

Public Policy And The Arts

Constance DeVereaux

Public Policy And The Arts:

The Arts and Public Policy in the United States American Assembly, 1984 *Public Policy And The Arts* Kevin V Mulcahy, C. Richard Swaim, 1982-07-20 Public Policy and the Arts: A Comparative Study of Great Britain and Ireland Ruth-Balandina M. Quinn, 2018-08-20 First published in 1998 this volume considers the subject of arts policy as a subject of public policy making proper in UK and Ireland with a particular focus on theatre as a profession rather than a mere hobby Previous studies have placed the burden of policy improvements on the arts themselves looking at what the arts can do to be worthy of government funding and favourable policy and have seen government actions as if they have a uniform effect This study takes the arts out of the abstract and discusses specific ways that diverse activities with even more diverse needs can be best approached with government policy assessing the strengths and weaknesses of government initiatives It is aimed at both political scientists and anyone with an interest in arts and cultural policy The Future of the Arts David B. Pankratz, Valerie B. Morris, 1990 This volume presents the work of social scientists public policy analysts policy makers and arts funding decision makers The contributors seek to address serious issues confronting the future of the arts in America by defining the role of social science research in the formulation of public policies The chapters reflect the diverse disciplinary perspectives and methodologies which make up the broad enterprise of arts research and cover a wide array of current issues in arts research and public policy including the current state of arts and arts education research arts participation by ethnic cultures baby boomers and older adults emerging patterns of aesthetic choice public arts policy in the future and conditions for the growth and effective use of arts research Academics and students in political science policy analysis sociology economics arts administration and education policy makers and arts administrators will find *The Future of the Arts* a valuable resource The contributors conclude that the future of the arts in America will be shaped by a wide array of forces The challenge is in avoiding passive reactivity to these trends assessing their short term and long term influences and strategically developing policy options that are within the decision making control of leadership sectors in the complex arts policy world Until recently the political context of public arts policy has hindered the development and utilization of arts research In many ways this book illustrates the promise of research based policy formulation for the arts in America

Public Policy Toward the Arts in Texas Lyndon B. Johnson School of Public Affairs. *Public Policy Toward the Arts in Texas* Research Project, 1978 International Yearbook for Research in Arts Education 3/2015 Shifra Schonmann, 2015 This yearbook will be the third in an annual series of publications by the International Network for Research in Arts Education INREA It will provide a comprehensive survey of contemporary research trends in arts education and will be based on the idea of constructing knowledge in the arts with the wisdom of the many About sixty scholars from across the world will convey the zeitgeist of the key issues in research in arts education The volume will be designed as a basic companion for every researcher student teacher or artist who wants to know what the recent knowledge of scholars is and what they

consider significant The key issues will reflect the images and the observations that a large body of researchers consider to be essential [Understanding the Arts and Creative Sector in the United States](#) Joni Maya Cherbo, Ruth Ann

Stewart, Margaret Jane Wyszomirski, 2008-05-15 The arts and creative sector is one of the nation's broadest most important and least understood social and economic assets encompassing both nonprofit arts and cultural organizations for profit creative companies such as advertising agencies film producers and commercial publishers and community based artistic activities The thirteen essays in this timely book demonstrate why interest in the arts and creative sector has accelerated in recent years and the myriad ways that the arts are crucial to the social and national agenda and the critical issues and policies that relate to their practice Leading experts in the field show for example how arts and cultural policies are used to enhance urban revitalization to encourage civic engagement to foster new forms of historic preservation to define national identity to advance economic development and to regulate international trade in cultural goods and services Illuminating key issues and reflecting the rapid growth of the field of arts and cultural policy this book will be of interest to students at both the undergraduate and graduate levels to arts educators and management professionals government agency and foundation officials and researchers and academics in the cultural policy field [Public Policy and the Arts](#) Ann Powers Sanders, 2001

[Arts Management](#) Carla Walter, 2015-05-22 Arts Management is designed as an upper division undergraduate and graduate level text that covers the principles of arts management It is the most comprehensive up to date and technologically advanced textbook on arts management on the market While the book does include the background necessary for understanding the global arts marketplace it assumes that cultural fine arts come to fruition through entrepreneurial processes and that cultural fine arts organizations have to be entrepreneurial to thrive Many cases and examples of successful arts organizations from the United States and abroad appear in every chapter A singular strength of Arts Management is the author's skilful use of in text tools to facilitate reader interest and engagement These include learning objectives chapter summaries discussion questions and exercises case studies and numerous examples and cultural spotlights Online instructor's materials with PowerPoints are available to adopters [Graduate Programs in the Humanities, Arts & Social Sciences 2014 \(Grad 2\)](#) Peterson's, 2013-11-22 Peterson's Graduate Programs in the Humanities Arts Social Sciences 2014 contains comprehensive profiles of more than 11 000 graduate programs in disciplines such as applied arts design area cultural studies art art history conflict resolution mediation peace studies criminology forensics language literature psychology counseling religious studies sociology anthropology archaeology and more Up to date data collected through Peterson's Annual Survey of Graduate and Professional Institutions provides valuable information on degree offerings professional accreditation jointly offered degrees part time and evening weekend programs postbaccalaureate distance degrees faculty students requirements expenses financial support faculty research and unit head and application contact information There are helpful links to in depth descriptions about a specific graduate program or department faculty

members and their research and more There are also valuable articles on financial assistance the graduate admissions process advice for international and minority students and facts about accreditation with a current list of accrediting agencies

Business Issues in the Arts Anthony Rhine, Jay Pension, 2022-08-08 Business Issues in the Arts is a text designed to address some of the most prescient business issues that nonprofit arts organizations face today This text is not a how to but an in depth dive into fourteen topics and their associated theories to augment learning in arts administration programs With contributions from leading academics in arts administration the book guides readers through an exploration of those topics which have been found by practitioners to be most vital and least explored Chapters include numerous case examples to illustrate business theory in the artistic and creative environment The academic contributors themselves each come with both professional backgrounds and research experience and they are each introduced at the start of their chapters allowing for a collection of voices to navigate through some oftentimes challenging topics This book is designed for an advanced undergraduate course or a stand alone graduate course on the intersection of business and management and the cultural and creative industries especially those focusing on business issues in the arts

The Arts and Events Hilary Du Cros, Lee Jolliffe, 2014-05-30 Cultural heritage and contemporary arts benefit from being showcased in events Arts related events are each unique in reflecting local culture they may be therefore spontaneous street art and so on or planned i e studio tours or arts festivals The Arts and Events explores the nature and complexity of managing arts events and fills a significant gap in the available literature It investigates the history development and management of arts events to offer much needed insight into creating economic social and cultural capital It therefore contributes to a greater understanding of how arts events can create a beneficial experience for the individual and the community as well as their future sustainable development The title explores a broad range of events from around the globe including inspirational events for building creative social cultural and human capital affirming events for encouraging links to cultural identity or heritage pleasurable events that offer enjoyable recreational leisure and touristic experiences enriching events that create opportunities for personal growth and or to sell products or experiences and finally celebratory events that enhance cultural diversity This significant volume is a valuable source for researchers policy makers and managers of arts events around the globe

The Arts Management Handbook: New Directions for Students and Practitioners Meg Brindle, Constance DeVereaux, 2015-05-18 Whether the art form is theater dance music festival or the visual arts and galleries the arts manager is the liaison between the artists and their audience Bringing together the insights of educators and practitioners this groundbreaker links the fields of management and organizational management with the ongoing evolution in arts management education It especially focuses on the new directions in arts management as education and practice merge It uses cases studies as both a pedagogical tool and an integrating device Separate sections cover Performing and Visual Arts Management Arts Management Education and Careers and Arts Management Government Nonprofits and Evaluation The

book also includes a chapter on grants and raising money in the arts

Graduate Programs in the Humanities, Arts & Social Sciences 2015 (Grad 2) Peterson's, 2014-11-25 Peterson's Graduate Programs in the Humanities Arts Social Sciences 2015 contains details on more than 11 000 graduate programs of study across all relevant disciplines including the arts and architecture communications and media psychology and counseling political science and international affairs economics and sociology anthropology archaeology and more Informative data profiles include facts and figures on accreditation degree requirements application deadlines and contact information financial support faculty and student body profiles Two page in depth descriptions written by featured institutions offer complete details on specific graduate programs schools or departments as well as information on faculty research Comprehensive directories list programs in this volume as well as others in the graduate series

The Arts and Public Policy in the United States Wilson McNeil Lowry, American Assembly, 1984

International Yearbook for Research in Arts Education 2/2014 Larry O'Farrell, Shifra Schonmann, Ernst Wagner, 2014 Building on earlier discourse the current yearbook volume continues to focus on questions of research in the field of cultural and arts education from a global perspective This year's volume opens with a review of important contributions to the World Summit in Arts Education held in Wildbad Kreuth Germany in 2013 It continues with the topics of evaluation mapping and monitoring introduced in the first volume Theoretical and practical applications of the key foundations of work in the International Network for Research in Arts Education INRAE are also explored at length Most notably new approaches aimed at linking arts education to peace education and the application of these approaches to education for sustainable development ESD are introduced and explored
