Summer by the Seaside Bryant Franklin Tolles, 2008 A sweeping richly illustrated architectural study of the large historic New England coastal resort hotels Soldiering in the Shadow of Wounded Knee Hartford G. Clark, 2016-10-20 In the aftermath of the December 1890 massacre at Wounded Knee U S Army troops braced for retaliation from Lakota Sioux Indians who had just suffered the devastating loss of at least two hundred men women and children Among the soldiers sent to guard the area around Pine Ridge Agency South Dakota was twenty two year old Private Hartford Geddings Clark 1869-1920 of the Sixth U S Cavalry Within three days of the massacre he began keeping a diary that he continued through 1891 Clark s account published here for the first time offers a rare and intimate view of a soldier s daily life set against the backdrop of a rapidly vanishing American frontier According to editor Jerome A Greene Private Clark was a perceptive young man with wide ranging interests Although his diary begins in South Dakota most of its entries reflect Clark s service at Fort Niobrara located amid the sand hills of north central Nebraska There beginning in February 1891 five troops of the Sixth Cavalry sought to protect area citizens from potential Indian disturbances Among his hard drinking fellow soldiers Harry as Clark was called stood out as a teetotaler He was also an avid horse racer huntsman and the leading pitcher on Fort Niobrara s baseball team Beyond its descriptions of a grueling training regimen and off duty entertainment the diary reveals Clark s evolving perception of Native peoples Although he initially viewed them as savage enemies Private Clark s attitude softened when the army began enlisting Indian men and he befriended a Lakota soldier named Yellow Hand who shared Clark s love of sports Drawing on his extensive knowledge of nineteenth century military history Greene offers a richly annotated version of Private Clark s remarkable original text replete with information on the U S Army s final occupation of the American West

The Nine Lives of Florida's Famous Key Marco Cat Austin J. Bell, 2021-09-21 The story of an iconic artifact that has prevailed over impossibly long odds this book explores the deep past of the Key Marco Cat fascinating readers with the miracle and beauty of this rare example of pre Columbian art Pedagogy of a Beloved Commons Sharon Egretta Sutton, 2023-06-06 A rare and powerful illustration of what it takes to become a sustainable community embedded organization that continually grows the next generation of compassionate leaders This essential timely book meets us at our current moment of crisis to offer hope that American democracy s stalled trajectory toward its founding creed to embrace all and not just some can indeed be re invigorated Pedagogy of a Beloved Commons is about low income youth of color working within justice oriented community based organizations to improve the social and spatial conditions in their surroundings It draws from hundreds of pages of data some collected over a decade ago by graduate research assistants at three universities and some collected recently by a graduate research assistant at a fourth university to present verbatim quotes from interviews with constituents of three youth serving organizations The book posits that the disinvested neighborhoods where youth experience abandonment and marginality in fact can serve as a call to action given appropriate organizational support

Pedagogy of a Beloved Commons envisions a place based critical pedagogy that can provide young people with the practical skills and deep values to engage with today's economic, racial, and ecological crises. It offers a welcome antidote to a neoliberal education system that has not only veered away from its public mandate to advance democratic citizenship but that has also reinforced today's insidious economic inequality, rendering illusive the idea that rich and poor can work together toward a common good. Between these pages resonates a passionate call for an approach to cultivating citizens who have the critical skills to challenge injustice, the courage to hold the rich and powerful accountable, and the empathy to advance not just their own self-interest but also the health and well-being of their communities and the planet. The author proposes that such citizens develop by exercising collective agency in the commons, a political and psychic space whose values are mapped out in physical space. Through the expert use of an architect's lens, this groundbreaking book argues that the three-dimensional concreteness of the nation's disinvested neighborhoods provides a virtual stage where disenfranchised youth can experiment with collective life, become more discerning about the forces that have shaped their communities, and practice working toward just and inclusive futures. Merging Paulo Freire's seminal theory of critical pedagogy with Grace Lee Boggs's belief that hands-on community building can disrupt the ever more destructive forces of neoliberal capitalism, *Pedagogy of a Beloved Commons* refines an aspirational framework for a pathway forward through a careful analysis of three exemplar organizations. It offers rich, unique portraits of young people transforming their communities in southwest Detroit, Wai'anae, and Harlem, respectively, illustrating place-based activism through theater, organic farming, and critical inquiry. Here, activism is framed as the hands-on engagement of youth in addressing inequities in the commons of their neighborhoods through small but persistent interventions that also help them learn the language of solidarity and collectivity that a sustainable democracy needs. *Pedagogy of a Beloved Commons* is a must-read for our times and for our future.

The New Chicago John Koval, 2006-09-15 For generations, visitors, journalists, and social scientists alike have asserted that Chicago is the quintessentially American city. Indeed, the introduction to *The New Chicago* reminds us that to know America, you must know Chicago. The contributors boldly announce the demise of the city of broad shoulders and the transformation of its physical, social, cultural, and economic institutions into a new Chicago. In this wide-ranging book, twenty scholars, journalists, and activists, relying on data from the 2000 census and many years of direct experience with the city, identify five converging forces in American urbanization which are reshaping this storied metropolis. The twenty-six essays included here analyze Chicago by way of globalization and its impact on the contemporary city, economic restructuring, the evolution of machine style politics into managerial politics, physical transformations of the central city and its suburbs, and race relations in a multicultural era. In elaborating on the effects of these broad forces, contributors detail the role of eight significant racial, ethnic, and immigrant communities in shaping the character of the new Chicago and present ten case studies of innovative governmental, grassroots, and civic action. Multifaceted and authoritative, *The New Chicago* offers an important and unique

portrait of an emergent and new Windy City Motivating Change: Sustainable Design and Behaviour in the Built Environment Robert Crocker, Steffen Lehmann, 2013-07-24 Today's most pressing challenges require behaviour change at many levels from the city to the individual This book focuses on the collective influences that can be seen to shape change Exploring the underlying dimensions of behaviour change in terms of consumption media social innovation and urban systems the essays in this book are from many disciplines including architecture urban design industrial design and engineering sociology psychology cultural studies waste management and public policy Aimed especially at designers and architects *Motivating Change* explores the diversity of current approaches to change and the multiple ways in which behaviour can be understood as an enactment of values and beliefs standards and habitual practices in daily life and more broadly in the urban environment **Freedom on Trial** Scott Farris, 2020-12-15 The Confederacy lost the Civil War but quickly began to win the peace when a mysterious organization arose called the Ku Klux Klan The Ku Klux as it was then called sought to restore white supremacy by terrorizing the formerly enslaved to prevent them from voting or owning firearms To support Black resistance to the KKK's campaign of murder and mayhem President Ulysses S Grant suspended the writ of habeas corpus in large portions of South Carolina and sent the famed 7th Cavalry to make mass arrests Grant's new attorney general the first former Confederate to serve in a presidential Cabinet and an ardent advocate for Black equality Amos T Akerman aggressively prosecuted the Ku Klux in a series of sensational trials that shocked the nation and forced a reckoning regarding just how much the Civil War and the recently enacted Fourteenth and Fifteenth amendments to the Constitution had changed America and its notions of citizenship Highlighting forgotten Black and white civil rights pioneers and weaving in the story of the author's own great grandfather's crimes as a member of the Ku Klux Klan *Freedom on Trial* tells a gripping story of a moment pregnant with promise when race relations in the United States might have taken a dramatically different turn It is a story that also offers a sober lesson for those engaged in the ongoing work of fulfilling the American promise of equality for all *The Chaldeans* Yasmeen Hanoosh, 2019-05-30 Modern Chaldeans are an Aramaic speaking Catholic Syriac community from northern Iraq not to be confused with the ancient Mesopotamian civilization of the same name First identified as Chaldean by the Catholic Church in the sixteenth century this misnomer persisted developing into a distinctive and unique identity In modern times the demands of assimilation in the US together with increased hostility and sectarian violence in Iraq gave rise to a complex and transnational identity Faced with Islamophobia in the US Chaldeans were at pains to emphasize a Christian identity and appropriated the ancient pre-Islamic history of their namesake as a means of distinction between them and other immigrants from Arab lands In this the first ethnographic history of the modern Chaldeans Yasmeen Hanoosh explores these ancient modern inflections in contemporary Chaldean identity discourses the use of history as a collective commodity for developing and sustaining a positive community image in the present and the use of language revival and monumental symbolism to reclaim association with Christian and pre-Christian traditions **Black**

Literate Lives Maisha T. Fisher, 2008-12 This book offers an innovative approach to understanding the multi dimensional perspectives of Black literate lives in the U S It demonstrates the ways that minority groups keep their practices alive inside and outside of educational institutions even when these groups are oppressed

Joe Louis Marcy S. Sacks, 2018-04-17 This insightful study offers a fresh perspective on the life and career of champion boxer Joe Louis The remarkable success and global popularity of the Brown Bomber made him a lightning rod for debate over the role and rights of African Americans in the United States Historian Marcy S Sacks traces both Louis s career and the criticism and commentary his fame elicited to reveal the power of sports and popular culture in shaping American social attitudes Supported by key contemporary documents *Joe Louis Sports and Race in Twentieth Century America* is both a succinct introduction to a larger than life figure and an essential case study of the intersection of popular culture and race in the mid century United States

Places of Invention Arthur P. Molella, Anna Karvellas, 2015-06-30 The companion book to an upcoming museum

exhibition of the same name Places of Invention seeks to answer timely questions about the nature of invention and innovation What is it about some places that sparks invention and innovation Is it simply being at the right place at the right time or is it more than that How does place whether physical social or cultural support constrain and shape innovation Why does invention flourish in one spot but struggle in another even very similar location In short Why there Why then Places of Invention frames current and historic conversation on the relationship between place and creativity citing extensive scholarship in the area and two decades of investigation and study from the National Museum of American History s Lemelson Center for the Study of Invention and Innovation The book is built around six place case studies Hartford CT late 1800s Hollywood CA 1930s Medical Alley MN 1950s Bronx NY 1970s Silicon Valley CA 1970s 1980s and Fort Collins CO 2010s Interspersed with these case studies are dispatches from three learning labs detailing Smithsonian Affiliate museums work using Places of Invention as a model for documenting local invention and innovation Written by exhibition curators each part of the book focuses on the central thesis that invention is everywhere and fueled by unique combinations of creative people ready resources and inspiring surroundings Like the locations it explores Places of Invention shows how the history of invention can be a transformative lens for understanding local history and cultivating creativity on scales of place ranging from the personal to the national and beyond

Just in Time, Abraham Lincoln Patricia Polacco, 2014-01-09 Two kids One mysterious doorway to the Civil War Michael and Derek don t expect the adventure of a lifetime while visiting a Civil War museum with their grandmother But when the mysterious museum keeper invites them to play a special history game they suddenly find themselves walking through a door into a very realistic depiction of 1862 It s only the beginning of their journey as they are whisked away by a carriage to nearby Antietam only days after a violent battle There they see for themselves the tragic aftermath of war and come face to face with Abraham Lincoln Suddenly the boys begin to wonder is this all real Patricia Polacco brings history to vibrant life and uses facts and primary sources to open a doorway through time into a pivotal moment of the Civil War

Remember Me to Miss Louisa Sharony Green, 2015-07-31 It is generally recognized that antebellum interracial relationships were notorious at the neighborhood level But we have yet to fully uncover the complexities of such relationships especially from freedwomen s and children s points of view While it is known that Cincinnati had the largest per capita population of mixed race people outside the South during the antebellum period historians have yet to explore how geography played a central role in this outcome The Mississippi and Ohio Rivers made it possible for Southern white men to ferry women and children of color for whom they had some measure of concern to free soil with relative ease Some of the women in question appear to have been fancy girls enslaved women sold for use as prostitutes or mistresses Green focuses on women who appear to have been the latter recognizing the problems with the term mistress given its shifting meaning even during the antebellum period Remember Me to Miss Louisa among other things moves the life of the fancy girl from New Orleans where it is typically situated to the Midwest The manumission of

these women and their children and other enslaved women never sold under this brand occurred as America's frontiers pushed westward and urban life followed in their wake. Indeed Green's research examines the tensions between the urban Midwest and the rising Cotton Kingdom. It does so by relying on surviving letters among them: those from an ex-slave mistress who sent her love to her former master. This relationship forms the crux of the first of three case studies. The other two concern a New Orleans young woman who was the mistress of an aging white man and ten Alabama children who received from a white planter a 200,000 inheritance worth roughly 5.1 million in today's currency. In each case those freed people faced the challenges characteristic of black life in a largely hostile America. While the frequency with which Southern white men freed enslaved women and their children is now generally known, less is known about these men's financial and emotional investments in them. Before the Civil War a white Southern man's pending marriage, aging body or looming death often compelled him to free an African American woman and their children. And as difficult as it may be for the modern mind to comprehend, some kind of connection sometimes existed between these individuals. This study argues that such men, though they hardly stand excused for their ongoing claims to privilege, were hidden actors in freedwomen's and children's attempts to survive the rigors and challenges of life as African Americans in the years surrounding the Civil War. Green examines many facets of this phenomenon in the hope of revealing new insights about the era of slavery. Historians, students and general readers of US history, African American studies, black urban history and antebellum history will find much of interest in this fascinating study.

The Richest Woman in America Janet Wallach, 2013-06-04. No woman in the Gilded Age made as much money as Hetty Green. Now the acclaimed author of *Desert Queen* delivers the definitive biography of America's first female tycoon, an investment pioneer who matched her male counterparts in ambition and guile and never backed down from a fight. Filled with colorful historical details of an economic time that eerily parallels our own, San Francisco Chronicle's Hetty Green was a strong woman who forged her own path; she was worth at least 100 million by the end of her life in 1916, equal to about 2.5 billion today. Green was mocked for her simple Quaker ways and her unfashionable frugality in an era of opulence and excess; the press even nicknamed her 'The Witch of Wall Street.' But those who knew her admired her wit and wisdom, and while financiers around her rose and fell as financial bubbles burst, she steadily amassed a fortune that supported businesses, churches, municipalities and even the city of New York. Janet Wallach's engrossing biography reveals striking parallels between past financial crises and current recession woes and speaks not only to history buffs but to today's investors who just might learn a thing or two from Hetty Green.

Newspaper Titan Amanda Smith, 2011. A portrait of the newspaper proprietress shares details of her high-profile family life, her famous merger of the Washington Herald and Washington Times, and her considerable role in influencing period politics and society.

American Colossus: The Grain Elevator, 1843 to 1943 William J. Brown, 2009. The first full-length history of the American grain elevator from 1843 to 1943. Eight black and white illustrations, appendix, index, bibliography.
