 the age *Adaptations* Deborah Cartmell, Imelda Whelehan, 2022 *Adaptations Critical and Primary Sources* is a three volume
 reference resource that brings together over 80 landmark texts in adaptation studies Volume One covers the history of
 adaptation studies by plotting the prehistory of the field beginning with Vachel Lindsay s classic *Art of the Moving Picture*
 1915 through Virginia Woolf s classic essay on *sThe Cinema* through to some of the most important critical and theoretical
 interventions up until the 1990s when the area really emerges as a critical force in the academy Volume Two collects essays
 from the last 25 years showing how the scholarly legacy laid out in Volume One still has a profound impact on adaptation
 studies today while charting the process of critical and theoretical maturation This volume shows how adaptations studies
 has outgrown its contested place in the gap of film and literary studies and how its interventions transcend disciplinary
 perspectives across the arts and humanities Volume Three covers key case studies such as Christine Geraghty s take on
 adapting Westerns Ian Inglis understanding of the transformation of music into movies and Eckart Voigts concept on Jane
 Austen and participatory culture 0With topics ranging from the limitations of the novel to adapting stage to screen
 contributions from a wide range of international scholars film critics and novelists combine to make *Adaptations Critical and*
