Thomas, Laura Savatgy, Kristina Klimovich, 2016-09-15 Politics in Alaska have changed significantly since the last major book on the subject was published more than twenty years ago with the rise and fall of Sarah Palin and the rise and fall of oil prices being but two of the many developments to alter the political landscape This book the most comprehensive on the subject to date focuses on the question of how beliefs institutions personalities and power interact to shape Alaska politics and public policy Drawing on these interactions the contributors explain how and why certain issues get dealt with successfully and others unsuccessfully and why some issues are taken up quickly while others are not addressed at all This comprehensive guide to the political climate of Alaska will be essential to anyone studying the politics of America s largest and in some ways most unusual state Public Budgeting in the United States Steven G. Koven, 1999-09-07 Budgeting has long been considered a rational process using neutral tools of financial management but this outlook fails to consider the outside influences on leaders behavior Steven G Koven shows that political culture moralistic traditionalistic individualistic and ideological orientations liberal vs conservative are at least as important as financial tools in shaping budgets Koven examines budget formation at the national state and local levels to demonstrate the strong influence of attitudes about how public money should be generated and spent In addition to statistical data the book includes recent case studies the 1997 budget agreement Governor George W Bush s use of the budget process to advance a conservative policy agenda in the state of Texas and Mayor Marion Barry s abuses of power in Washington D C Koven demonstrates that administrative principles are at best an incomplete guide for public officials and that budgeters must learn to interpret signals from the political environment *Theories of the Policy Process, Second Edition* Paul Sabatier, 2019-06-04 Theories

of the Policy Process provides a forum for the proponents of several of the most promising and widely used theoretical frameworks to present the basic propositions of their frameworks to assess the empirical evidence that has developed and to discuss promising directions for future research The first edition contained analysis

Public Policymaking in a Globalized World Robin J. Lewis, 2018-01-19 The inexorable advent of globalization has transformed the public policymaking process into a multi faceted challenge that transcends traditional policymaking boundaries and forces scholars experts and practitioners to redefine their field in terms of both theory and practice While every policy dilemma has a specific location in time and space most significant policy issues climate change food and water economic development global pandemics terrorism and violence and migration to name just a few now require a collective framing of the problem and a collaborative effort to take effective action The essays in *Public Policymaking in a Globalized World* offer valuable insights into how policymaking is evolving from a circumscribed field of inquiry into a truly global dialogue that can help stakeholders to focus on key issues that threaten the survival of our planet

Public Opinion, Public Policy, and Smoking Thomas R. Marshall, 2016-07-25 *Public Opinion Public Policy and Smoking* tracks Americans changing attitudes about cigarette smoking over the last century With data from more than five thousand public and privately conducted polls this book carefully examines how Americans came to understand the health risks of smoking how the tobacco industry sought to reframe smoking and how public opinion support for tobacco control affected lawsuits elections and public policies This book tests several well known linkage models that connect public opinion with public policy It shows that conventional wisdom about public opinion and tobacco control policy is often mistaken This book offers the first in depth look at American public opinion and cigarette smoking during the last century
