Psychoanalytische Und Psychopathologische Literaturinterpretation

Claudia Frank

Psychoanalytische Und Psychopathologische Literaturinterpretation:

Psychoanalytische und psychopathologische Literaturinterpretation Bernd Urban, Winfried Kudsus, 1981

Literatur und Psychoanalyse Wolfram Mauser, Carl Pietzcker, 2008 Einführung in die psychoanalytische

Literaturwissenschaft Walter Schönau, Joachim Pfeiffer, 2017-02-18 Diese Einführung in die psychoanalytische Literaturwissenschaft stellt die Bedeutung der Psychoanalyse für die Literaturtheorie heraus und führt verschiedene Ansätze vor die sich auf die Grundfragen der psychoanalytischen Textanalyse den literarischen Schaffensprozess die Rezeptionstheorie und die Interpretation literarischer Werke beziehen Ein historischer Teil skizziert die Entwicklung der Disziplin im deutschen anglo-amerikanischen und im französischen Kulturraum Für die zweite Auflage wurde der Band aktualisiert um ein Kapitel zur Filmanalyse erweitert und um Passagen zur feministischen Literaturtheorie ergänzt

Handbuch Literatur & Psychoanalyse Frauke Berndt, Eckart Goebel, 2017-10-10 Das Handbuch bietet einen umfassenden Überblick über die enge Beziehung zwischen Literatur und Psychoanalyse In den Blick kommen dabei die Literatur als Gegenstand der Psychoanalyse und das psychoanalytische Wissen der Literatur Systematisch aufbereitet werden auch die literarischen Dimensionen der Psychoanalyse und das Verhältnis zwischen Psychoanalyse und Kultur bzw. Literaturwissenschaft Zwei Register und ein Glossar beschließen den Band *Psychoanalytische Literaturinterpretation* Jens Malte Fischer, 1980 *Freud's Dream of Interpretation* Ken Frieden, 2012-02-01 Frieden explores methods of dream interpretation in the Bible the Talmud and in the writings of Sigmund Freud and brings to light Freud's troubled relationship to his Judaic forerunners This book reveals unfamiliar associations in intellectual history and challenges received ideas in biblical Talmudic and Freudian scholarship Freud distanced himself from dream interpreters such as Joseph and Daniel by rejecting their intuitive methods and their claims to predict the future While biblical and Talmudic dream interpretation generally involve prophecy Freud sought to limit himself to the determination of prior causes in the dreamer's life Nevertheless Frieden demonstrates that Freud's strategies of interpretation and especially his use of free association inevitably guide the dreamer toward a future This resonance between ancient prophecy and modern psychology is merely one example of the concealed relationship between Judaic and psychoanalytic dream interpretation Frieden shows the role both of actual influences and influences denied by Freud *A Companion to Qualitative Research* Uwe Flick, Ernst von Kardoff, Ines Steinke, 2004-05-25 A Companion to Qualitative Research draws on the work of an array of leading scholars from Europe Britain and North America to present a summary of every aspect of the qualitative research process from nuts and bolts methods and research styles to examinations of methodological theory and epistemology It is one of the few surveys of qualitative research to adopt a genuinely international voice Film Psychoanalysis Andreas Hamburger, 2024-05-27 Through the development of psychoanalytically informed film interpretation Andreas Hamburger provides new insights into the experience of watching films and their influence upon our internal lives Building upon a relational understanding of

psychoanalysis this volume develops a methodical procedure for psychoanalytical film interpretation discusses individual aspects of the medium such as editing spatial and temporal design and puts approaches to film psychoanalysis and cinema theory into a systematic perspective Hamburger exemplifies his arguments in a detailed analysis of numerous film examples and demonstrates how an in depth encounter with the medium can provoke new and surprising understandings Providing an interdisciplinary perspective that crosses the study of popular culture with psychoanalytic theory this book will be required reading not only for students and scholars of film but also for psychoanalysts in practice and training

Literaturpsychologische Studien und Analysen Walter Schönau, 1983 Melanie Klein in Berlin Claudia Frank, 2009-03-17 This book discusses how Melanie Klein began to develop her psychoanalysis of children Claudia Frank offers a detailed comparative analysis of both published and unpublished material from the Melanie Klein Archives
