Lost Disciple:

Seeking the Lost, Keeping Them, Making Them Disciples Dr. Benoit Petit-Homme, 2018-08-27 Seeking the Lost Keeping Them Making Them Disciples By Dr Benoit Petit Homme God bless Dr Benoit Petit Homme for all the work he has done in putting this book together I believe that any church or leader who will follow these biblically grounded principles will see beautiful results in changed lives for the kingdom Teresa L Reeve PhD Associate Dean Seventh day Adventist Theological Seminary Associate Professor of New Testament Contexts Andrews University United States of America Dr Benoit Petit Homme's contribution to the discipleship crisis is a compelling re-examination of scripture church history and 21st century pastoral experience Practical and convincing his straightforward style brings real solutions to the evangelistic Achilles heels of attrition He reminds us of what has been forgotten and calls us back to our relational roots Pr Ron Kelly Senior Pastor Village Seventh day Adventist Church Berrien Springs Michigan United States of America Seeking the Lost Keeping Them Making Them Disciples by Dr Benoit Petit Homme is a handy Christ based discipleship resource that will contribute to the mission of training and equipping church ministry leaders in the evangelistic work of reaping retaining and nurturing new believing Christians This is a must read for church officers pastors and ministry directors in the Christian church Ron C Smith PhD D Min President Southern Union Conference of SDA Every year many thousands of people hear the Good News of Jesus Christ and choose to be baptized and join a church community Unfortunately it is also true that every year many new converts leave a church relatively shortly after joining The specific reasons that each person leaves the church could fill a book by themselves but they all boil down to one thing a lack of focus on the part of the church community on turning converts into disciples of our Savior A disciple of Christ does more than attend church services A disciple is an active member of the church community A disciple is a witness to others A disciple seeks to grow the church by seeking to lead everyone they meet to Christ Dr Benoit Petit Homme is a committed disciple of Christ and after extensive study of exactly why new converts leave the church he has developed a process by which any church can make disciples All it takes is a little extra work a bit of encouragement and an unwavering faith in the Lord **The Lost Art of Disciple Making LeRoy** Eims, 2009-07-13 Every believer in Jesus Christ deserves the opportunity of personal nurture and development says LeRoy Eims But all too often the opportunity isn t there We neglect the young Christian in our whirl of programs church services and fellowship groups And we neglect to raise up workers and leaders who can disciple young believers into mature and fruitful Christians In simple practical and biblical terms LeRoy Eims revives the lost art of disciple making He explains How the early church discipled new Christians How to meet the basic needs of a growing Christian How to spot and train potential workers How to develop mature godly leaders True growth takes time and tears and love and patience Eims states There is no instant maturity This book examines the growth process in the life of a Christian and considers what nurture and guidance it takes to develop spiritually qualified workers in the church **The Lost Disciple** Les Whitten, 1989-01-01 Based on

Biblical references and rich with the history of imperial Rome and early Christianity the tale follows the erotic and ideological misadventures of Demas a follower of Paul **The Lost Disciple** Les Whitten, 1990-11 The Lost Gospel of Judas Stanley E. Porter, Gordon Heath, 2007-02-23 Porter and Heath consider recent textual finds and examine the discovery content and authenticity of the gospel They also delve into the relationship this new gospel has with the New Testament **Faith Lost: Faith Regained** James Atkinson, 2019-05-21 A holistic positive answer to modernist and post modernist challenges to Christian faith Recent trends in theology have adapted to what has been assumed to be universally valid scientific thinking thereby contributing to the erosion of traditional protestant belief Pointing to parable as a tool of understanding and appealing to aesthetic appreciation as an analogy the author makes an impassioned call for a return to an assured biblical faith The answer lies in a fuller epistemology and a profounder ontology to explain the universe and man s **Love Lost in Translation** K. Renato Lings, 2013-06-06 Love Lost in Translation systematically examines the place in it biblical stories and passages that are generally assumed to deal with or comment on homoerotic relationships Noah and Ham Sodom and Gomorrah Leviticus 18 22 Deuteronomy 23 1718 Judges 19 Romans 1 2627 and 1 Corinthians 6 9 K Renato Lings convincingly demonstrates that mistranslations of these texts into Greek Latin and other languages occurred early and that serious errors continue to be committed by translators today This explains the painful controversy about same sex relationships which has rocked Christian churches for decades Love Lost in Translation proposes a fresh approach to translating the Bible by means of linguistic and literary criteria As demonstrated throughout this ground breaking book the method enables readers to become acquainted with the literary sophistication psychological insights and spiritual depth of the Bible Combining meticulous scholarship with an accessible style Love Lost in Translation provides a much needed infusion of essential learning into a subject that affects millions of Bible readers today The Lost Gospel of Judas **Iscariot** Bart D. Ehrman, 2008 The biblical scholar recounts the events surrounding the discovery and handling of the Gospel of Judas and provides an overview of its content in which Judas is portrayed as a faithful disciple the Lost Teachings of Christianity Jeffrey J. Bütz, 2005-01-25 Reveals the true role of James the brother of Jesus in early Christianity Uses evidence from the canonical Gospels apocryphal texts and the writings of the Church Fathers to reveal the teachings of Jesus as transmitted to his chosen successor James Demonstrates how the core message in the teachings of Jesus is an expansion not a repudiation of the Jewish religion Shows how James can serve as a bridge between Christianity Judaism and Islam James has been a subject of controversy since the founding of the Church Evidence that Jesus had siblings contradicts Church dogma on the virgin birth and James is also a symbol of Christian teachings that have been obscured While Peter is traditionally thought of as the leader of the apostles and the rock on which Jesus built his church Jeffrey B tz shows that it was James who led the disciples after the crucifixion It was James not Peter who guided them through the Church's first major theological crisis Paul's interpretation of the teachings of Jesus Using the canonical Gospels writings of

the Church Fathers and apocryphal texts B tz argues that James is the most overlooked figure in the history of the Church He shows how the core teachings of Jesus are firmly rooted in Hebraic tradition reveals the bitter battles between James and Paul for ideological supremacy in the early Church and explains how Paul s interpretations which became the foundation of the Church are in many ways its betrayal B tz reveals a picture of Christianity and the true meaning of Christ's message that are sometimes at odds with established Christian doctrine and concludes that James can serve as a desperately needed missing link between Christianity Judaism and Islam to heal the wounds of centuries of enmity

Jesus and the Lost Goddess Timothy Freke, Peter Gandy, 2011-08-10 Why Were the Teachings of the Original Christians Brutally Suppressed by the Roman Church Because they portray Jesus and Mary Magdalene as mythic figures based on the Pagan Godman and Goddess Because they show that the gospel story is a spiritual allegory encapsulating a profound philosophy that leads to mythical enlightenment Because they have the power to turn the world inside out and transform life into an exploration of consciousness Drawing on modern scholarship the authors of the international bestseller The Jesus Mysteries decode the secret teachings of the original Christians for the first time in almost two millennia and theorize about who the original Christians really were and what they actually taught In addition the book explores the many myths of Jesus

Hermeneutics and Early Christian Gospels Todd Brewer ,2025-03-17 Christology and Discipleship in John 17 Marianus Pale Hera, 2013 Using the method of literary critical analysis to read the Johannine narrative Marianus Pale Hera underlines the profound relationship between the Johannine Christology and the Gospel's teaching on discipleship A narrative reading of selected passages from chapters 1 12 of John the prologue Jesus first disciples the first sign at Cana the man born blind and the I Am sayings indicates John's tendency to present christological teaching that leads to teaching on discipleship The reading of these passages also identifies the elements that indicate the christological character of Johannine discipleship The author's exegesis of John 17 confirms that John's teaching on Christology and discipleship are intimately interrelated to each other All the elements that indicate the christological character of discipleship are on display in John 17 The author concludes that Christology which is the center and heartbeat of John s thought is not an end in itself but leads to discipleship The twofold message of Christology and discipleship is a distinctive Johannine trait Change Your Magnetism, Change Your Life Naidhruva Rush, 2017-02-17 Success in every area of life depends on the power of one s magnetism to attract it Broadly defined magnetism is the power of attraction Ordinary metal magnets attract other metal objects according to the power of the magnets The stronger the magnet the stronger the magnetism Magnetism is not only a property of certain metals however Applied to people magnetism is an inner force which attracts people things and opportunities that are on the same wavelength A basic principle of magnetism is that like attracts like We become like the people with whom we mingle not through their conversation but through the magnetic vibrations emanating from their bodies The person whose magnetism is stronger gives his vibrations to the other There are as many different types of magnetism as there are people Musicians have one kind of magnetism financiers another and scientists still another We must first decide what kind of magnetism we want and then associate with those people who possess it If we want to become artists we should associate with talented artists If we want to become good at business we should associate with successful business people or leaders If we want to become strong spiritually we should associate with devotees of God Paramhansa Yogananda the great spiritual
