Reviewing Romanticism:

Reviewing Romanticism Robin Jarvis, Philip W. Martin, 1992-05-13 This collection of essays by leading and new British scholars demonstrates the different ways in which Romanticism is currently being revalued and reconceived No longer are scholars working within the constraints of the old canon which insisted on the division of the central and the marginal for new Romanticism is being realised as a wider range of cultural activity unconfined by genre gender class rhetoric or style

Romanticism and Millenarianism T. Fulford, 2002-01-11 Expectation of the millennium was widespread in English society at the end of the eighteenth century The essays in this volume explore how exactly this expectation shaped and was shaped by the literature art and politics of the period we now call romantic An expanded and rehistoricized canon of writers and artists is assembled a group united by a common tendency to use figurations of the millennium to interrogate and transform the worlds in which they lived and moved Coleridge Cowper Blake and Byron are placed in new contexts created by original research into the artistic and political subcultures of radical London into the religious sects surrounding the Richard Brothers and Joanna Southcott and into the cultural and political contexts of orientalism and empire

Dylan and the Rolling Stones Relying on L w y and Sayre s Romanticism Against the Tide of Modernity it explores how hostility loss and longing for unity are particularly appropriate terms for classic rock as well as the origins of these emotions In essays ranging from Bob Dylan to Blackberry Smoke this work examines how rock and roll expands interprets restates interrogates and conflicts with literary Romanticism all the while understanding that as a term rock and roll in reference to popular music from the late 1940s through the early 2000s is every bit as contradictory and difficult to define as the word Romanticism itself *British Travel Writers in Europe 1750-1800* Katherine Turner,2017-11-01 This title was first published in 2001 Hundreds of European travelogues produced by British travellers between 1750 and 1800 remain out of sight in most libraries and have generally been out of print since the 18th century While many people with a working knowledge of the 18th century are familiar with works including Sterne s *A Sentimental Journey* and Smollett s *Travels through France and Italy* those produced by less literary travellers are largely unknown This study aims to recreate the world of 18th century travel writing in order to illuminate its central role in shaping Britain s emerging sense of national identity an identity which proves to be more complex an less homogeneous than some cultural and historical studies would suggest The author finds that the developing discourse of national character is bound up with questions of gender national and authorial virtue are projected in terms of appropriately gendered behaviour for male and female travel writers alike In turn gender intersects with class most obviously in the tendency to denigrate aristocratic travellers as effeminate and celebrate the more manly activities of the middle class traveller These then national identity authorship and gender are the central preoccupations of the study *Romantic Period Writings, 1798-1832* Ian Haywood,1998 *Romantic Period Writings 1798 1832* provides a valuable insight into the condition of Britain in the early part of the nineteenth century It includes original documents from a range of disciplines and discourses Each section includes a scholarly introduction select bibliography and annotations Among the material assembled in the anthology are writings by previously neglected or under represented women working class men black radicals and conservative and evangelical polemicists as well as several unfamiliar texts by canonical writers The writings are organised into sections on Radical Journalism Political Economy Atheism Nation and State Race and Empire Gender Literary Institutions *Romantic Women Writers Reviewed, Part I* Ann R Hawkins,2022-07-30 This multi volume reset collection will addresses significant shortfall in scholarly work offering contemporary reviews of the work of Romantic women writers to a wider audience *Romantic Feuds* Kim Wheatley,2016-04-08 Romantic writers such as Robert Southey and Samuel Taylor Coleridge aspired to rise above the so called age of personality a new culture of politicized print gossip and personal attacks Nevertheless Southey Coleridge and other Romantic era figures such as Leigh Hunt William Hazlitt Sydney Owenson and the explorer John Ross became enmeshed in lively feuds with the major periodicals of the day the *Edinburgh Review* and the *Quarterly Review* Kim Wheatley focuses on feuds from the second and third decades of the nineteenth century suggesting that by this time the vituperative rhetoric of the *Edinburgh* and the *Quarterly* had developed

into what Coleridge called a habit of malignity Attending to the formal strategies of the reviewers surprisingly creative prose she traces how her chosen feuds take on lives of their own branching off into other print media including the weekly press and monthly magazines Ultimately Wheatley shows these hostile exchanges incorporated literary genres and Romantic themes such as the idealized poetic self the power of the supernatural and the quest for the sublime By turning episodes of print warfare into stories of transfiguration the feuds thus unexpectedly contributed to the emergence of Romanticism
