Abba Amma Nicola Slee, 2022-02-28 The Lord's Prayer unites Christians of all traditions It is the first and perhaps only prayer that people learn by heart However its patriarchal and kingdom imagery do not resonate universally today How do we pray the prayer Jesus taught us in ways which are authentic and life giving This volume emerging from years of praying the Lord's Prayer offers a series of prayers and poems written in response to it They wrestle with its central images and bring our own stories and relationships into dialogue with it Each prayer uses the address Abba or Amma Aramaic terms of intimate address to God as father or mother which reflect Jesus usage drawing on the abbots and ammas of the Desert Tradition as well as our own parental relationships It aims to integrate our whole human journey into the vocation of being a follower of Jesus An extended introduction explores why praying the Lord's Prayer is significant how it is problematic and how contemporary theological reinterpretations offer fresh perspective on it *Passing Stranger* Louis S.
