Los Angeles, City of Dreams ,2011-12-18 **Los Angeles, city of dreams** Harry Carr,1935 **Los Angeles; City of Dreams** Mark St. George,1975 **Los Angeles** Harry Carr,2011-10-01 **Many Wests** David M. Wrobel,Michael C. Steiner,1997 What does it mean to live in the West today Do people tend to identify with states with regions or with the larger West This book examines the development of regional identity in the American West demonstrating that it is a regionally diverse entity made up of many different wests Great Plains Southwest Rocky Mountains and more in which American regionalism finds its fullest expression These fourteen original essays tell how a sense of place emerged among residents of various regions and how a sense of those places was developed by people outside of them Wrobel and Steiner first offer a compelling overview of the West s regional nature then thirteen other rising or renowned scholars from history American Studies geography and literature tell how regional consciousness formed among inhabitants of particular regions All of the essays address the larger issue of the centrality of place in determining social and cultural forms and individual and collective identities Some focus on race and culture as the primary influences on regional consciousness while others emphasize environmental and economic factors or the influence of literature Some even examine western regionalism in areas that lie beyond the West as it has traditionally been conceived Each of the contributors believes that where a people live helps determine what they are and they write not only about the many wests within the larger West but also about the constant state of flux in which regionalism exists Many books speak of the West as a place but few others deal with the West s different places Many Wests presents a vision of the West that reflects both the common heritage and unique character of each major subregion building on the revisionist impulse of the last decade to help redirect New Western History toward an appreciation of regional diversity and integrate scholarship in the regional subfields It is a book for everyone who lives in studies or loves the West for it confirms that it is home to very different peoples economies histories and regions Los Angeles League of Women Voters of Los Angeles,1968 *Los Angeles; Structure of a City* League of Women Voters of Los Angeles,1968 **City Dreams, Country Schemes** Kathleen A. Brosnan,Amy L. Scott,2013-10-11 The American West from the beginning of Euro American settlement has been shaped by diverse ideas about how to utilize physical space and natural environments to create cohesive sometimes exclusive community identities When westerners developed their towns they constructed spaces and cultural identities that reflected alternative understandings of modern urbanity The essays in City Dreams Country Schemes utilize an interdisciplinary approach to explore the ways that westerners conceptualized built and inhabited urban suburban and exurban spaces in the twentieth century The contributors examine such topics as the attractions of open space and rural gentrification in shaping urban development the role of tourism in developing national parks historical sites and California s Napa Valley and the roles of public art gender and ethnicity in shaping urban centers City Dreams Country Schemes reveals the values and expectations that have shaped the West and the lives of the people who
