Living Our Cultures, Sharing Our Heritage Aron A. Crowell, Rosita

World, Paul C. Ongtooguk, Dawn D. Biddison, 2010-05-18 *Living Our Cultures Sharing Our Heritage The First Peoples of Alaska* features more than 200 objects representing the masterful artistry and design traditions of twenty Alaska Native peoples. Based on a collaborative exhibition created by Alaska Native communities, the Smithsonian's National Museum of Natural History, the Smithsonian's National Museum of the American Indian, and the Anchorage Museum at Rasmuson Center, this richly illustrated volume celebrates both the long-awaited return of ancestral treasures to their native homeland and the diverse cultures in which they were created. Despite the North's transformation through globalizing change, the objects shown in these pages are interpretable within ongoing cultural frames articulated in languages still spoken. They were made for a way of life on the land that is carried on today throughout Alaska. Dialogue with the region's First Peoples evokes past meanings but focuses equally on contemporary values, practices, and identities. Objects and narratives show how each Alaska Native nation is unique and how all are connected. After introductions to the history of the land and its people, universal themes of Sea, Land, Rivers, Family, and Community, and Ceremony and Celebration are explored, referencing exquisite masks, parkas, beaded garments, basketry, weapons, and carvings that embody the diverse environments and practices of their makers. Accompanied by traditional stories and personal accounts by Alaska Native elders, artists, and scholars, each piece featured in *Living Our Cultures Sharing Our Heritage* evokes both historical and contemporary meaning and breathes the life of its people.

Yupik Transitions Igor Krupnik, Michael Chlenov, 2013-11-15 The Siberian Yupik people have endured centuries of change and repression starting with the Russian Cossacks in 1648 and extending into recent years. The twentieth century brought especially formidable challenges including forced relocation by Russian authorities and a Cold War ice curtain that cut off the Yupik people on the mainland region of Chukotka from those on St. Lawrence Island. Yet throughout all this, the Yupik have managed to maintain their culture and identity. Igor Krupnik and Michael Chlenov spent more than thirty years studying this resilience through original fieldwork. In *Yupik Transitions*, they present a compelling portrait of a tenacious people and place in transition, an essential portrait as the fast pace of the newest century threatens to erase their way of life forever.

Words of the Real People Ann Fienup-Riordan, Lawrence D. Kaplan, 2007 Collects the oral literature, poetry, and life stories of Alaska's Native speakers of Yupik, Inupiaq, and Alutiiq, including ancient tales spanning generations as well as new traditions accompanied by essays on each Native group's background. Source of description unspecified. Faith, Food,

and Family in a Yupik Whaling Community Carol Zane Jolles, Elinor Mikaghaq Oozeva, 2011-10-01 For more than fifteen hundred years, Yupik and proto-Yupik Eskimo peoples have lived at the site of the Alaskan village of Gambell on St. Lawrence Island. Their history is a record of family and kin and of the interrelationship between those who live in Gambell and the spiritual world on which they depend. It is a history dominated by an abiding desire for community survival. Relying on oral history blended with ethnography and ethnohistory, Carol Zane Jolles views the contemporary Yupik people in terms of the enduring beliefs and values that have contributed to the community's survival and adaptability. She draws on extensive

interviews with villagers archival records and scholarly studies as well as on her own ten years of fieldwork in Gambell to demonstrate the central importance of three aspects of Yupik life religious beliefs devotion to a subsistence life way and family and clan ties Jolles documents the life and livelihood of this modern community of marine mammal hunters and explores the ways in which religion is woven into the lives of community members paying particular attention to the roles of women Her account conveys a powerful sense of the lasting bonds between those who live in Gambell and their spiritual world both past and present
