by a member of World War II's famed 1st Marine Division. Engrossing account of the vicious combat encountered by US Marines in the Pacific theater of World War II. Will appeal to fans of *The Pacific* or *Band of Brothers*. Kirkus Reviews. Sterling Mace's unit was the legendary K 3 5 for Company K 3rd Battalion 5th Regiment of the 1st Marine Division and his story takes readers through some of the most intense action of the Pacific War from the seldom seen perspective of a rifleman at the point of attack. *Battleground Pacific* is filled with indelible moments that begin with his childhood growing up in Queens New York and his run in with the law that eventually led to his enlistment. But this is ultimately a combat tale as violent and harrowing as any that has come before. From fighting through the fiery hell that was Peleliu to the deadly battleground of Okinawa, Mace traces his path from the fear of combat to understanding that killing another human comes just as easily as staying alive. *Battleground Pacific* is one of the most important and entertaining memoirs about the Pacific theater in World War II. Another great tribute to The Greatest Generation, Mace's tale is written in the language of a grunt speaking for all the unsung heroes who lived and died in the Pacific. A good read from this Marine's perspective. Jerry Cutter, former Marine nephew of Sgt John Basilone USMC and author of the authorized biography of Basilone *I'm Staying with My Boys*. **How to Find Your Way Home** Katy Regan, 2022-02-15. What if the person you thought you'd lost forever walked back into your life? A warm, uplifting novel about the unshakable bond between siblings and what happens when a sister discovers her long missing brother in the most unexpected place. From the author of *Little Big Love*, Emily has been looking for the same face in every crowd for more than a decade. Her brother's. She'll do anything to find him; she just never expects that one day he will walk through the door of the London housing office where she works, homeless and in need of help. Emily's overjoyed to see Stephen, her older brother, her hero, the one who taught her to look for the flash of a bird's wings and instilled in her a love and respect for nature's wonders and invites him to live with her. But the baggage of the day that tore them apart more than fifteen years before is heavy. As they attempt to rebuild their relationship, they embark on the birding adventure they'd always promised to take when they were just children running wild in the wetlands of Canvey Island. And so amid the soft, familiar calls of the marsh birds, they must finally confront what happened that June day and in all the days since if they are to finally find their way home.
