## **Public Schools In Hard Times The Great Depression And Recent Years:**

**Public Schools in Hard Times** David B. Tyack, Robert Lowe, Elisabeth Hansot, 1984 In the first social history of what happened to public schools in those years of the locust the authors explore the daily experience of schoolchildren in many kinds of communities the public school students of working class northeastern towns the rural black children of the South the prosperous adolescents of midwestern suburbs How did educators respond to the fiscal crisis and why did Americans retain their faith in public schooling during the cataclysm The authors examine how New Dealers regarded public education and the reaction of public school people to the distinctive New Deal style in programs such as the National Youth Administration They illustrate the story with photographs cartoons and vignettes of life behind the schoolhouse door Moving from that troubled period to our own the authors compare the anxieties of the depression decade with the uncertainties of the 1970s and 1980s Heirs to an optimistic tradition and trained to manage growth school staff have lately encountered three shortages of pupils money and public confidence Professional morale has dropped as expectations and criticism have mounted Changes in the governing and financing of education have made planning for the future even riskier than usual Drawing on the experience of the 1930s to illuminate the problems of the 1980s the authors lend historical perspective to current discussions about the future of public education They stress the basic stability of public education while emphasizing the unfinished business of achieving equality in schooling

**Black Education** Willy DeMarcell Smith, Eva Wells Chunn, This highly focused collection of papers commissioned by the National Urban League offers a candid and courageous portrait of black education in transition This is a period as the editors note in their opening remarks that is characterized by a huge shift from federal responsibility for minority education to authority and autonomy being lodged at the local government level Further many institutions that once worked well no longer do so Many ambitious social programs and policies that originally promised much have been abandoned have failed or just faded away Pivotal to these times and changes is the question of the extent to which the American educational system has been or still is capable of being responsive to incorporating and even instigating equity and excellence for black Americans This volume asks the hard questions is the educational system geared up for the maintenance of anything other than mainstream values can it adapt to minority youth requirements when why and how do educational policies of majorities and minorities clash How are priorities to be established on the basis of wealth or need The legal statutes and administrative enforcement of equal educational opportunities are explored in depth and with a deep compassion for all parties involved

**Brookings Papers on Education Policy: 1999** Diane Ravitch, 1999-02-01 This second annual issue of the series focuses on the state of urban education in America It provides in depth jargon free analysis of the most important issues in education today from some of the country's leading experts Edited by Diane Ravitch one of the nation's foremost education authorities Brookings Papers on Education Policy is an indispensable guide to understanding education trends and emerging issues Contents include History of Urban Education in this Century by Jeffrey Mirel Emory

*Learning from the Past* Diane Ravitch, Maris A. Vinovskis, 1995-02 Many Americans view today s problems in education as an unprecedented crisis brought on by contemporary social ills In Learning from the Past a group of distinguished educational historians and scholars of public policy reminds us that many of our current difficulties as well as recent reform efforts have important historical antecedents What can we learn they ask from nineteenth century efforts to promote early childhood education or debates in the 1920s about universal secondary education or the curriculum reforms of the 1950s Reflecting a variety of intellectual and disciplinary orientations the contributors to this volume examine major changes in educational development and reform and consider how such changes have been implemented in the past They address questions of governance equity and multiculturalism curriculum standards school choice and a variety of other issues Policy makers and other school reformers they conclude would do well to investigate the past in order to appreciate the implications of the present reform initiatives **Balancing Local Control and State Responsibility for K-12 Education**

Neil D. Theobald, Betty Malen, 2013-10-18 This book examines the impact of state activism on local school autonomy in terms of both financial resources and policy initiatives *The Struggle for the History of Education* Gary McCulloch, 2011-02-25 In The Struggle for History Education Gary McCulloch sets out a vision for a future of study in the history of education which contributes to education history and social sciences alike Heritage Knowledge in the Curriculum Joyce E. King, Ellen E. Swartz, 2018-04-27 Moving beyond the content integration approach of multicultural education this text powerfully advocates for the importance of curriculum built upon authentic knowledge construction informed by the Black intellectual tradition and an African episteme By retrieving examining and reconnecting the continuity of African Diasporan heritage with school

knowledge this volume aims to repair the rupture that has silenced this cultural memory in standard historiography in general and in PK 12 curriculum content and pedagogy in particular This ethically informed curriculum approach not only allows students of African ancestry to understand where they fit in the world but also makes the accomplishments and teachings of our collective ancestors available for the benefit of all King and Swartz provide readers with a process for making overt and explicit the values actions thoughts and behaviors reflected in an African episteme that serves as the foundation for African Diasporan sociohistorical phenomenon events With such knowledge teachers can conceptualize curriculum and shape instruction that locates people in all cultures as subjects with agency whose actions embody their ongoing cultural legacy

**American Education, Democracy, and the Second World War** C. Dorn, 2015-12-25 American Education Democracy and the Second World War examines how U S educational institutions during World War II responded to the dilemma of whether to serve as weapons in the nation s arsenal of democracy or citadels in safeguarding the American way of life By studying the lives of wartime Americans as well as nursery schools elementary and secondary schools and universities Charles Dorn makes the case that although wartime pressures affected educational institutions to varying degrees these institutions resisted efforts to be placed solely in service of the nation s war machine Instead Dorn argues American education maintained a sturdy commitment to fostering civic mindedness in a society characterized by rapid technological advance and the perception of an ever increasing threat to national security

**Daily Life in the United States, 1920-1939** David E. Kyvig, 2001-11-30 During the 1920s and 1930s changes in the American population increasing urbanization and innovations in technology exerted major influences on the daily lives of ordinary people Explore how everyday living changed during these years when use of automobiles and home electrification first became commonplace when radio emerged and when cinema with the addition of sound became broadly popular Find out how worklife domestic life and leisure time activities were affected by these factors as well as by the politics of the time Details of matters such as the creation of the pickup truck the development of radio programming and the first mass use of cosmetics provide an enjoyable read that brings the period clearly into focus Centering its attention on the broad masses of the population this animated reference resource emphasizes the wide variety of experiences of people living through The Roaring Twenties and The Great Depression Readers will be surprised to discover that some of the assumptions we have about the lives of average Americans during these eras are historically inaccurate A final chapter provides a unique look at six American communities and gives a vivid sense of the diversity of American experience over the course of these tumultuous years

**Closing the Opportunity Gap** Prudence L. Carter, Kevin G. Welner, 2013-04-26 While the achievement gap has dominated policy discussions over the past two decades relatively little attention has been paid to a gap even more at odds with American ideals the opportunity gap Opportunity and achievement while inextricably connected are very different goals Every American will not go to college but every American should be given a fair chance to be prepared for college In communities

across the U S children lack the crucial resources and opportunities inside and outside of schools that they need if they are to reach their potential Closing the Opportunity Gap offers accessible research based essays written by top experts who highlight the discrepancies that exist in our public schools focusing on how policy decisions and life circumstances conspire to create the opportunity gap that leads inexorably to stark achievement gaps They also describe sensible policies grounded in evidence that can restore and enhance opportunities Moving beyond conventional academic discourse Closing the Opportunity Gap will spark vital new conversations about what schools parents educators and policymakers can and should do to give all children a fair chance to thrive
