Film & Television Coll Europe Kirschner, 2012-11-12 Published in 1995 Film Television is an important contribution to Film and Media *Glider Infantryman* Donald J. Rich, Kevin William Brooks, 2013-01-18 A member of the famed Screaming Eagles of the 101st Airborne Division Donald J Rich went ashore on D Day at Utah Beach was wounded in the bloody conflict at Carentan landed in a flimsy plywood and canvas glider on the battlefields of Holland and survived the grim siege with the Battling Bastards of Bastogne during the Battle of the Bulge *Glider Infantryman* is his eyewitness account of how he along with thousands of other young men from farms small towns and cities across the United States came together to answer the call of their nation It is also a heartfelt tribute to the many thousands who gave their lives in this struggle Coauthored by Kevin Brooks the son of Rich s best friend and World War II comrade *Glider Infantryman* covers a span of nearly three years his return home five months after the war s end as a toughened bazooka gunner and veteran of five campaigns Rich s first person narrative includes vivid coverage of the action featuring an especially rare account of arriving on a combat landing zone by glider Detailed day to day depiction of some of the heaviest fighting in Holland follows including the action at Opheusden the center of the infamous Island Later highlights include the Battle of the Bulge where Rich recounts his experiences in some of the hottest defensive fighting of the European Theater including the epic tank battles at Marvie Champs and Foy **The Multinational History of Strasbourg Astronomical Observatory** Andre HECK, 2006-04-04 Strasbourg Astronomical Observatory is quite an interesting place for historians several changes of nationality between

France and Germany high profile scientists having been based there big projects born or installed within its walls and so on Most of the documents circulating on the history of the Observatory and on related matters have however been so far poorly referenced if at all This made necessary the compilation of a volume such as this one offering fully documented historical facts and references on the first decades of the Observatory history authored by both French and German specialists The experts contributing to this book have done their best to write in a way understandable to readers not necessarily hyperspecialized in astronomy nor in the details of European history Several appendices conclude the book lists of council members and of Observatory scientific personnel as well as a compendium of the institutional publications until the year 2000
