In the Beginning Tommie McBrayer, 2021-10-20 The book of Genesis is one of the most important books in the Old Testament Every major doctrine in the Bible is introduced in the first three chapters In *In the Beginning* author Tommie McBrayer shares insights about these pivotal chapters She tells how one cannot study Genesis without being awed by God's amazing power and by his love and care for the creatures he created including humans She illustrates his provision and protection in every chapter but most of all she calls attention to his eternal plan for humanity's salvation Praise for *In the Beginning* For Christians the first few chapters of the Book of Genesis are fascinating They pique our curiosity and lead us to wonder about God His creation and how everything began This book written by my close friend Tommie McBrayer is an invaluable resource to help answer some of the questions we ask about Genesis 1-3 Rather than rely solely on Bible commentaries Tommie uses the Bible to interpret itself when it comes to the Genesis account of creation Her approach is Biblically sound and rich in historical Christian theology This book will be a great resource for your study of Genesis Dr David Belk Pastor Monterey Baptist Church Lubbock Texas

The Real James Herriot James Wight,2011-04-27 No one is better poised to write the biography of James Herriot than the son who worked alongside him in the Yorkshire veterinary practice when Herriot became an internationally bestselling author Now in this warm and poignant memoir Jim Wight talks about his father the beloved veterinarian whom his family had to share with half the world Alf Wight aka James Herriot grew up in Glasgow where he lived during a happy rough and tumble childhood and then through the challenging years of training at the Glasgow Veterinary College The story of how the young vet later traveled to the small Yorkshire town of Thirsk aka Darrowby to take the job of assistant vet is one that is well known through James Herriot s internationally celebrated books and the popular All Creatures Great and Small television series But Jim Wight s biography ventures beyond the trials and tribulations of his father s life as a veterinarian to reveal the man behind the stories the private individual who refused to allow fame and wealth to interfere with his practice or his family With access to all of his father s papers correspondence manuscripts and photographs and intimate remembrances of all the farmers locals and friends who populate the James Herriot books only Jim Wight could write this definitive biography of the man who was not only his father but his best friend NOTE This edition does not include a photo insert
