Eternal Church Bill Hamon, 2011-07-28 Hamon takes readers on a journey throughout the history of the church Beginning at the origination of the church in the 1st Century he proceeds to its deterioration during the Middle Ages to the restoration of the church from the time of the Reformation to the present

Apostles and Prophets C. Peter Wagner, 2000-10-05 Jesus revealed Himself to be the cornerstone of the church But He has built His church and continues to build it through apostles and prophets people who are empowered by the Holy Spirit Now a leader of the New Apostolic Reformation gives us new insights into how the people called to crucial roles in the church apostles prophets evangelists pastor and teachers must work together to fulfill their divine purpose For the first time since the Early Church God is harnessing apostles and prophets to fulfill the promises of His divine plan Prepare to play your part

The Gifted Church W. Clay Jackson MD DipTh, 2025-02-13 What if we re missing something The New Testament describes a vibrant church empowered by the Holy Spirit with supernatural gifts of manifestation service and leadership which turned the known world upside down within three generations But as the freedom of the operation of the Holy Spirit waned and post apostolic leaders consolidated power within hierarchical systems that missional momentum was truncated In this pivotal work Dr Jackson brings an Apostolic hermeneutic to the scriptures and mountain of classical and contemporary sources to demonstrate that this historical declension from scriptural truths began its long reversal with the Reformation culminating in the worldwide outpouring of the Holy Spirit in the early 20th century The restorationist impulse of the pioneers of modern Pentecostalism caused them to embrace previously neglected manifestation gifts charismata but did not substantially alter their ecclesiology as they failed to fully actualize the edification gifts domata Dr Jackson details the function and characteristics of each edification gift or speaking leadership role within a scriptural framework of an apostolic team He warns against excesses and abuses of power and reminds each disciple maker that the character of the Giver not the characteristics of the gift is the true determinant of our ability to serve faithfully This book will challenge the pastor theologian to rethink church leadership and to reengage the whole church in the kingdom expansion that characterized early Christianity It will provide enrichment and clarity regarding the roles of those who portray and embody various types of edification leadership gifts The result will be a church whose missional impulse is not outsourced to designees but internalized within each member of a Body that is equipped for service within local and global contexts

Reckless Christianity Douglas Geivett, Holly Pivec, 2025-03-27 Bethel Church California is one of the most popular and polarising churches in America With its own Christian music label reports of miraculous healings and the manifestation of a glittering Glory cloud the congregation of Bethel Church is ever growing Bethel Church situates itself in the global movement of the New Apostolic Reformation believing that present day apostles and prophets must govern the church Some praise the church for the clear manifestation of God s activity others see the integration of controversial and hazardous practices into the church In *Reckless Christianity* Holly Pivec and R Douglas Geivett provide meticulous research and an incisive critique of the Bethel movement Citing its charismatic senior leader Bill Johnson as promoting a

Peter Wagner,2011-09-01 For the past half century C Peter Wagner has been at the leading edge of the key spiritual paradigm shifts that have been accompanied by major moves of the Holy Spirit In the 1960s the missionary movement in South America was at its peak and Dr Wagner was there In the 1970s he was a recognized authority in the church growth movement In the 1980s he taught a popular course at Fuller Seminary with Vineyard movement leader John Wimber that advocated praying healing for the sick spiritual mapping identificational repentance and spiritual warfare Dr Wagner coined the phrase Third Wave to describe this fresh move of the Holy Spirit the impact of which is still being felt today In the 1990s he became a leader of the New Apostolic Reformation and in the new millennium he has championed the Dominion Mandate adopting the Seven Mountain or 7M template for reclaiming the culture for God s kingdom For five decades Dr Wagner has led the church from one great move of God to the next riding the wave of the Spirit through changes he never imagined when he first answered God s call to ministry In *Wrestling with Alligators Prophets and Theologians* Wagner tells for the first time his personal story of ongoing transformation Readers will get a close up view of the seismic shifts in the church s recent history through the eyes of one of the only people to have seen it all unfold The

Violent Take It by Force Matthew D. Taylor, 2024-10-01 Required reading for anyone seeking to understand Christian nationalism Kristin Kobes Du Mez author of *Jesus and John Wayne* A propulsive account of the network of charismatic Christians that consolidated support for Donald Trump and is reshaping religion and politics in the US Over the last decade the Religious Right has evolved Some of the more extreme beliefs of American evangelicalism have begun to take hold in the mainstream Scholar Matthew D Taylor pulls back the curtain on a little known movement of evangelical Christians who see themselves waging spiritual battles on a massive scale Known as the New Apostolic Reformation this network of leaders and believers emerged only three decades ago but now yields colossal influence galvanizing support for Trump and far right leaders around the world In this groundbreaking account Taylor explores the New Apostolic Reformation from its inception in the work of a Fuller Seminary professor to its immense networks of apostles and prophets to its role in the January 6 riot Charismatic faith provided righteous fuel to the fire that day where symbols of spiritual warfare blazed rioters blew shofars worship music blared and people knelt in prayer This vision of charismatic Christianity now animates millions lured by Spirit filled revival and visions of Christian supremacy Taylor s unprecedented access to the movement s leaders archives internal conference calls and correspondence gives us an insider account of the connection between charismatic evangelicalism and hard right rhetoric Taylor delves into prophetic memes like the Seven Mountains Mandate the Appeal to Heaven flag and the Cyrus Anointing Trump s spiritual advisor Paula White s call for angelic reinforcements and Sean Feucht and Bethel Music s titanic command of worship styles across America Throughout Taylor maps a movement of magnetic leaders and their uncompromising beliefs and where it might be headed next When people long to conquer a nation for God democracy can be brought to the brink

Prophecy in the New Millennium Suzanne Newcombe, Sarah Harvey, 2016-04-15 Secular and spiritual prophets of doom abound in the information rich twenty first century as they have for millennia But there has yet to be worldwide floods meteor impact global computer failure obvious alien contact or direct intervention from God to end the world as we know it Considering the frequency with which prophecy apparently fails why do prophecies continue to be made and what social functions do they serve This volume gives a concise but comprehensive overview of the rich diversity of prophecy its role in major world religions as well as in new religions and alternative spiritualities its social dynamics and its impact on individuals lives Academic analyses are complimented with contextualized primary source testimonies of those who live and have lived within a prophetic framework The book argues that the key to understanding the more dramatic apocalyptic and millenarian aspects of prophecy is in appreciating prophecy s more mundane manifestations and its role in providing meaning and motivation in everyday life
