplies are forcing tigers to live in unnaturally high densities often with deadly results Tiger draws on the latest research and extensive field experience to deal with every aspect of its behavior Social structures Breeding patterns and family life Martial arts like hunting tactics Dietary favorites and oddities Communication and interaction Two hundred and fifty photographs capture tigers in range of activities devouring prey in the jungle at play with cubs warding off scavengers at rest and on the prowl Fascinating commentary offers intriguing new ideas about supporting this critically endangered animal a first step in ensuring that they never die out *African American Folktales* Roger Abrahams,1999-01-09 Full of life wisdom and humor these tales range from the earthy comedy of tricksters to accounts of how the world was created and got to be the way it is to moral fables that tell of encounters between masters and slaves They include stories set down in nineteenth century travelers reports and plantation journals tales gathered by collectors such as Joel Chandler Harris and Zora Neale Hurston and narratives tape recorded by Roger Abrahams himself

during extensive expeditions throughout the American South and the Caribbean With black and white illustrations throughout Part of the Pantheon Fairy Tale and Folklore Library **The Little Pilgrim** Grace Greenwood,1854 **Under The Tiger's Claws** Nicholas Carter,2021-08-30 Excerpt Well my dear Gilsey I rather think I can land him for you declared Nick Carter with an odd smile lurking in the corners of his keen grey eyes But that will not do Nick protested Mr Raymond Gilsey with an immediate display of apprehension Not do sir It may not be what I want Not what you want Not exactly Nick and Mr Raymond Gilsey decisively shook his head He was a venerable banker with a remarkably gentle and benevolent countenance He was the president of the Milmore Trust Company a banking institution located in Forty second Street the patrons of which consisted chiefly of business firms in the immediate neighborhood and of wealthy women to whom the uptown location of the bank was a convenience It was in Mr Gilsey's handsome private office that Nick Carter was seated one afternoon early in May in response to a telephone request from the banker about an hour before Between the two there existed a friendship of long standing and the celebrated detective had hastened to respond As yet however he had received but a hint at the business for which he had been called and he wondered a little at the banker's obvious misgivings as appeared in his remarks noted above Please explain Mr Gilsey said Nick Certainly if there is a deficit in your cash and you suspect Ah but stop a moment Perhaps it will be just as well my dear Gilsey if our interview The last spoken with lowered voice was considered with a significant glance in the direction of Gilsey's private stenographer who sat busily engaged near one of the office windows and Nick's glance was equivalent to a suggestion that the presence of a third party might wisely be dispensed with Cassell's Magazine ,1906
