Public Policy And Provincial Politics McGraw Hill Series In Canadian Politics:

In Search of Canadian Political Culture Nelson Wiseman, 2011-11-01 What do we really mean by phrases such as western Canadian political culture the centrist political culture of Ontario Red Toryism in the Maritimes or Prairie socialism What historical geographical and sociological factors came into play as these cultures were forged In this book Nelson Wiseman addresses many such questions offering new ways of conceiving Canadian political culture The most thorough review of the national political ethos written in a generation In Search of Canadian Political Culture offers a bottom up regional analysis that challenges how we think and write about Canada

Forging Alberta's Constitutional Framework Richard Connors, John M. Law, University of Alberta. Centre for Constitutional Studies, 2005-11 Forging Alberta's Constitutional Framework analyzes the principal events and processes that precipitated the emergence and formation of the law and legal culture of Alberta from the foundation of the Hudson's Bay in 1670 until the eve of the centenary of the Province in 2005 The formation of Alberta's constitution and legal institutions was by no means a simple process by which English and Canadian law was imposed upon a receptive and passive population Challenges to authority latent lawlessness interaction between indigenous and settler societies periods pre and post 1905 of jurisdictional confusion and demands for individual group and provincial rights and recognitions are as much part of Alberta's legal history as the heroic and mythic images of an emergent and orderly Canadian west patrolled from the outset by red coated mounted police and peopled by peaceful and law abiding subjects of the Crown Papers focus on the development of criminal law in the Canadian west in the nineteenth century the Natural Resources Transfer Agreement of 1930 the National Energy Program of the 1980s Federal Provincial relations and the role and responsibilities of the offices of Justices of the Peace and of the Lieutenant Governor and the legacies of the Lougheed and Klein governments

Two Into One Lawrence D Longley, 2019-03-22 Recent scholarship points to a new institutionalism just as recent political developments point to a trend toward democratization If institutions matter and if legislatures are the democratic institutions in which the voice of the people speaks then the organization of legislatures bi or unicameral has important consequences for democracy

Two Political Worlds Donald E. Blake, 2011-11-01 British Columbia has long been a source of fascination to political observers Canadian socialism sank its earliest and deepest roots there and it is one of only three provinces where the New Democratic Party has formed the government It is one of only two provinces where Social Credit has governed and the only one in which the party still commands significant support Provincial peculiarities have affected federal politics too British Columbia has come closer than any province to effecting a complete separation of federal and provincial party systems This book presents a detailed look at the inhabitants of these two political worlds It traces the evolution of the two party systems and analyzes the behaviour of the voters who participate in them

Comparative Higher Education Politics Jens Jungblut, Martin Maltais, Erik C. Ness, Deanna Rexe, 2023-05-12 This volume provides an overview of the state of the art of research on the politics of higher education policy in Canada the US and

Western Europe Each thematic chapter combines an extensive literature review with original empirical work that further advances our understanding of policymaking dynamics in higher education The book covers five key aspects of policymaking namely the politics of governance as well as funding reforms the role of interest groups policy diffusion and policy framing These aspects are explored using a unique comparative design that combines comparisons within as well as between regions and among the five key aspects of policymaking The conceptual framework is anchored in approaches from institutional theory namely sociological and historical institutionalism This rare book coherently focuses on the same critical challenges that higher education faces in a changing global and national environment These include vital governance and finance issues and how these are framed and contested by different organizations and interest groups as well as state actors Within a broad institutionalist framework that reflects the tensions between historical university and national legacies on the one hand and regional and global influences on the other the authors focus on policymaking in Western Europe Canada and the US This is an engaging and creative endeavor a must read for scholars and policymakers alike Francisco O Ramirez Graduate School of Education Stanford University This is a real achievement that will contribute to the development of research in politics of higher education policy finance and economic development It is timely in an era when higher learning is increasingly salient to national policy interest groups and supranational bodies such as the EU The focus on Canada the US and Europe frames a comparative approach to a competitive higher educational policy arena that has not received systematic study Sheila Slaughter Louise McBee Institute of Higher Education University of Georgia This fills a gaping hole in research on the politics of higher education In bringing together research perspectives from governance studies with comparative public policy as well as scholars from Europe and Northern America this volume will serve as an important reference point for a rapidly growing research field The exceptionally high quality of editorship is documented by the fact that the chapters are convincingly subsumed under five sub themes In short A must read for any researcher and student interested in understanding the political foundations of higher education Marius R Busemeyer Department of Politics and Public Administration University of Konstanz

The Canadian Environment in Political Context Andrea Olive, 2015-12-18 The Canadian Environment in Political Context is an introduction to environmental politics designed to explain and explore how environmental policy is made inside the Canadian political arena The book begins with a brief synopsis of environmental quality across Canada before moving on to examine political institutions and policymaking the history of environmentalism in Canada and crucial issues including wildlife policy pollution climate change Aboriginals and the environment and Canada's North The book ends with a discussion of the environmental challenges and opportunities that Canada faces in the twenty first century Accessible and comprehensive The Canadian Environment in Political Context is the ideal text for environmental politics and policy courses

Welfare State and Canadian Federalism Keith G. Banting, 1987 The first edition of The Welfare State and Canadian Federalism focused on the impact of federalism on social policy during a period of economic

growth and expanding social expenditures The revised edition extends the analysis by asking how the federal system has shaped the social policy response to neo conservatism recession and restraint It analyses policy trends in detail examines the implications of constitutional changes including the Charter and highlights the continuing role of federalism

Government Restructuring and Career Public Service in Canada Evert A. Lindquist, Institute of Public Administration of Canada, 2000 Chapter 13 Manitoba civil service a quiet tradition in transition by Ken Rasmussen

Diplomatic Departures Kim R. Nossal, Nelson Michaud, 2007-10-01 During the nine years that the Conservatives under Brian Mulroney held power in Ottawa Canadian foreign policy underwent a series of important departures from established policy Some of these changes mirrored the major transformations in global politics that occurred during this period as the Berlin Wall was breached the Cold War came to an end and a globalized economy emerged But some of the changes were the results of initiatives taken by the Conservative government The first major scholarly examination of the foreign policy of this period this collection explores and analyzes the many departures from traditional Canadian statecraft that took place during the Mulroney Conservative era free trade with the U S a continentalized energy policy initiatives over the environment and the Arctic the withdrawal of Canadian forces from Europe and the transformation of peacekeeping into peacemaking *Why Regions Matter: Small Worlds in Comparative Perspective* Ailsa Henderson, 2014-06-11 Bringing together experts on regionalism and federalism this collection explores the impact of legislative regions on parties and voters It reflects on the 1980 publication of *Small Worlds* by David Elkins and Richard Simeon which outlined how and why voters and policies differ across Canadian provinces Using recent data the essays in this collection provide a comparative re examination of the impact of regions The book explores attitude divergence in Canada and in the US the role and impact of regional parties in Quebec Scotland and Bavaria the impact of multi level governance on how citizens understand and discharge their duties and the capacity of sub state political systems to influence general political attitudes The result is an empirical and analytical contribution to regionalism and federalism studies that demonstrates how and why regions matter This book was published as a special issue of *Regional and Federal Studies* **Provincial Politics in Canada** Rand Dyck, Perry Rand Dyck, 1991

Canada Ronald Lampman Watts, Douglas Mitchell Brown, 1989 **Governance and Public Policy in Canada** Michael M. Atkinson, Gregory P. Marchildon, Peter W. B. Phillips, Kenneth A. Rasmussen, Daniel Béland, Kathleen McNutt, 2013-01-01 *Governance and Public Policy in Canada* lays the foundation for a systematic analysis of policy developments shaped as they are by multiple players institutional tensions and governance legacies Arguing that provinces are now the most central site of governance and policy innovation the book assesses the role of the provinces and places the provincial state in its broader economic institutional social and territorial context The aim throughout is to highlight the crucial role of provinces in policy changes that directly affect the lives of citizens Three key themes unify this book First it addresses the role of policy convergence and divergence among provinces Although the analysis acknowledges enduring differences in political culture

and institutions it also points to patterns of policy diffusion and convergence in specific areas in a number of provinces

Second the book explores the push and pull between centralization and decentralization in Canada as it affects intergovernmental relations

Third it underscores that although the provinces play a greater role in policy development than ever before they now face a growing tension between their expanding policy ambitions and their capacity to develop fund implement manage and evaluate policy programs

Governance and Public Policy in Canada describes how the provincial state has adapted in the context of these changing circumstances to transcend its limited capacity while engaging with a growing number of civil society actors policy networks and intergovernmental bodies

Reorienting Health Services Charles O. Pannenberg, 2012-12-06

The Advanced Research Institute on Health Services Systems was held under the auspices of the NATO Special Programme Panel on Systems Science as a part of the NATO Science Committee's continuous effort to promote the advancement of science through international cooperation

A special word is said in this respect supra by Professor Checkland Chairman of the Systems Science Panel

The Advanced Research Institute ARI was organized for the purpose of bringing together senior scientists to seek a consensus on the assessment of the present state of knowledge on the specific topic of health services systems and to present views and recommendations for future health services research directions which should be of value to both the scientific community and the people in charge of reorienting health services

The conference was structured so as to permit the assembly of a variety of complementary viewpoints through intensive group discussions to be the basis of this final report

Invitees were selected from all over Europe and North America including observers from the major international organizations involved in health services research to provide the experience and expertise necessary to make the issue of health services systems valid and significant

First among Unequals Alex Marland, Matthew Kerby, 2014-04-01

Canadians are told that provincial premiers wield considerable sway

Critics decry premiers as autocrats and dictators while supporters label them as altruists and great leaders

In Newfoundland and Labrador the premier is expected to be the province's overlord a patriotic defender of provincial interests and the decision maker who brokers competing policy priorities

But does a premier have as much power over government policy decisions as is popularly believed

First among Unequals a detailed enquiry into the administration of Premier Danny Williams and the first year of his successor Kathy Dunderdale suggests that the power of the premier is exaggerated by the media critics political parties the public service and the leaders themselves

With perspectives from economics education geography health policy history and political science contributors explore how dominant Williams was and test theories to show how power operates in provincial governments

They examine politics and government through case studies of the healthcare sectors education the fisheries rural and regional development hydroelectric projects and the labour market

Focusing on an era of political populism and rapid economic growth

First among Unequals reasons that there is not enough evidence to suggest that the Premier's Office even with someone like Danny Williams at the helm independently shapes public policy

Contributors include

Karlo Basta Memorial Sean Cadigan Memorial Angela Carter Waterloo Christopher Dunn Memorial Jim Feehan Memorial Gerald Galway Memorial Ryan Gibson Memorial James Kelly Concordia Royce Koop Manitoba Mario Levesque Mount Allison Maria Mathews Memorial John Peters Laurentian Michelle Porter Memorial Kate Puddister McGill Val rie V zina UQAM and Kelly Vodden Memorial Grenfell

Patchworks of Purpose Gerard William Boychuk,1998 In Patchworks of Purpose Gerard Boychuk asserts that Canada does not have one social assistance system but rather ten variants that reflect the particular policy goals of each province He argues that provincial assistance regimes have followed significantly distinct paths in their historical development even though they have been funded under the same federal cost sharing arrangements

Stalled Linda Trimble,Jane Arscott,Manon Tremblay,2013-05-31 Following significant increases in women s electoral representation in the 1980s and 90s progress has stalled Despite some high profile successes at the provincial level there are now only a few more women in Canada s parliament and legislatures than a decade ago What has happened to the representational gains for women and why does gender parity remain so elusive To answer these questions Stalled provides a provides a detailed roadmap of women s political representation as candidates office holders cabinet ministers party leaders and as representatives of the Crown at all levels of government across Canada Prospects for gender parity in political office are assessed in each jurisdiction and institution Explanations are re examined and analyzed using data from across the country The representation of women in elected and appointed offices is an important indicator of both gender equality and the overall health of democratic governance By this measure Canada continues to fall short

Continuity and Change in Canadian Politics David E. Smith,2006-01-01 Change and Continuity in Canadian Politics gets to the heart of key issues and provides important insights into contemporary Canadian government and politics

A History of Canadian Economic Thought Robin Neill,1991-06-06 In A History of Canadian Economic Thought Robin Neill relates the evolution of economic theory in Canada to the particular geographical and political features of the country Whilst there were distinctively Canadian economic discourses in nineteenth century Ontario and early twentieth century Quebec Neill argues that these have now been absorbed into the broader North American mainstream He also examines the nature and importance of the staple theory controversy and its appositeness for the Canadian case With full accounts of the work of major Canadian economists including John Rae H A Innis and Harry Johnson A History of Canadian Economic Thought is the first definitive treatment of the subject for 30 years

Citizens and Community Allan Kornberg,Harold D. Clarke,1992-04-24 This book addresses political legitimacy and system support in one democracy Canada

Embracing the Melody of Term: An Mental Symphony within **Public Policy And Provincial Politics Mcgraw Hill Series In Canadian Politics**

In a world eaten by screens and the ceaseless chatter of immediate interaction, the melodic splendor and mental symphony created by the published word usually disappear into the back ground, eclipsed by the persistent noise and distractions that permeate our lives. However, located within the pages of **Public Policy And Provincial Politics Mcgraw Hill Series In Canadian Politics** a wonderful fictional prize overflowing with fresh feelings, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, that captivating masterpiece conducts viewers on an emotional trip, skillfully unraveling the concealed songs and profound affect resonating within each cautiously constructed phrase. Within the depths of this touching examination, we can investigate the book is main harmonies, analyze their enthralling writing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
