Lords' Dreaming Ashley Mallett, 2002 An amazing account of the establishment and reception of the Aboriginal team which represented Australia in the 1868 tour of England Written and researched by well known cricket author Ashley Mallett

The Black Lords of Summer Ashley Alexander Mallett, 2002 The talented black cricketers who toured England in 1868 have become one of Australia's enduring sporting legends Aboriginal sporting heroes are found in many sports today from football to tennis boxing and athletics but it was very different in the nineteenth century when the pastoral frontier was still bitterly disputed by whites and blacks Aboriginal workers on the Wimmera sheep stations began to develop and organise their cricketing skills during the 1860s and were recruited into a team by station owner and former Test cricketer Tom Wills On Boxing Day 1866 they played before 8000 people at the MCG followed by a disastrous Sydney tour which led to the deaths of some players Former test player Ashley Mallett has dramatically reconstructed this important pioneering tour of England and has also included the careers of later black players including the famous fast bowler Eddie Gilbert who died tragically without fulfilling his potential **Cricket Country** Prashant Kidambi, 2019 The extraordinary story of the first All India national cricket tour of Great Britain and Ireland and how the idea of India as a nation took shape on the cricket pitch

Knowledge of Life Kaye Price, 2015-06-29 Knowledge of Life is a timely publication which emphasises the importance of relationships between non Indigenous and Aboriginal and Torres Strait Islander cultures Led by accomplished academic educator and author Kaye Price the experienced author team provides students with a comprehensive guide to Aboriginal and Torres Strait Islander Australia Australia's Asian Sporting Context, 1920s - 30s Sean Brawley, Nick Guoth, 2013-10-18

This book examines Australia's sporting relationships with the Asian region during the interwar period Until now Australia's sporting relationships with the Asian region have been neglected by scholars of Australian and Asian sports history and the broader field of Australia's Asian context Concentrating on the period of the 1920s and 1930s when sporting relationships between Australia and a number of Asian nations emerged in a variety of sports this book demonstrates the depth of these previously under examined connections The book challenges and complicates the broader historiography of Australia's Asian context a historiography that has been strongly influenced by the White Australia Policy and the Pacific War Why for example did white Australia so warmly welcome visiting Japanese sportsmen at a time when the Pacific region appeared to be inexorably sliding into a war that was informed by racial antagonisms This book examines sporting relations between Australia and seven Asian countries China Japan India Netherlands East Indies Philippines Malaya and Singapore and a range of sports including rugby football swimming hockey boxing cricket and tennis This book was published as a special issue of Sport in Society **Playing in Isolation** Junwei Yu, 2007-12-01 Despite the political instability characterizing twentieth century Taiwan the value of baseball in the lives of Taiwanese has been a constant since the game was introduced in 1895 The game first gained popularity on the island under the Japanese occupation and that popularity continued after

World War II despite the withdrawal of the Japanese and an official lack of support from the new state power the Chinese Nationalist Party
