

ROMANTIC FABRICS

Of course, fabric can be romantic. Are you kidding? Think about animal skins, leathers, suedes, furs—are they Romantic? *No*. They're *not* Romantic. (If you said yes, think harder.) Animal skins are bulky, heavy, sultry, hairy, musky. They're not ethereal. Leather, by any stretch of the imagination, cannot be considered ethereal. Artificial fabrics are also not Romantic. Polyester, even *good* polyester, has that certain artificial shine you can always catch, that too-slippery surface. Ultrasuede is stiff, not liquid. And that's the catchword: *Liquid*. Romantic is like the ocean, always in movement, always fluid, always feminine. The fabrics that are romantic fall in wave patterns, rippled and poetic. Here are Romantic fabrics:

Chiffon
Swirls of etched lace
Voile
Gauze
The softest 100 percent wools
Velvet
Organdy
Peau de soie (the sheerest silk)
Draped Grecian jersey folds
Moiré
Cashmere
Wrinkly cottons and linens
Crepe de chine (it's so delicate and soft, it fairly *drips* on the body)

NOTE: If your fabrics are patterned, they're garden florals, *big* polka dots, tiny prints. Watercolor effects are perfect. So are airy, open, crocheted knits.

Look Away! William C. Davis, 2002-04-12 William C Davis one of America's best Civil War historians here offers a definitive portrait of the Confederacy unlike any that has come before Drawing on decades of writing and research among an unprecedented number of archives Look Away tells the story of the

Confederate States of America not simply as a military saga although it is that but rather as a full portrait of a society and incipient nation The first history of the Confederacy in decades the culmination of a great scholar s career Look Away combines politics economics and social history to set a new standard for its subject Previous histories have focused on familiar commanders such as Robert E Lee and Stonewall Jackson but Davis s canvas is much broader From firebrand politicians like Robert Barnwell Rhett and William L Yancey who pushed for secession long before the public supported it to Dr Samuel Cartwright who persuaded many Southerners of the natural inferiority of their slaves to the women of Richmond who rioted over bread shortages in 1863 Davis presents a rich new face of the Confederate nation He recounts familiar stories of battles won and lost but also little known economic stories of a desperate government that socialized the salt industry home front stories of the rangers and marauders who preyed on their fellow Confederates and an account of the steady breakdown of law culminating in near anarchy in some states Never has the Confederacy been so vividly brought to life as a full society riven with political and economic conflicts beneath its more loudly publicized military battles Davis s astonishingly thorough primary research has ranged across the 800 odd newspapers that were in operation during the war but also across the personal papers of over a hundred Southern leaders and ordinary citizens He quotes from letters and diaries throughout the narrative revealing the Confederacy through the words of the Confederates themselves Like any society especially in the early stages of nation building and the devastating stages of warfare the Confederacy was not one thing but many things to many people One thing however was shared by all the belief that the South offered a necessary evolution of American democracy Look Away offers a dramatic and definitive account of one of America s most searing episodes
