Ehrlich, 1988-05 **ABA Journal**, 1971-11 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association The Lost Art of Cross-examination Or Perjury Anyone? With a Foreword by Percy Foreman J. W. Ehrlich.1970 Competitive Debate Richard Edwards, 2008-06-03 The bible for debaters and their coaches Nearly every high school and college in America has a debate club and or a debate team There are hundreds of competitions at the county and state level culminating in heated national competitions Yet at many high schools and colleges coaches are drawn from the history or English departments with little or no experience in the highly structured procedures of this popular discipline And while competitive debate has been growing each year as a prime academic activity there have been no popular handbooks to help students and coaches prepare for contests effectively and efficiently Practical and authoritative this guide includes not only tips and guidelines for effective preparation and delivery but full length actual transcripts of successful competitions in each format Endorsed by the two national governing bodies for competitive debate the National Federation of State High School Associations and the National Forensic League and priced for the budget conscious student and high school teacher alike Competitive Debate The Official Guide is set to become the instructional bible for tens of thousands of present and future debaters and their coaches Inside Dr Richard Edwards award winning debate coach professor former competitive debate judge and author leads readers through the three popular formats of competitive debate Policy Debate Lincoln Douglas Debate Public Forum Debate **Notable Cross-Examinations** Edward Wilfrid Fordham, 2018-12-05 The object of this book is to let the cross examination of one or more of the principal witnesses in each case dealt with speak for itself with only such notes added as may be needed to clarify what might otherwise be obscure In almost every trial a considerable part of the evidence adduced though essential to the proof of the case is less dramatic than that of the principal parties concerned Each case referred to here is therefore prefaced by an attempt very briefly to explain the chief matters at issue indicating rather than setting out in detail the points which the witnesses whose cross examination is cited had established or endeavoured to establish in their evidence in chief It is not intended in these pages to assess or criticise the value or brilliance of the cross examination The reader will have to do that for himself He will indeed be in the position of a listening juryman save of course in this that he will have to rely upon himself and will not have the invaluable assistance of the Judge's summing up to guide him in his assessment This however is a less grievous handicap than it would have been had not the verdict it is to be assumed been well and truly arrived at with the help referred to in the more or less distant past E W Fordham Asian Leading Arbitrators' Guide to International Arbitration Michael Charles Pryles, Michael J.
