

A glass sphere, possibly a paperweight, sits on a sandy beach. The sphere is dark on top and light blue on the bottom, with a horizontal line separating the two colors. It has some faint, white, swirling patterns on its surface. In the background, the sun is setting over the ocean, creating a warm, orange glow. There are some decorative elements in the image: a large, faint, white, swirling line that starts from the top left and goes around the sphere; several small, dark, leaf-like shapes floating in the air; and a long, thin, white, swirling line that starts from the bottom right and goes around the sphere.

Lost Without You Vinnie Jones, 2020-09-03 This is not a love story I ever wanted to tell because I hoped it would just go on and on and never end I thought that we'd grow old together I never wanted it to be a tale But here I am a middle aged man sitting at the kitchen table as the California light fades thinking about the coming night and how to get through it Trying to explain to someone to anyone what it was like to live through something extraordinary an amazing three decades that happened to me Three decades that are now over In July 2019 Vinnie Jones tragically lost his wife and soulmate Tanya after her six year battle with cancer Tanya and Vinnie had shared 27 amazing years and raised a beautiful family together Her passing was a devastating shock to everyone and Vinnie found himself struggling to cope In this extraordinarily intimate memoir Vinnie tackles his grief honestly and with heart sharing warm and colourful stories from the 25 years he spent married to Tanya and unfiltered accounts of the reality of grief From the darkest hours to the happiest moments and everything in between it is tender and heart breaking deeply honest but also full of humour and hope Written to honour Tanya's life *Lost Without You* is a beautiful and brave story of love and loss Nothing will take away the pain of Tanya's death but if in sharing his experiences Vinnie can inspire others in the depths of the unspeakable to find the help they need then he will have succeeded in the keeping her kind caring and selfless spirit alive

Lost Without Him Carol Scutt, 2018-10-29 In the summer of 1967 two teenagers from completely opposite kinds of upbringing met in Columbia City Indiana They both worked at the local Kroger grocery store She worked as a cashier and he worked as a night stocker She was sixteen and he was seventeen This infatuation grew into a love stronger than the worst storms and more passionate than the words of Shakespeare The first storm they endured as newlyweds was Paul being drafted and sent to Vietnam for fourteen months Their journey was one of commitment and determination Their love for each other and for Christ drew them together during all the difficult times A time did come when they nearly divorced How they dealt with the hurt and heartache is an inspiring lesson Paul was a brilliant businessman and ended his career as a senior vice president with Kroger That journey wasn't without its struggles He made a vow to Carol in the first year of their marriage that he would see that she have everything she ever dreamed or imagined He kept that vow even on the last day of his life

Earth Lost Without Power L. S. Wood, 2017-05-15 When greed for power consumes people's souls, there is no limit to how far they will go in pursuit of their goals, regardless of the destruction they may wreak on others. When an enormous missile launches from within the Russian empire, countries around the globe are in shock. It seems Russian scientists have developed power neutron bombs and placed them in orbit around the earth in order to consolidate the empire's power. But their plans go awry when faulty equipment launches all of the missiles back toward the earth in one shocking blow. The Russian military activates a self-destruct mechanism, but it is too late for billions of people on earth. Those who don't die in the initial explosions as their bodies' nervous systems are fatally disrupted find themselves living without electricity. Planes plummet from the sky, and modern life comes to a screeching halt. Now only time will tell if humanity will ever recover. In this science-fiction novel, powerful neutron bombs devastate human life on earth, leaving the survivors to pick up the pieces.
