Publishing Game:

The Publishing Challenge for Independent Video Game Developers Odile Limpach, 2020-02-04 Professor Odile Limpach gives independent developers everything they need to succeed in the world of video game publishing. The Publishing Challenge for Independent Video Game Developers: A Practical Guide defines what game publishing means for the indie developer and offers a concise framework to tackle the decision of whether to self-publish or not. Furthermore, the text establishes a catalogue of current known publishers with some salient characteristics and offers a list of useful publishing tools. Along with showcasing testimonials from several young and seasoned developers on their experiences with publishing and partners and recommendations from renowned experts of the industry, this book offers tools, platforms, and guides to game publishing. Key features: Provides a broad overview of the game publishing market; Explores criteria for choosing between a publishing partner or self-publishing; Offers case studies and testimonials from indie game developers and publishers about the process. Professor Odile Limpach teaches economics and entrepreneurship at the Cologne Game Lab, TH Köln Technical University of Cologne. She is also co-founder of the Acceleration Program SpielFabrique 360 and works as a Strategic Consultant for games and serious game projects. Between 2007 and 2014, she was the managing director of the German entertainment software studio Ubisoft Blue Byte. Before she was the managing director of Ubisoft GmbH. She graduated from business school Institut Commercial de Nancy in France and completed her MBA in the United States. Odile Limpach is also involved as a volunteer in the areas of vocational training and acts as a German partner for Games for Change Europe. Furthermore, she acts as an advisor, Conseiller du Commerce Extérieur, for the French Ministry for International Business Development.
