

Looking At Canada

JL Elias

Looking At Canada:

Let's Look at Canada Gr. 4-6, *Canada Tourism eBook* GURMEET SINGH DANG, **A Preliminary Look at Flourishing Congregations in Canada: What Church Leaders are Saying** Arch Wong, Bill McAlpine, Joel Thiessen, Keith Walker, 2017-01-06 This monograph presents the context for congregations in Canada across Catholic Mainline and Conservative Protestant sectors The monograph presents the voices of several dozen experts from across Canada and presents preliminary findings from consultations with over 100 denominational and local congregation leaders Canada Looks South Peter McKenna, 2012-12-06 Recent events in the western hemisphere have led to a dramatic shift in the strategic and political importance of Latin America But with relations still cool between the United States and Cuba and Venezuela becoming more distant every day there is considerable potential for Canada with its longstanding commitment to constructive engagement to forge mutually beneficial relations with these nations as well as rising industrial and economic players such as Mexico and Brazil In *Canada Looks South* experts on foreign policy in Canada and Central America provide a timely exploration of Canada's growing role in the Americas and the most pressing issues of the region Starting with the historical scope of the bilateral relationship the volume goes on to cover such subjects as trade engagement democratization and security As current and future Canadian governments embrace expanding linkages with this region this collection fills a significant gap in scholarship on Canadian Latin American relations **Substate Regionalism and the Federal System: A look to the North, Canadian regional experience** United States. Advisory Commission on Intergovernmental Relations, 1974 Canada Donald J. Savoie, 2023-05-15 Canada's political structure runs contrary to North America's economic geography and the north-south economic pull Canada imported political and administrative institutions designed for a unitary state and its political leaders have struggled to make them work since the country was founded Because of this many Canadians their communities and their regions view themselves as victims to a greater degree than groups in other Western democracies do Our federal government has shown a greater willingness to apologize for historical wrongs than other Western countries Canada also outperforms other nations in helping victims make the transition to full participants in the country's political and economic life Donald Savoie maintains that Canada continues to thrive despite the many shortcomings in its national political institutions and the tendency of Canadians to see themselves as victims and that our history and these shortcomings have taught us the art of compromise Canada's constitution and its political institutions amplify rather than attenuate victimization however they have also enabled Canadians to manage the issue better than other countries Canadians also recognize that the alternative to Canada is worse and this more than anything else continues to strengthen national unity Drawing on his extensive experience in academe and as an advisor to governments Savoie provides new insights into how Canada works for Canadians **Canada and the British World** Phillip Buckner, R. Douglas Francis, 2011-11-01 In the decades following the Second World War a revolutionary change took place in the Canadian

national identity The English Canadian majority entered this period identifying themselves as British and emerged from it with a new independent sense of themselves as purely Canadian Assured of their unique place in the world Canadians can now reflect on the legacies and lessons of their British colonial past Canada and the British World surveys Canada's national history through a British lens In a series of essays focusing on the social cultural and intellectual aspects of Canadian identity over more than a century the complex and evolving relationship between Canada and the larger British World is revealed Examining the transition from the strong belief of nineteenth century Canadians in the British character of their country to the realities of modern multicultural Canada this book eschews nostalgia in its endeavour to understand the dynamic and complicated society in which Canadians did and do live Candid and ambitious Canada and the British World is recommended reading for historians and scholars of colonialism and nationalism as well as anyone interested in what it really means to be Canadian

Tourism eBook GURMEET SINGH DANG, **Looking After Children** Raymond A. Lemay, Hayat Ghazal, 2007 Looking After Children is an assessment and planning approach for children and youth in out of home care first developed in the UK and since 1997 adapted and used increasingly in Canada particularly in Ontario The approach is developmental and strengths based The Assessment and Action Record AAR the core clinical tool provides the basis for an in depth assessment interview which then leads to a comprehensive care plan The AAR is computerized and provides the possibility of data aggregation and the recent revision allows for comparability among Canadian children as assessed by the National Longitudinal Survey of Children and Youth Looking After Children A Practitioner's Guide includes training material that will help practitioners understand and put the LAC approach and tools to effective use Published in English *The Geographical Journal*, 1906 Includes the Proceedings of the Royal geographical society formerly pub separately Canadian Forestry Journal, 1916 *Restructuring Canada's Health Systems: How Do We Get There From Here?* Raisa B. Deber, Gail G. Thompson, 1992-12-15 Is the Canadian health care system becoming a victim of its own success It has done what it set out to do provide universal access to all medically necessary health services without financial barriers to patients but expanding technology an aging population and escalating costs strain its ability to continue It is time to explore ways to reorient and restructure the health care system and the services it provides At the Fourth Canadian Conference on Health Economics contributors of international reputation addressed these concerns Their papers collected in this volume consider a wide range of fundamental issues related to health care policies and structures They discuss new developments in health care delivery assess implications of such new policies as home care and health promotion and propose concrete alternatives for restructuring the present system to sustain universal medicine **The Fugitives; Or, a Trip to Canada, ... Chiefly Founded on Facts** Edward LANE (A resident in Lower Canada.), 1830 **Electronic Discovery in Canada** Oleh Hrycko, 2007-08 **Canada and Africa in the New Millennium** David R. Black, 2015-03-31 Canada's engagement with post independence Africa presents a puzzle Although Canada is recognized for its activism where Africa is concerned critics

have long noted the contradictions that underlie Canadian involvement Focusing on the period following 2000 and by juxtaposing Jean Chr tien s G8 activism with the Harper government s retreat from continental engagement David R Black s Canada and Africa in the New Millennium illustrates a history of consistent inconsistency in Canada s relationship with Africa Black combines three interpretive frames to account for this record the tradition of good international citizenship Canada s role as a benign face of Western hegemonic interests in Africa and Africa s role as the basis for a longstanding narrative concerning Canada s ethical mission in the world To examine Africa s place in Canada s foreign policy and Canada s place in Africa Black focuses on G8 diplomacy foreign aid security assistance through peace operations and training and the increasingly controversial impact of Canadian extractive companies Offering an integrated account of Canada s role in sub Saharan Africa Black provides a way of understanding the nature and resilience of recent shifts in Canadian policy He underscores how Africa though marginal to Canadian interests as traditionally conceived has served as an important marker of Canada s international role

The Curriculum History of Canadian Teacher Education Theodore Michael Christou,2017-08-07 Organized by region this edited collection provides a comprehensive look at how teacher education has evolved regionally and nationally in Canada Offering an in depth look at specific provinces and territories this volume contextualizes the landscape of Canadian public education and the place of teacher education within it Shedding light on the ways Canadian teacher education was shaped by and in turn influenced its environment contributors evaluate the current state of education and consider themes tensions and historical developments presenting a view of teacher education that encompasses both its future and its past A significant contribution to the field of curriculum history this book offers a benchmark for conversations about the purposes means and ends of teacher education in Canada

International Economic Integration: Integration schemes Miroslav Jovanovic,1998 **Seeking Order in Anarchy** Robert W. Murray,2016-07-20 Seeking Order in Anarchy offers insights into both the theoretical foundations and the real world outcomes of multilateralism in world affairs Recognizing that Tom Keating s theories though rooted in Canadian foreign policy have a broader application in international relations Robert W Murray has assembled an array of interpretations of multilateralism and case studies examining its practical effects Drawing from the insights of fourteen noted scholars and featuring an essay from Tom Keating himself the volume examines the conditions that encourage states to adopt multilateral strategies and the consequences of doing so in the context of increasingly complex global politics Seeking Order in Anarchy is an important book for scholars graduate students policy makers and anyone interested in how multilateralism functions in today s world

From the Outside Looking In Matthew J. Grow,2015-10-01 This book contains fifteen essays each first presented as the annual Tanner Lecture at the conference of the Mormon History Association by a leading scholar Renowned in their own specialties but relatively new to the study of Mormon history at the time of their lectures these scholars approach Mormon history from a wide variety of perspectives including such concerns as gender identity creation and

globalization Several of these essays place Mormon history within the currents of American religious history for example by placing Joseph Smith and other Latter day Saints in conversation with Ralph Waldo Emerson Nat Turner fellow millenarians and freethinkers Other essays explore the creation of Mormon identities demonstrating how Mormons created a unique sense of themselves as a distinct people Historians of the American West examine Mormon connections with American imperialism the Civil War and the wider cultural landscape Finally the essayists look at continuing Latter day Saint growth around the world within the context of the study of global religions Examining Mormon history from an outsider s perspective the essays presented in this volume ask intriguing questions share fresh insights and perspectives analyze familiar sources in unexpected ways and situate research on the Mormon past within broader scholarly debates
