Revolting Bodies:

Revolting Bodies? Kathleen LeBesco, 2004 LeBesco examines sites of struggle over the cultural meaning of fatness She explores how the bearer of a fat body is marked as a failed citizen inasmuch as her powers as a worker shopper and sexually desirable subject are called into question She describes fat fashion relations among fat queer and disability politics and activism and online communities as opportunities for transforming stereotypes of fatness *Young Gifted and Fat* Sharrell D. Luckett, 2017-11-15 *Young Gifted and Fat* is a critical autoethnography of performing thin on the stage and in life Sharrell D Luckett's story of weight loss and gain and playing the beautiful desirable thin leading lady showcases an innovative and interdisciplinary approach to issues of weight and self esteem performance race and gender Sharrell structures her project with creative text interviews testimony journal entries dialogues monologues and deep theorizing through and about the abundance of flesh She explores the politics of Black culture and particularly the intersections of her lived and embodied experiences Her body and body transformation becomes a critical praxis to evidence fat as a feminist issue fat as a Black girl woman issue and fat as an ideological construct that is as much on the brain as it is on the body *Young Gifted and Fat* is useful to any area of research or course offering taking up questions of size politics at the intersections of race and sexuality

Technospaces Sally Munt, 2001-06-20 Science and technology have had a profound effect on the way humans perceive space and time In this book an international team of authors explore themes of depth and surface of real and conceptual space and of human machine interaction The collection is organized around the concept of Technospace the temporal realm where technology meets human practice In exploring this intersection the contributors initiate debate on a number of important conceptual questions Is there a clear distinction between the real spaces of the body or the city and the conceptual space of virtual reality How are real and metaphorical spaces of electronic cultures quantified and regulated Is there an ethics of technospace Historically the reception of new technologies has been invested with romantic idealism on the one hand and panic on the other The authors argue that in order for utopian dreams to be tempered by ethical humanistic needs we have an urgent need to reveal reflect upon and evaluate technospace and our relationship to it Practical and Theoretical Aspects of Geological Interpretation of Gravitational, Magnetic and Electric Fields Danis Nurgaliev, Natalia Khairullina, 2019-02-01 This volume offers an overview of the state of the art theoretical and practical approaches currently used for geophysical data interpretation It includes new methods and techniques for solving data processing problems and an analysis of geopotential fields by international researchers It discusses topics such as 1 Theoretical issues of interpretation of gravitational magnetic and electric fields including general methods of interpreting potential fields and other geophysical data 2 Modern algorithms and computer technologies for interpreting geophysical fields 3 The study of Earth deep structure using terrestrial and satellite potential field anomalies 4 Geological interpretation of gravitational magnetic and electric fields This proceedings book is of interest to all geophysical researchers **Eating Anxiety** Chad Lavin, 2013-04-07

Debates about obesity are really about the meaning of responsibility The trend toward local foods reflects the changing nature of space due to new communication technologies Vegetarian theory capitalizes on biotechnology's challenge to the meaning of species And food politics as this book makes powerfully clear is actually about the political anxieties surrounding globalization In *Eating Anxiety* Chad Lavin argues that our culture's obsession with diet obesity meat and local foods enacts ideological and biopolitical responses to perceived threats to both individual and national sovereignty Using the occasion of eating to examine assumptions about identity objectivity and sovereignty that underwrite so much political order Lavin explains how food functions to help structure popular and philosophical understandings of the world and the place of humans within it He introduces the concept of digestive subjectivity and shows how this offers valuable resources for rethinking cherished political ideals surrounding knowledge democracy and power Exploring discourses of food politics *Eating Anxiety* links the concerns of food especially issues of sustainability public health and inequality to the evolution of the world order and the possibilities for democratic rule It forces us to question the significance of consumerist politics and simultaneously the relationship between politics and ethics public and private

Fat Gay Men Jason Whitesel, 2014-07-25 To be fat in a thin obsessed gay culture can be difficult Despite affectionate in-group monikers for big gay men chubs bears cubs the anti-fat stigma that persists in American culture at large still haunts these individuals who often exist at the margins of gay communities In *Fat Gay Men* Jason Whitesel delves into the world of Girth Mirth a nationally known social club dedicated to big gay men illuminating the ways in which these men form identities and community in the face of adversity In existence for over forty years the club has long been a refuge and safe space for such men Both a partial insider as a gay man and an outsider to Girth Mirth Whitesel offers an insider's critique of the gay movement questioning whether the social consequences of the failure to be height-weight proportionate should be so extreme in the gay community This book documents performances at club events and examines how participants use allusion and campy queer behavior to reconfigure and reclaim their sullied body images focusing on the numerous tensions of marginalization and dignity that big gay men experience and how they negotiate these tensions via their membership to a size-positive group Based on ethnographic interviews and in-depth field notes from more than 100 events at bar nights caf klatches restaurants potlucks holiday bashes pool parties movie nights and weekend retreats the book explores the woundedness that comes from being relegated to an inferior position in gay hierarchies and yet celebrates how some gay men can reposition the shame of fat stigma through carnival camp and play A compelling and rich narrative *Fat Gay Men* provides a rare glimpse into an unexplored dimension of weight and body image in American culture

The Culture of Obesity in Early and Late Modernity E. Levy-Navarro, 2008-02-04 This book offers the first sustained examination of fatness in the early modern period Using readings of such major figures as Shakespeare Jonson Middleton and Skelton this book considers alternative ways that fat was constructed before the introduction of the modern pathologized category of obesity **American Shame**

Myra Mendible, 2016-03-29 Essays examining the role of shame as an American cultural practice and how public shaming enforces conformity and group coherence On any given day in America's news cycle stories and images of disgraced politicians and celebrities solicit our moral indignation their misdeeds fueling a lucrative economy of shame and scandal Shame is one of the most coercive painful and intriguing of human emotions Only in recent years has interest in shame extended beyond a focus on the subjective experience of this emotion and its psychological effects The essays collected here consider the role of shame as cultural practice and examine ways that public shaming practices enforce conformity and group coherence Addressing abortion mental illness suicide immigration and body image among other issues this volume calls attention to the ways shaming practices create and police social boundaries how shaming speech is endorsed judged or challenged by various groups and the distinct ways that shame is encoded and embodied in a nation that prides itself on individualism diversity and exceptionalism Examining shame through a prism of race sexuality ethnicity and gender these provocative essays offer a broader understanding of how America's discourse of shame helps to define its people as citizens spectators consumers and moral actors An eclectic anthology it offers the readers more than one argument and perspective which makes the volume itself lively and rich Ron Scapp coeditor of *Fashion Statements On Style Appearance and Reality*

The Weight of Images Katariina Kyrölä, 2016-02-17 The Weight of Images explores the ways in which media images can train their viewers bodies Proposing a shift away from an understanding of spectatorship as being constituted by acts of the mind this book favours a theorization of relations between bodies and images as visceral affective engagements that shape our body image with close attention to one particularly charged bodily characteristic in contemporary western culture fat The first mapping of the ways in which fat gendered bodies are represented across a variety of media forms and genres from reality television to Hollywood movies from TV sitcoms to documentaries from print magazine and news media to online pornography The Weight of Images contends that media images of fat bodies are never only about fat rather they are about our relation to corporeal vulnerability overall A ground breaking volume engaging with a rich variety of media and cultural texts whilst examining the possibilities of critical auto ethnography to unravel how body images take shape affectively between bodies and images this book will appeal to scholars and students of sociology media cultural and gender studies with interests in embodiment and affect

Queering Fat Embodiment Cat Pausé, Jackie Wykes, Samantha Murray, 2016-05-23 Cultural anxieties about fatness and the attendant stigmatisation of fat bodies have lent a medical authority and cultural legitimacy to what can be described as fat phobia Against the backdrop of the ever growing medicalisation pathologisation and commodification of fatness coupled with the moral panic over an alleged obesity epidemic this volume brings together the latest scholarship from various critical disciplines to challenge existing ideas of fat and fat embodiment Shedding light on the ways in which fat embodiment is lived experienced regulated and re produced across a range of cultural sites and contexts Queering Fat Embodiment destabilises established ideas about fat bodies making explicit

the intersectionality of fat identities and thereby countering the assertion that fat studies has in recent years reproduced a white ableist heteronormative subjectivity in its analyses A critical queer examination on fatness *Queering Fat Embodiment* will be of interest to scholars of cultural and queer theory sociology and media studies working on questions of embodiment stigmatisation and gender and sexuality

Body Stories Jill Andrews, May Friedman, 2020-11-01 *Body stories* capture a nuanced interconnected interactive and complex telling of our understanding perception and experience of and through our bodies *Plenty* has been published on body image but image suggests a static fixed body unmitigated through our social interactions and varying times and spaces This book is not a how to guide for fat confidence It s not a compendium of fat suffering It s simply a collection of narratives about what it s like to survive in a weight hating world It resists the ways that marginalized bodies are being written and researched and put into other people s ideas about our existence The stories in this book are celebratory and are painful They look at intersections of race and queerness they destabilize womanhood by presenting a range of possible female embodiments They explore issues of disability and madness The full range of possibilities that are collected here give a picture of what it means to live in a society with strong and powerful messages about size about normalcy about what a moral and healthy life and body look like This book is a snapshot of its place and time but these stories remind us that we re here to stay The body stories will change but we will keep owning our own narratives While story especially written by women is often seen as outside the academic canon these stories these creative offerings are theory are research and are activism They are nothing less than the blueprint for liberation Writing about fat and about bodies outside of medicalized narratives without ignoring the impact of race sexuality class ability gender fashion appearance and beyond is radical and rigorous It is impossible to think about the future without wishing for liberation Liberation can come in many forms It can mean an awareness the ability to confront The stories in this book display the ways that liberation isn t a finish line or a thing we can complete rather it is a million small actio

Negotiating Thinness Online Gemma Cobb, 2020-01-24 This book interrogates the thin ideal in pro anorexia online spaces and the way in which it operates on a continuum with everyday discourses around thinness Since their inception in the late twentieth century pro anorexia online spaces have courted controversy they have been vilified by the media and deleted by Internet moderators This book explores the phenomenon during its tipping point where it migrated from websites and discussion forums to image centric social media platforms all the while seeking to circumvent censorship by for instance repudiating pro ana or adopting hashtags to obfuscate content The author argues that instead of being driven further underground pro ana is blurring the boundaries between normative and deviant conceptions of thinness Situating the phenomenon in relation to accepted constructions of thinness promulgated by establishments as far ranging as medicine and women s magazines this book asks if pro ana holds the potential to critique that which has long been considered normal the culture of compulsory thinness Engaging with debates including the current climate of postfeminism and neoliberalism digital censorship the pre eminence

of white middle class heterofemininity and the articulation of pain in realising the thin ideal *Negotiating Thinness* Online examines what happens when the margins and the mainstream merge *The Healthy Ancestor* Juliet McMullin, 2010 Native Americans researchers increasingly worry are disproportionately victims of epidemics and poor health because they fail to seek medical care are non compliant patients or lack immunity enjoyed by the mainstream population Challenging this dominant approach to indigenous health Juliet McMullin shows how it masks more fundamental inequalities that become literally embodied in Native Americans shifting blame from unequal social relations to biology individual behavior and cultural or personal deficiencies Weaving a complex story of Native Hawaiian health in its historical political and cultural context she shows how traditional practices that integrated relationships of caring for the land the body and the ancestors are being revitalized both on the islands and in the indigenous diaspora For the fields of medical anthropology public health nursing epidemiology and indigenous studies McMullin's important book offers models for more effective and culturally appropriate approaches to building healthy communities ***Laughing, Screaming*** William Paul, 1994 An examination of an extremely popular box office genre the gross out movie *Laughing Screaming* is a serious study of this unashamedly lowbrow product ***Unshaved*** Breanne Fahs, 2022-06-14 Gross Dirty Monstrous Manly Authentic Beautiful Natural Powerful Body hair especially on women provokes disrupts and at times offends It is tangled up with culture itself in art families workplaces relationships sex the beauty industry governments and capitalism From Chinese activists challenging the Communist Party to students in Arizona rejecting their family and workplace ideas about grooming to high art feminist photographers boldly featuring hairy women Fahs deftly explores the volatile and ever changing landscape of women's body hair politics She showcases an underground movement of artists zine makers rebels and activists who have used women's visible body hair as a declaration of freedom from patriarchal norms Fahs presents body hair not just as a personal grooming choice but as a connection to broader cultural stories about women's reproductive rights feminist battlegrounds about autonomy neoliberal intrusions into beauty regimens and even global tensions around women's place in society Ultimately *Unshaved* shows the collision between the mundane and the extraordinary the everyday and the revolutionary *Heavy* Helene A. Shugart, 2016-06-07 This book examines contemporary mainstream cultural discourses or stories of obesity The official personal responsibility obesity discourse does not resonate with the populace prompting a number of competing discourses and practices The tensions engaged in these stories reflect contested notions of authenticity reflecting a broader crisis in neoliberalism *The Disorder of Things* John Masterson, 2013-04-01 Nuruddin Farah is widely regarded as one of the most sophisticated voices in contemporary world literature Michel Foucault is revered as one of the most important thinkers of the twentieth century with his discursive legacy providing inspiration for scholars working in a range of interdisciplinary fields *The Disorder of Things* offers a reading of the Somali novelist through the prism of the French philosopher The book argues that the preoccupations that have remained central throughout Farah's forty year career including political autocracy female

infibulation border conflicts international aid and development civil war transnational migration and the Horn of Africa's place in a so called axis of evil can be mapped onto some key concerns in Foucault's writing most notably Foucault's theoretical turn from disciplinary to biopolitical power In both the colonial past and the postcolonial present Somalia is typically represented as an incubator of disorder whether in relation to internecine conflict international terrorism or contemporary piracy Through his work both fictional and non fictional Farah strives to present alternative stories to an expanding global readership *The Disorder of Things* analyses the politics and poetics that underpin this literary project beginning with Farah's first fictional cycle *Variations on the Theme of an African Dictatorship* 1979 1983 and ending with his *Past Imperfect* trilogy 2004 2011 Farah's writing calls for a more refined substantial reading of our current geo political situation As such it both warrants and compels the kind of critical engagement foregrounded throughout *The Disorder of Things* This book will appeal to students academics and general readers with an interest in the interdisciplinary study of literature Its engagement with theorists drawn from postcolonial feminist and development studies set against the backdrop of a host of philosophical and sociological discourses shows how such intellectual cross fertilisation can enliven a single author study

Caryl Phillips's *Genealogies*, 2023-11-27 Thematically and structurally the work of the Kittitian British writer Caryl Phillips reimagines the notion of genealogy Phillips's fiction drama and non fiction foreground broken filiations and forever deferred promises of new affiliations in the aftermath of slavery and colonization His texts are also in dialogue with multiple historical figures and literary influences imagining around the life of the African American comedian Bert Williams and the Caribbean writer Jean Rhys or retelling the story of Othello Additionally Phillips's work resonates with that of other writers and visual artists such as Derek Walcott Toni Morrison or Isaac Julien Written to honor the career of renowned Phillipsian scholar Bénédicte Ledent the contributions to this volume including one by Phillips himself explore the multiple ramifications of genealogy across and beyond Phillips's work

Fat Christopher E. Forth, Alison Leitch, 2014-04-10 *Fat* In contemporary society the word never fails to elicit powerful emotions especially as it relates to bodily health and appearance But fat is a noun as well as an adjective and has a cultural life outside of its relationship with the human body By focusing on the complex physical and experiential dimensions of this problematic substance *Fat Culture and Materiality* breaks new ground in the study of the relationship between culture and the material world With contributions from well respected international scholars this innovative and interdisciplinary collection will appeal to a wide range of readers interested in fat and its relationship to culture materiality and lived experience The volume addresses the role of fats in a variety of cultural settings Topics include the politics of Palestinian olive oil the allure of pig fat in heritage pork the material sources of fat stereotypes in classical and biblical texts the use of harvested fat in aesthetic surgery and the status of fat in the self narratives of anorexics
