**Local Businesses** Kathel Austin Kerr, Amos J. Loveday, Mansel G. Blackford, 1990 With this volume the Nearby History Series will lead you on a journey to discover how the businesses in your community helped shape its present form Providing fundamental information on the processes of investigating a business heritage Local Businesses acts as a complete guide for local historians and historical societies business historians business owners local citizens museum workers and librarians interested in examining this aspect of local history Local Businesses is Volume 5 in The Nearby History Series **History News**, 1994 **Annals of Iowa**, 1991 Exploring the Unknown: Selected Documents in the History of the U.S. Civil Space Program, Volume VII United States. National Aeronautics and Space Administration, 2008-12-04 This volume contains over 100 key documents many of which are published for the first time Each is introduced by a headnote providing context bibliographical details and background information necessary to understand the document These are organized into two chapters each beginning with an essay that keys the documents to major events in the history **Korean War Comic Books** Leonard Rifas, 2021-05-11 Comic books have presented fictional and fact based stories of the Korean War as it was being fought and afterward Comparing these comics with events that inspired them offers a deeper understanding of the comics industry America's forgotten war and the anti comics movement championed by psychiatrist Fredric Wertham who criticized their brutalization of the imagination Comics both newsstand offerings and government propaganda used fictions to justify the unpopular war as necessary and moral This book examines the dramatization of events and issues including the war's origins germ warfare brainwashing Cold War espionage the nuclear threat African Americans in the military mistreatment of POWs and atrocities **Aspirations & Challenges** American Association for State and Local History. Meeting, 1993 *My History is America's History* National Endowment for the Humanities, 1999 15 things you can do to save America's stories *Spaces that Tell Stories* Donna R. Braden, 2019-07-12 Historical environments delight visitors because of their ability to make them feel transported to another time and place These environments found in both museum exhibitions and historic structures are usually rich with objects that hint at deeper stories and context But these spaces often lack rigor in terms of historical and interpretive methodology along with a thoughtful and purposeful integration of storytelling principles *Spaces That Tell Stories Creating Historical Environments* offers a fresh look at historical environments providing a roadmap for applying this rigor and integrating these principles into the creation of such environments It begins by delving into the power of these environments for museum visitors drawing upon multiple cross disciplinary fields An in depth how to methodology follows which begins with the steps of framing the project by aligning it with institutional goals defining audiences involving visitor studies and inviting community engagement It continues through the steps of researching creating interpreting refining and evaluating the impact of the environment The author's methodology is applicable to environments in both historic structures and museum exhibits from different eras places and

topics It is also scalable to museums varying sizes and budgets To give a sense of how the methodology laid out in this book translates into real world practice detailed case studies appear throughout along with practical tips checklists charts descriptive photographs and source lists An extensive bibliography follows *Spaces That Tell Stories Creating Historical Environments* is a unique contribution to the museum field It is a must read for museum professionals installing or upgrading historic environments while the methodology and case studies also offer practical strategies for other museum professionals working with collections exhibitions and interpretation and how these are integrated thoughtful insights into museum practice for students and a helpful toolkit for local historians **Telling the Stories** Ronald Bruce Thomson,2000

Critical issues in the history of spaceflight Steven J. Dick,2018 *Pasts Beyond Memory* Tony Bennett,2004-07-31

Contributing to current debates on relationships between culture and the social and the the rapidly changing practices of modern museums as they seek to shed the legacies of both evolutionary conceptions and colonial science this important new work explores how evolutionary museums developed in the USA UK and Australia in the late nineteenth century

**Cumulative Index of Congressional Committee Hearings (not Confidential in Character).** ,1967 **Transport Policy: Learning Lessons from History** Colin Divall,Julian Hine,2017-05-15 The key aim of this volume is to demonstrate ways in which an understanding of history can be used to inform present day transport and mobility policies This is not to say that history repeats itself or that every contemporary transport dilemma has an historical counterpart rather the contributors to this book argue that in many contexts of transport planning a better understanding of the context and consequences of past decisions and processes could lead to more effective policy decisions Collectively the authors explore the ways in which the methods and approaches of historical research may be applied to contemporary transport and policy issues across a wide range of transport modes and contexts By linking two bodies of academic research that for the most part remain separate this volume helps to inform current transport and mobility policies and to stimulate innovative new research that links studies of both past and present mobilities *Space Exploration* Carolyn Collins Petersen,2017-11-15 This detailed examination of our steps into space is viewed from our potential future there on Mars to be exact and considers how we will reach that point *A Girl Can Do: Recognizing and Representing Girlhood* Tiffany R. Isselhardt,2022-07-12 How do scholars research and interpret marginalized populations especially those that are seldom recognized as marginalized or whose sources are believed to be rare Combining intersectional feminism and public history methodologies *A Girl Can Do Recognizing and Representing Girlhood* reflects on how girlhood is found researched and interpreted in museums archives and historic sites Defining girl as self identifying females under the age of 21 *A Girl Can Do* lays the groundwork for understanding girlhood its constructs and its marginalization while providing faculty students and working professionals with ten case studies on researching and working with girlhood Contributors include archaeologists archivists curators educators and historians who demonstrate how adding a girl studies lens fosters greater inclusivity and diversity in our work Whether

studying spatial techniques of marginalization in colonial Peru the daybooks as records of girlhood in late nineteenth century Sweden or collaborating with self identifying fangirls to produce a pop up exhibition the contributors demonstrate the variety of sources and methods that can be used to interpret this oft overlooked population Throughout A Girl Can Do petitions for collaborative and creative thinking in how we can reframe and reinterpret our sources both traditional and overlooked to shed new light on how girls have contributed to and provide frames of reference for human history and culture Public Participation in Health Care: Exploring the Co-Production of Knowledge Gill Green,Annette Louise Boaz,Maria Clasina Stuttard,2020-01-28 **Early Modern Streets** Danielle van den Heuvel,2022-12-23 For the first time Early Modern Streets unites the diverse strands of scholarship on urban streets between circa 1450 and 1800 and tackles key questions on how early modern urban society was shaped and how this changed over time Much of the lives of urban dwellers in early modern Europe were played out in city streets and squares By exploring urban spaces in relation to themes such as politics economies religion and crime this edited collection shows that streets were not only places where people came together to work shop and eat but also to fight celebrate show their devotion and express their grievances The volume brings together scholars from different backgrounds and applies new approaches and methodologies to the historical study of urban experience In doing so Early Modern Streets provides a comprehensive overview of one of the most dynamic fields of scholarship in early modern history Accompanied by over 50 illustrations Early Modern Streets is the perfect resource for all students and scholars interested in urban life in early modern Europe *Public History* Faye Sayer,2019-01-24 The 2nd edition of Public History A Practical Guide provides a fresh examination of history as practiced in its various worldly guises and contexts It analyses the many skills that historians require in the practice of public history and looks at how a range of actors including museums archives government agencies community history societies and the media digital media make history accessible to a wider audience in a variety of ways Faye Sayer s exciting new edition includes Brand new chapters on Restoration and Preservation and history and the working world Substantial additions covering the growing fields of digital history and history in politics More images figures and international case studies from the US Australia the UK Europe and Asia Personal Reflection sections from a range of industry experts from around the world Historiographical updates and significant revisions throughout the text Expanded online Public History Toolkit resource with a range of new features Public History A Practical Guide delivers a comprehensive outline of this increasingly prevalent area of the discipline offering a distinctly global approach that is both accessible and engaging in equal measure Finally it explores future methodological possibilities and can be used as a reference point for professional development planning in the sectors discussed This is the essential overview for any student wanting to know what history means beyond the classroom **Roots in Universal History** Rolf A. F. Witzsche,2003 **Much Governed Nation Pt1 Vol 3** W.H Greenleaf,2014-05-12 First published in 2003 Part of the British Political Tradition collection this is Part one Volume III This account of the emergence of contemporary

political institutions in Britain follows volumes dealing with The Rise of Collectivism and The Ideological Heritage both of which appeared in 1983 It shows how in the perspective these other works describe the traditional machinery of government expanded notably and was in many ways completely altered
