Public Policy Across States And Communities:

Interest Groups and Health Care Reform Across the United States Virginia Gray, David Lowery, Jennifer K. Benz, 2013-05-31 This book assesses the impact of interest groups to determine if collectively they are capable of shaping policy in their own interests or whether they influence policy only at the margins

The Question of State Government Capability Mavis Mann Reeves, United States. Advisory Commission on Intergovernmental Relations, 1985

Cooperation and Conflict between State and Local Government Russell L. Hanson, Eric S. Zeemering, 2021-05-27 This book introduces students to the complex landscape of state local intergovernmental relations today Each chapter illustrates conflict and cooperation for policy problems including the response to the COVID 19 pandemic environmental regulation marijuana regulation and government management capacity The contributors leading experts in the field help students enhance their understanding of the importance of state local relations in the U S federal system argue for better analysis of the consequences of state local relations for the quality of policy outcomes and introduce them to public service career opportunities in state and local government

Shaping Suburbia Paul Lewis, 2010-06-15 The American metropolis has been transformed over the past quarter century Cities have turned inside out with rapidly growing suburbs evolving into edge cities and technoburbs But not all suburbs are alike In Shaping Suburbia Paul Lewis argues that a fundamental political logic underlies the patterns of suburban growth and argues that the key to understanding suburbia is to understand the local governments that control it their number functions and power Using innovative models and data analyses Lewis shows that the relative political fragmentation of a metropolitan area plays a key part in shaping its suburbs

A Phoenix in the Ashes John Hull Mollenkopf, 2021-04-13 In the years following its near bankruptcy in 1976 until the end of the 1980s New York City came to epitomize the debt driven deal oriented economic boom of the Reagan era Exploring the interplay between social structural change and political power during this period John Mollenkopf asks why a city with a large minority population and a long tradition of liberalism elected a conservative mayor who promoted real estate development and belittled minority activists Through a careful analysis of voting patterns political strategies of various interest groups and policy trends he explains how Mayor Edward Koch created a powerful political coalition and why it ultimately failed

Maximizing Local Government Impact on Community Health Initiatives Karolina Sobczyk, Marlena Robakowska, 2025-09-17 Local government units play a pivotal role in shaping and enhancing public health a common societal good that requires continuous strengthening The influence of local governments extends beyond mere statistics of morbidity and mortality it encompasses the reduction of health adverse behaviors that undermine health security and social cohesion Despite the recognized importance of local government involvement in health initiatives there remains a significant gap in understanding the full extent of their impact and the best practices for maximizing their effectiveness Recent studies have highlighted the potential of local governments to drive health improvements through targeted programs such as vaccination campaigns school based health initiatives and policies affecting transportation consumption and access to health promoting resources However there is a pressing need for more comprehensive research to mobilize local governments towards proactive health interventions and to identify strategies that can be effectively implemented at the community level This research topic aims to explore the multifaceted benefits of local government activities in influencing population health By examining the links between local government actions and health outcomes this research seeks to uncover new insights into how local authorities can effectively contribute to public health The goal is to stimulate scholarly discourse and provide evidence based recommendations that can guide local governments businesses researchers and individuals in their efforts to enhance community health capacity

Religion and Politics in Europe, the Middle East and North Africa Jeffrey Haynes, 2009-10-16 This book examines the political activities of selected religious actors in Christian Muslim and Judaist contexts in Europe and the Middle East It explores the challenges these religious actors face in terms of citizenship democracy and secularisation

Interest Groups in American Politics Anthony J. Nownes, 2013-01-17 Americans rail against so called special interests but at the same time many members of society are themselves represented in one form or another by organized groups trying to affect the policymaking progress This concise but thorough text demonstrates that interest groups are involved in the political system at all levels of government federal state and local and in all aspects of political activity from election campaigns to agenda setting to lawmaking to policy implementation Rather than an anomaly or distortion of the political system it is a normal and healthy function of a pluralist society and democratic governance Nonetheless Nownes warns of the dangers of unwatched interest group activity especially in the realms of the electoral process and issue advocacy Interest Groups in American Politics Second Edition is grounded by the role of information in interest group activity a theme that runs through the entire book This much anticipated revision of Nownes s text retains a student friendly tone and thoroughly updates the references to interest group research as well as adds a new chapter on the connections between interest groups and political parties Numerous figures and tables throughout the book help students visualize important trends and information

Handbook of Community Sentiment Monica K. Miller, Jeremy A. Blumenthal, Jared Chamberlain, 2014-11-18 This volume is the most

comprehensive reference book on community sentiment available The classic book about community sentiment is Norm Finkel s Commonsense Justice Jurors Notions of the Law 1995 A similarly influential book called Justice Liability and Blame was published at the same time examining lay sentiment about a variety of criminal issues and suggesting ways in which the substantive criminal law could be reformed in light of such lay responses Robinson Darley 1995 Although these books were influential and important for their time and since this Handbook expands significantly on them both by updating research since that time and broadens the scope of topic areas to ones that are not limited to trial and criminal justice issues Each chapter is original unpublished and focuses on an area related to children families many of which are hot topic areas in the news and courts today For instance the U S Supreme Court decided a case in June 2012 about the constitutionality of life without parole for juvenile offenders a topic discussed in the Fass and Miora chapter Thus it is of interest to those interested in family law topics as well

Parliaments and Pressure Groups in Western Europe Philip Norton,2012-12-06 Pressure groups are fundamental to pluralist societies But what is the relationship between those groups and parliaments This work explores the links between parliaments and pressure groups assessing the extent and impact of the contact that occurs Is pressure group activity beneficial to parliament And what are the implications for the political system The Handbook of Community Practice Marie Weil,Michael Reisch,2005 Encompassing community development organizing planning and social change as well as globalisation this book is grounded in participatory and empowerment practice The 36 chapters assess practice theory and research methods
