Coloma,1887 **Historia de Felipe Segundo** Henri Forneron,1884 *On the Edge of the River Sar* Rosalía de

Castro,2014-10-16 This book presents the first feminist translation of Rosalía de Castro's seminal poetic anthology *En las orillas del Sar* *On the Edge of the River Sar* 1884 Rosalía de Castro 1837-1885 was an artist of vast poetic vision Her understanding of human nature and her deep sensitivity to the injustices suffered by women and by such marginalized peoples as those of her native region Galicia are manifest in verses of universal yet rarely translated significance An

outspoken proponent of both women's rights and her region's cultural and political autonomy Castro used her poetry as a vehicle through which to decry the crushing hardships both groups endured as Spain vaulted between progressive liberal and conservative reactionary political forces throughout the nineteenth century. Depending upon what faction held sway in the nation at any given time during Castro's truncated literary career her works were either revered as revolutionary or reviled as heretical for the views they espoused. Long after her death by uterine cancer in 1885 Castro was excluded from the pantheon of Spanish literature by Restoration society for her unorthodox views. Compellingly the poet's conceptualization of the individual and the national self as informed by gender ethnicity class and language echoes contemporary scholars of cultural studies who seek to broaden present day definitions of national identity through the incorporation of precisely these same phenomena. Thanks to the most recent works in Rosalian and Galician studies we are now able to recuperate and reevaluate Rosalía de Castro's poems in their original languages for the more radical symbolism and themes they foreground related to gender sexuality race and class as they inform individual and national identities. However although Castro's poetic corpus is widely accessible in its original languages these important features of her verses have yet to be given voice in the small number of English translations of only a sub set of her works that have been produced in the last century. As a result our understanding of Castro's potential contributions to contemporary world poetries gender studies Galician and more broadly cultural studies is woefully incomplete. An English translation of Castro's works that is specifically feminist in its methodological orientation offers a unique and thought provoking means by which to fill this void.

El Libro de Oro de los Angeles, **Primera carta del apóstol san Pablo a los cristianos de Corinto** Eduardo de la Serna, 2020-02-06

La primera carta del apóstol san Pablo a los cristianos de Corinto es una de las más complejas cartas del Apóstol. No enfrenta un problema o una crisis como en otras sino una serie muy variada de temas y situaciones. Esto hace difícil encontrar en ella un hilo conductor o un esquema organizativo. Pero esto a su vez la transforma en una de las cartas más vivas de Pablo ya que se descubre en ella una serie de elementos de situaciones internas y externas de relaciones en muy diferentes circunstancias y contextos entre Pablo y una comunidad difícil. En este libro se pretende leer toda la carta unidad por unidad a fin de descubrir en ella un Pablo tan vivo como la carta un Pablo tan amplio como los problemas que enfrenta y un Pablo tan pastor como las necesidades preguntas y crisis de los corintios lo requieren.
