Maverick Gun M. Lemartine,1999 **The Future of the Gun** Frank Miniter,2014-08-11 The history of the American gun is intricately entwined with the history of America itself Promising developments in gun technology could change not only America s future but the future of the world Unfortunately the radical anti gun lobby is standing between innovation and the American people Bestselling author Frank Miniter details the amazing breakthroughs waiting to happen in gun technology that could make today s firearms exponentially safer and smarter if the anti gun lobby weren t halting progress in its tracks In *The Future of the Gun* you will learn Why anti gun groups often oppose gun safety features How guns and gun education for young people cut crime How federalism could save your gun rights New trends in gun technology that will make guns safer and more effective Why most talk about assault rifles is bogus How military and civilian gun technology have always advanced in tandem for the benefit of soldiers and private citizens What guns could look like in just a few years Want to know about the future of guns There is no better place to start than here **Maverick's** Matt Warshaw,2003-10-09 With its massive faces punishing rocks and treacherous currents *Maverick's* presents a surfing challenge like no other Author Matt Warshaw has updated his critically acclaimed illustrated history of *Maverick's* to cover important recent developments and we've added a fresh new cover to kick this edition off in style A fascinating account to quote *Surfer* magazine it takes a cue from Sebastian Junger's *The Perfect Storm* Warshaw focused on a single event and expands on it to illuminate an entire culture and its world beyond waves The event was the death of celebrated surfer Mark Foo one of those who congregate every winter to test themselves in the dark foreboding waters And what unfolds in *Maverick's* is no less than the story of big wave surfing from its ancient Hawaiian origins to modern tow in riders It s a book to be enjoyed not only by those who surf deep in the waves but also by those whose taste for adventure is satisfied deep in the pages of a very good book *Rough Cut Men* David Dusek,2015-03-18 In the movie industry the rough cut is defined as the raw first edition of a movie which provides an idea of what the finished product will look like giving indications of where it has problems and where it excels Much like a rough cut movie *Rough Cut Men* are not the finished product We are a work in progress Philippians 1:6 reads being confident of this that he who began a good work in you will carry it on to completion until the day of Christ Jesus Men today have hundreds of acquaintances but most have no real friends Men are isolated and struggling alone And while the Bible says we are to Pity the man who falls and has no one to help him up Ecc 4:10 most guys go into the battles of life with no covering fire Every man needs a battle buddy *Rough Cut Men* utilizes a strategic blend of guy movie scenes real world tales of men Biblical Truth and even throws in some of the author s personal testimony to accomplish one focused mission To get men talking to each other about what s really going on in their lives Each chapter contains hard hitting questions designed to drive men deeper in their walk with other men and with Christ *Rough Cut Men* is real raw and authentic And it will equip you for the battle **The TEN Wise Men** Bruce Nalevanko Jr,2024-10-28 It s been over two thousand years since

Jesus Christ has walked the earth And now He is back He is on a new mission given to Him from the Lord He is to seek out the people who will become known as the ten wise men Like the disciples of old when the wise men first meet Jesus they must choose whether they want to follow Him Their ultimate purpose will be given to them once they ascend into heaven Even though Jesus is back He is not alone The antichrist and the beast are also walking among the inhabitants of earth In seven years time everything will culminate into the final battle between good and evil known as Armageddon And as predicted in the book of Revelation in the Bible this battle will occur in the valley of Megiddo in Israel Everyone has a choice We can walk with God Or we can choose to walk alone The faithful will escape the end times in the rapture The remainder will be left on earth to be tested by the new government order led by the antichrist With some of their loved ones gone the people who remain will be forced to forge ahead in a chaotic world A world that is about to be burned Will you be ready when the time comes
