Basic Discipleship Floyd McClung,1996 Does a Christian life seem like a set of rules that are impossible to follow This guide contains the biblical keys to true discipleship By following them you ll be liberated to serve God in every aspect of your life **Basic Discipleship** Floyd McClung,1992-07-27 Floyd McClung stresses the basics of the Christian life understanding Christ s lordship finding God s will turning away from sin nurturing humility evangelizing with our whole lives and much more **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 **Follow** Floyd McClung,2010-09-01 Isn t it

time to stop asking What would Jesus do and start asking What is Jesus doing now Follow is a real life guide to discipleship the Jesus way Here Floyd McClung tells how he traded a life of religion for a life of relationship with Jesus a relationship that led him to form communities of Christian disciples around the world Taking the Gospels at face value leads Floyd to define a radical strategy for discipling new believers while strengthening our own devotional lives He details practical ideas for forming discipleship groups that reflect Jesus s principles of accountability transparency humility and outreach Through it all Floyd emphasizes the importance of following Jesus personally rather than adhering to ineffective rules or traditions With stories and scriptural principles Floyd McClung leads us through the liberating process of changing the focus of our lives from ourselves to Jesus so we can do life the way Jesus did and experience a richer spiritual life than we ve ever known

Paperbound Books in Print 1995 Reed Reference Publishing,R5ference Reed,1995-12 *Video Source Book* Gale Group,1999-10-28 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction *Lordship Vs Discipleship* Dr. James W. Huntley,2013-08-19 This book has been designed to culminate a study on our position with God as disciples We have not been chosen to assume the position as Lords We must not usurp the position as a Lord We have not been chosen to be served but to serve therefore this book will explain in detail our callings and limitations as it refers to our position and anointing This book does not indicate how anointed you are It only references that your anointing cannot be any greater than God has chosen to give unto you This book will list in detail that authority has to be given and not taken Therefore as our Master and King God alone grants us the power and authority as he chooses to disseminate amid the Body of Christ This book has been designed to explain that we are not Lords but disciples A disciple is a follower and student of a mentor teacher or other figure The higher our calling the greater our servitude should be Additionally we are considered as Servant Leaders Servant leadership is both a leadership philosophy and set of leadership practices Traditional leadership generally involves the accumulation and exercise of power by one at the top of the pyramid By comparison the servant leader shares power but most importantly puts the needs of others first and helps people develop and perform as highly as possible

Therefore I have attempted to reference in detail our positions and appointments and what the scripture indicates in reference to our responsibilities with that calling and position Although we are powerful and full of an anointing by God we must understand that whatever God has given we should utilize it to complete the work of God and not our personal agendas Furthermore it is not our will that should be implemented but that of God and him alone When we understand our position with God we can perform our duties with greater convictions and at a higher level **The Video Source Book** David J. WEINER,1990 **Lordship** Floyd McClung,1996 **Lordship and Discipleship** Eduard Schweizer,1960 The New Testament contributors were courageous enough to be one sided They made their choice and preached the message in terms their hearers could grasp opposing clearly the special dangers of their time and place Must our younger generation or to take a quite different example the Japanese people first be converted to a Hebrew or Greek way of thinking in order to be able to receive the gospel Or may we without denying the old creeds proclaim the same truth in the West perhaps in terms of the meaning of God s acts for our existence and in Japan perhaps in quite different terms Publisher from the 2012 edition
