The Lost 11 Days of Agatha Christie Franklin Alfred Kirby Edwards, 2023-01-10 In 1926 mystery writer Agatha Christie got into a real life mystery her own disappearance Her stylish roadster was found abandoned at a quarry pit in the South of England and when a police search for her failed her husband was suspected of murder Eleven days later she was discovered sick and bewildered at a posh spa resort 200 miles away in Yorkshire Complaining of amnesia she refused to talk about the disappearance that had captured worldwide headlines She had good reason to keep silent England s strict Official Secrets Act prevented her from revealing the thrilling truth and for half a century and adding to the mystery it remained locked in the tomb of government secrets In the days before her death in 1976 and in the spirit of damn the torpedoes the celebrated author revealed what had actually happened telling her care nurse They cannot prosecute a corpse This is the story of The Lost 11 Days of Agatha Christie It is Dame Agatha like you ve never seen her Pilar Publishing of California

Secrets from the Agatha Christie Archives Jared Cade, 2025-02-05 The untold story of how Agatha Christie conquered the serial market with her thrilling mysteries Dame Agatha Christie reigns supreme as the Queen of Crime Numerous books have been written about the legendary crime writer focusing on nearly every aspect of her craft But until now no one has carried out an in depth investigation into how she conquered the serial market with her thrilling tales of murder and intrigue In the UK and US Agatha Christie s work was serialized in the most prestigious magazines and

newspapers of the day often under an array of different titles prior to being published by Collins and Dodd Mead and Company Second serial rights could result in a single title being syndicated to over 40 newspapers Over the decades numerous records have been lost or destroyed and keeping track of her literary legacy has proved a major challenge for her publishers literary agents and others until now Jared Cade author of the ground breaking biography Agatha Christie and the Eleven Missing Days has unearthed a huge plethora of hitherto unknown facts about the timeline of her publishing history that will delight her devotees and enable future generations to write about her work with far greater authority and accuracy than ever before especially when correlating her publications to the parallels in her life Illustrated with rare pictures Secrets from the Agatha Christie Archives is destined to become an essential reference tool for fans librarians scholars antiquarian booksellers broadcasters and others interested in the making of one of the 20th century s most beloved writers Jared Cade is an acknowledged authority on Christianna Crime Time **The Encyclopedia of Murder and Mystery B.**

Murphy,1999-12-09 Bruce Murphy s Encyclopedia of Murder and Mystery is a comprehensive guide to the genre of the murder mystery that catalogues thousands of items in a broad range of categories authors titles plots characters weapons methods of killing movie and theatrical adaptations What distinguishes this encyclopedia from the others in the field is its critical stance Agatha Christie J.C. Bernthal,2022-08-25 The undisputed Queen of Crime Dame Agatha Christie 1890 1976 is the bestselling novelist of all time As the creator of immortal detectives Hercule Poirot and Jane Marple she continues to enthrall readers around the world and is drawing increasing attention from scholars historians and critics But Christie wrote far beyond Poirot and Marple A varied life including war work archaeology and two very different marriages provided the backdrop to a diverse body of work This encyclopedic companion summarizes and explores Christie s entire literary output including the detective fiction plays radio dramas adaptations and her little studied non crime writing It details all published works and key themes and characters as well as the people and places that inspired them and identifies a trove of uncollected interviews articles and unpublished material including details that have never appeared in print For the casual reader looking for background information on their favorite mystery to the dedicated scholar tracking down elusive new angles this companion will provide the most comprehensive and up to date information **Unlocking the Last Days** Jeff Lasseigne,2011-03-01 The very title of the last book of the Bible means unveiling Yet this mysterious and confusing book seems to do anything but unveil especially when we read it on our own Unlocking the Last Days takes readers through key parts of this misunderstood book using a verse by verse approach that clearly communicates God s truth warnings and promises Both Bible teachers and students will find this book a welcome aid to understanding an intriguing piece of the Scriptures Agatha Christie Goes to War Rebecca Mills,J.C. Bernthal,2019-11-08 Agatha Christie has never been substantially considered as a war writer even though war is a constant presence in her writing This interdisciplinary collection of essays considers the effects of these conflicts on the social and psychological textures of Christie s detective

fiction and other writings demonstrating not only Christie's textual navigation of her contemporary surroundings and politics but also the value of her voice as a popular fiction writer reflecting popular concerns. Agatha Christie Goes to War introduces the Queen of Crime as an essential voice in the discussion of war, warfare and twentieth century literature. **Living With a Writer** D. Salwak, 2016-05-23 Living With A Writer brings together a group of prestigious contributors to discuss the writing lives of contemporary poets, novelists, critics, dramatists, editors and collaborators. What are the practical considerations of being a writer? What are the household dynamics? How do the circumstances contribute to the work? What does it tell us about the creative process? The book features pieces from well known authors and partners in famous literary relationships including John Bayley, Amanda Craig, Nadine Gordimer, Ann Thwaite, Paul Theroux and John Updike. The 2009 Weird & Wacky Holiday Marketing Guide Ginger Carter-Marks, 2009-02 The Enigmatic Disappearance of Agatha Christie Johana Connor, Agatha Christie vanished from her Sunningdale Berkshire home on the evening of December 3 and went missing for 11 days. The largest missing person manhunt in British history began when the crime writer's abandoned car was found. It's astonishing that such a well chronicled event of Christie's life has remained resistant to the narrative closure that was so vital to her own work, considering her status as the bestselling author of all time, outselling only the Bible and Shakespeare in terms of sales. Whether Agatha Christie's disappearance was caused by the psychological repercussions of the sadness she was experiencing or if there were additional factors may never be known. But there's no denying that her marriage to Archie Christie disintegrating was a painful event. After ultimately divorcing in 1928, Archie married Nancy Neele, his mistress. Later, Agatha married Max Mallowan, an archaeologist, in 1930. On January 12, 1976, at the age of 85, Agatha Christie passed away at her Wallington, Oxfordshire home from age-related natural causes. The Last Days of Terranova Manuel Rivas, 2022-11-15 A far-reaching story of an outcast and his bookstore, a home to forbidden books, political dissidents and cultural smugglers, all brought to vivid poetic life. Rivas is a master. His pages bloom like flowers, swerving in unpredictable arcs toward a light source that is constantly moving. Bookforum: The Last Days of Terranova tells of Vincenzo Fontana, the elderly owner of the long-standing Terranova Bookstore, on the day it's set to close due to the greed of real estate speculators. On this final day, Vincenzo spends the night in his beloved store, filled with more than seventy years of fugitive histories. Jumping from the present to various points in the past, the novel ferries us back to Vincenzo's childhood when his father opened the store in 1935, to the years that the store was run by his Uncle Eliseo, and to the years in the lead up to the democratic transition which Vincenzo spent as far away from the bookstore as possible in Madrid. Like the bookstore itself, The Last Days of Terranova is a space crammed with stories, histories and literary references, and as many nooks, crannies and complexities brought to life in Rivas's vital prose. When Hitler Took Cocaine and Lenin Lost His Brain Giles Milton, 2016-01-05 Obscure and addictive true tales from history told by one of our most entertaining historians, Giles Milton. The first installment in Giles Milton's outrageously entertaining series History's Unknown Chapters, colorful and accessible, intelligent and illuminating.

Milton shows his customary historical flair as he delves into the little known stories from the past There s the cook aboard the Titanic who pickled himself with whiskey and survived in the icy seas where most everyone else died There s the man who survived the atomic bomb in both Hiroshima and Nagasaki And there s many many more Covering everything from adventure war murder and slavery to espionage including the stories of the female Robinson Crusoe Hitler s final hours Japan s deadly balloon bomb and the emperor of the United States these tales deserve to be told Christietown Susan
