Ridley Plays 1 Philip Ridley, 2013-10-16 This volume contains Ridley's first three plays which heralded the arrival of a unique and disturbing voice in the world of contemporary drama They are seminal works in the development of the in yer face theatre that emerged in Britain during the mid 1990s The three plays here all manifest Ridley's vivid and visionary imagination and the dark beauty of his outlook They resonate with his trademark themes East London storytelling moments of shocking violence memories of the past fantastical monologues and that strange mix of the barbaric and the beautiful he has made all his own The Pitchfork Disney was Ridley's first play and is now seen as launching a new generation of playwrights who were unafraid to shock and court controversy This unsettling dreamlike piece has surreal undertones and thematically explores fear dreams and story telling The Fastest Clock in the Universe is a multi award winning play which caused a sensation when it premiered at Hampstead Theatre in 1992 An edgy and provocative drama it is now regarded as a contemporary classic Ghost from a Perfect Place is a scorchingly nasty blend of comedy spectacle and terror where a monster from the past meets the monsters of the present

Prototypical Transitivity Åshild Næss, 2007 This book presents a functional analysis of a notion which has gained considerable importance in cognitive and functional linguistics over the last couple of decades namely prototypical transitivity It discusses what prototypical transitivity is why it should exist and how it should be defined as well as how this definition can be employed in the analysis of a number of phenomena of language such as case marking experiencer constructions and so called ambitransitives Also discussed is how a prototype analysis relates to other approaches to transitivity such as that based on markedness The basic claim is that transitivity is iconic a construction with two distinct independent arguments is

prototypically used to refer to an event with two distinct independent participants From this principle a unified account of the properties typically associated with transitivity can be derived and an explanation for why these properties tend to correlate across languages can be given **Reliable Poultry Journal** ,1921 **Mystery of the Fallen Birds** Dr. Jay R Calkins,2023-11-07 About the Book Danny a young boy with a big sense of adventure is concerned when the eagles of his home Evergreen Island start tumbling out of the sky out of control There is a deadly pesticide intruding on this beautiful island causing the eagles to get deathly sick Who would want to hurt such a treasured creature Danny Collins loves a good mystery to solve and the harm caused to these eagles is one he must solve before it s too late About the Author Dr Jay R Calkins is a teacher with a strong background in biology and environmental science He has recently retired from teaching He enjoys hiking biking wildlife and bird watching Calkins is an active volunteer of the Everglades National Park British Birds'Eggs and Nests, Popularly Described ...
