Patriarkh Moskvovedeniia:

Patriarch and Prophets Michael Bourdeaux, 1970 *Chosen for His People* Jane Swan, 2015-07-01 St Tikhon Patriarch of Moscow Vasily Ivanovich Bellavin 1865 1925 is one of the most important figures of both Russian and Orthodox Church history in the 20th century Yet 90 years after his death this remains the only complete biography ever published in the English language It has now been updated and revised with a new preface and bibliography together with revised and additional endnotes by Scott M Kenworthy The biography reveals a picture of a man whom no one expected to be chosen as Patriarch yet who nevertheless humbly accepted the call of God and the people to guide the Church during the most turbulent of times as it faced both internal upheavals and external persecution Both specialists and general readers will become better acquainted with St Tikhon through this modest but carefully crafted monograph **Patriarkh Sergii i Ego Dukhovnoe Nasledstvo** ,1947 **The Russian Orthodox Church and the War Against Facism** Russkai[a] pravoslavnai[a] t[s]erkov'. Moskovskai[a] patriarkhii[a], 1943 **From Peasant to Patriarch** Ioann Shusherin, 2007-04-26 Nikon 1605 1681 patriarch of Moscow and all Russia is best known for imposing the religious reforms that ultimately led to the schism of the Russian Orthodox Church Yet only the Account of Birth Life and Upbringing of His Holiness Nikon Patriarch of Moscow and All Russia 1680s comes close to immortalizing the vicissitudes of Nikon s entire life Written by Ioann Shusherin s d 1693 the patriarch s prot g and confidant the Account presents Nikon as he appeared to his contemporary supporters The biography chronicles Nikon s steady rise through the ecclesiastical ranks dramatic downfall and extraordinary rehabilitation While discussing Nikonian religious reforms the Account focuses on Nikon s relationship with the Romanov royal family and his monastery building program especially the early history of the New Jerusalem Monastery and its main sanctuary the Church of the Resurrection This unique narrative features rare eyewitness accounts of momentous and daily life during a period of unprecedented political religious and social change in Russia From Peasant to Patriarch is the first English language translation of the Account Dr Kevin Kain and Dr Katia Levintova offer extensive commentary parallel texts and a glossary of Russian terms that contribute to the depth of this text From Peasant to Patriarch opens new doors to the study of Russian history religion and culture **From Peasant to Patriarch** Иван Корнильевич Шушерин, 2007-01-01 This book chronicles Nikon s entire life focusing on the patriarch s relationship with the Romanov royal family and his monastery building program The narrative also features rare eyewitness accounts of monumental events and daily life in seventeenth century Russia from a domestic perspective The first annotated English language translation of the comprehensive text From Peasant to Patriarch includes extensive commentary parallel texts and a glossary of Russian terms **The Patriarch and the Tsar: History of the condemnation of the patiarch Nikon by a plenary council of the Orthodox Catholic Eastern Church, held in Moscow a.d. 1666-1667, written by Paisius Ligarides of Scio** ,1873 *Russia's Early Modern Orthodox Patriarchate* David Goldfrank, 2020-07 Patriarch Nikon the most energetic creative

influential and obstinate of Russia's early religious leaders dominates this book. As Patriarch of the Russian Orthodox Church, Nikon's most important initiative was to bring Russian religious rituals into line with Greek Orthodox tradition from which Russia's practices had diverted. Kiev's Monastery of the Caves served as a medium for his transmission of Greek notions. Nikon and Tsar Alexis I (r. 1645-1676) envisioned Russia transformed into a new Holy Land. Eventually, Nikon became a challenger for Imperial authority. While his reforms endured, failed policies and poor political judgment were decisive in his fall and in the Patriarchate's reduction in status. Ultimately, the reforms of Peter the Great (r. 1682-1725) led to its replacement by a new government-controlled body, the Holy Synod, which nevertheless carried out a continuity of Nikon's policies. This exceptional volume contextualizes Nikon's Patriarchate as part of the broader continuities in Russian History and serves as a bridge to the present where Russia is forging new relationships between Church and power.

An 1873 translation of a polemical account of the conflict between Tsar Alexis and Patriarch Nikon in seventeenth-century Russia. Â In the Language of the Patriarchâ Francesca Silano, 2017. In 1917 the Russian Orthodox Church became independent from the state for the first time in two centuries. The first All-Russian Church Council voted to restore the institution of the patriarchate and in the midst of the Bolshevik Revolution Archbishop Tikhon Bellavin was chosen to become the Patriarch of Moscow and All Rus. Tikhon's eight-year tenure as patriarch spanned the crucial period during which two powerful currents long-awaited ecclesiastical reform and unexpected political upheaval converged and clashed. This dissertation reconstructs the language and worldview of Patriarch Tikhon, tracing the historical roots of the ideas and beliefs he espoused. The patriarch's mode of speaking about Russia, the human person, and the meaning of life and history represented an alternative to Bolshevik definitions of those same terms. Patriarch Tikhon has been largely ignored by Western scholars of Russia. In recent years, historians of Soviet Russia have argued that we ought to take more seriously the discourse of Bolshevik actors and consider that Bolshevik language revealed a great deal about the worldview and practices of the Bolsheviks themselves. This dissertation proceeds on

the assumption that the same can be said of the patriarch's language. It analyzes how this language developed in the pre-revolutionary period, how it fit within larger trends in Orthodox thought and practice, and what it meant for Tikhon, his contemporaries, and the Bolsheviks. This centerpiece of this study is the published version of the sledstvennoe delo or investigatory file of Patriarch Tikhon. The file contains information gathered by the secret police about the patriarch from 1918 to 1925. Each chapter relies on different types of sources in order to parse the language of the investigatory file. These include archival documents from the Archive of the Russian Federation GARF, the Russian State Archive of Socio-Political History RGASPI, and the Russian State Historical Archive RGIA, and from the Library of Congress in Washington, D.C. Published sources include records of correspondence between Tikhon and government representatives, friends, and other clergymen; theological journals from the nineteenth century; diocesan newspapers from all of the dioceses in which Tikhon served; post-revolutionary Russian newspapers; foreign newspapers; and memoirs.
