**Look Before You Leap** Virginia Heath, 2025-06-24 In this hilarious second installment of a Regency romance series a single lord is forced to settle down and when a houseparty brings a happy go lucky lady's companion his way his grumpy heart is unexpectedly warmed Nine years ago Lord Guy Harrowby Viscount Wennington was publicly humiliated by a failed and reckless romantic gesture Despite this his mother clings to the promise he made her then that she would have a house full of grandchildren by his thirtieth birthday Still single embittered and swiftly approaching thirty Guy's work is his life In desperation his mother blindsides Guy with a weeklong house party at his estate filled with annoying debutantes all competing to be his wife After failing as a governess Lottie Travers is struggling as a lady's companion Raised in an all male household she's developed habits that get her dismissed Even after years of Miss Prentice's teachings of how to be a lady she climbs trees better than she embroiders and can't resist riding horses astride in breeches But with the family farm in trouble and her father now in dire need of her wages she's determined to conquer her wildness once and for all Even with his home full of eligible women there is only one who catches Guy's eye though he tries to deny it For Lottie succeeding in her new role proves difficult when the Wennington estate is filled with horses and a spark ignites between her and the grumpy lord Will they remain stuck in their ways or learn that they may just be the perfect match      *Look Before You Leap, Or, Wooings and Weddings* George William Lovell, 1878      **Tales for Coaching** Margaret Parkin, 2001 Annotation Companion to the highly successful *Tales for Trainers*      **Look Before You Leap**, 2014      **Early American Proverbs and Proverbial Phrases** Bartlett Jere Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor's *Dictionary of American Proverbs and Proverbial Phrases 1820 1880* It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from

scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting's authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what's the real thing and what is spurious A *Dictionary of Anglo-American Proverbs & Proverbial Phrases, Found in Literary Sources of the Nineteenth and Twentieth Centuries* George B.
