public Interest was aroused by the struggle and success of a man who had few advantages at the outset save his own shrewd sense and generous nature and who moreover was thrown on his own resources to fight the battle of life when he was little more than a child The chief value of these volumes however consists in the fact that they supply an important if not an indispensable chapter in the literary history of England during the first half of the nineteenth century Byron and Scott Lockhart Croker George Borrow Hallam Canning Gifford Disraeli Southey Milman are but a few of the names occurring in these pages the whole list of which it would be tedious to enumerate It may be admitted that a pious desire to do justice to the memory of John Murray the Second the Anax of Publishers as Byron called him led to the inclusion in the original volumes of some material of minor importance which may now well be dispensed with I find however that the work is still so often quoted and referred to that I have asked my friend Mr Thomas Mackay to prepare a new edition for the press I am convinced that the way in which he has discharged his task will commend itself to the reading public He has condensed the whole has corrected errors and has rewritten certain passages in a more concise form I desire to acknowledge my debt to him for what he has done and to express a hope that the public may extend a fresh welcome to an old friend with a new face
