Puerco Espin Porcupines:

¡Nunca Toques Un Puercoespín! / Never Touch a Porcupine! Rosie Greening, 2024-02 You must never touch a porcupine except in this book This bilingual touch and feel book features both Spanish and English text Children will love reading about the different woodland animals they shouldn't touch and then ignoring the advice Innovative silicone touches feature throughout the book with fun things to search and find on every page **Los puercoespines / Porcupines** Sandra Markle, 2008-11-01 The North American porcupine waddles through the forests of North America It sleeps during the day and is active at night when it feeds on tender branches Most animals its size have to be wary of predators but the porcupine is well armed Most of its body is covered by sharp stiff quills Any predator interested in a porcupine meal has to find a way to reach its unprotected belly The porcupine can drive its quills deep into an enemy's skin Animals that have encountered a porcupine's quills know to stay away **Porcupines** Sandra Markle, 2006-11-01 Describes the behavior of porcupines in their native habitat where they are the prey of larger animals **A Dictionary of New Mexico and Southern Colorado Spanish** Rubén Cobos, 2003-06-30 This book continuously in print since 1983 has become a classic Spanish reference book widely used in classrooms across the United States Linguist and folklorist Rubén Cobos now in his nineties has been diligently working on revisions for the past decade Much expanded the number of pages has increased by seventy this revised edition will assume its place as the most authoritative reference on the archaic dialect of Spanish spoken in this region *Maury Maverick* Richard B. Henderson, 1970 Maury Maverick was possibly the first liberal United States Congressman from Texas to achieve national and even international stature A dedicated Democrat he was ready to attack Franklin D Roosevelt whenever he felt that Roosevelt was flagging in his enthusiasm for reform He was honest to the point of rudeness and he belonged to the damn the torpedoes class that pulled ahead regardless of political consequences He was at home with the literate he was a prodigious writer and speaker but always ready to puncture their pretensions And he could cuss with sailors pecan shellers and any breed of saloon keeper Put all that together with a short stocky bulldog frame a fierce face and a voice to match and you have one of the nation's more colorful political figures *The Pipil Language of El Salvador* Lyle Campbell, 2011-07-22 The series builds an extensive collection of high quality descriptions of languages around the world Each volume offers a comprehensive grammatical description of a single language together with fully analyzed sample texts and if appropriate a word list and other relevant information which is available on the language in question There are no restrictions as to language family or area and although special attention is paid to hitherto undescribed languages new and valuable treatments of better known languages are also included No theoretical model is imposed on the authors the only criterion is a high standard of scientific quality To discuss your book idea or submit a proposal please contact Birgit Sievert *Transactions of the American Philosophical Society* , **Mammals, Amphibians, and Reptiles of Costa Rica** Carrol L. Henderson, Steve Adams, Winifred Hallwachs, 2010-12-01 Whether you are a general nature lover a rainforest enthusiast or an

avid international birder you will find that the mix of biology travel tips and photography in this guide will provide you with great information for planning a trip or vivid memories if you have already traveled in Costa Rica The book will leave you eager to return for more adventures in this paradise for both wildlife and people Book Jacket *Field Guide to the Wildlife of Costa Rica* Carrol L. Henderson, 2002-06 At the biological crossroads of the Americas Costa Rica hosts an astonishing array of plants and animals over half a million species Ecotourists birders and biologists come from around the world to immerse themselves in the country's unspoiled rain forests mountains and beaches drawn by the likelihood of seeing more than three or four hundred species of birds and other animals during even a short stay To help all of these visitors and local residents identify and enjoy the wildlife of Costa Rica this field guide presents nearly three hundred species of birds mammals reptiles amphibians butterflies moths and other invertebrates Carrol Henderson an experienced wildlife biologist traveler and tour leader in Costa Rica has chosen the species that ecotourists are most likely to see along with a selection of rarer sought after animals He gives a general introduction to each group of animals followed by individual species accounts that highlight identification features and interesting ecological adaptations for survival His stunning close up photographs and distribution maps complete each entry In addition Henderson includes a wealth of data about Costa Rica's natural environment as well as a trip preparation checklist and lists of conservation organizations wildlife tourism sites and wildlife vocalization tapes and CDs With so much information so readily and readably accessible this field guide will be essential for planning and enjoying your time in Costa Rica
