 appearing in 1998 Garner s Modern American Usage has established itself as the preeminent guide to the effective use of the
 English language Brimming with witty erudite essays on troublesome words and phrases GMAU authoritatively shows how to
 avoid the countless pitfalls that await unwary writers and speakers whether the issues relate to grammar punctuation word
 choice or pronunciation An exciting new feature of this third edition is Garner s Language Change Index which registers
 where each disputed usage in modern English falls on a five stage continuum from nonacceptability to the language
 community as a whole to acceptability giving the book a consistent standard throughout GMAU is the first usage guide ever
 to incorporate such a language change index The judgments are based both on Garner s own original research in linguistic
 corpora and on his analysis of hundreds of earlier studies Another first in this edition is the panel of critical readers 120 plus
 commentators who have helped Garner reassess and update the text so that every page has been improved Bryan A Garner is
 a writer grammarian lexicographer teacher and lawyer He has written professionally about English usage for more than 28
 years and his work has achieved widespread renown David Foster Wallace proclaimed that Bryan Garner is a genius and
 William Safire called the book excellent In fact due to the strength of his work on GMAU Garner was the grammarian asked
 to write the grammar and usage chapter for the venerable Chicago Manual of Style His advice on language matters is second
