Puerto Rican Chicago Felix M. Padilla, 1987 Puerto Rican Chicago Wilfredo Cruz, 2004 Puerto Ricans have a long history in Chicago Beginning in the 1920s a handful of middle class Puerto Rican families sent their daughters and sons to study at prestigious universities in the city While most returned to Puerto Rico migration to Chicago peaked during the 1950s and 1960s Enticed by the prospect of a better life for their families and future generations thousands of Puerto Ricans came to Chicago in search of a brighter tomorrow They came to Chicago as American citizens yet still faced rampant discrimination and prejudice In 1950 there were only 255 Puerto Ricans in Chicago today there are over 113 000 Chicago is home to a thriving Puerto Rican community and its members continue to make important contributions to the political educational social and cultural institutions of Chicago A Grounded Identidad Merida M. Rua, 2015 This interdisciplinary study the first book length study of Chicago s Puerto Rican community rooted not simply in contemporary ethnographic source material but also in extensive historical research shows the varied ways Puerto Ricans came to understand their identities and rights within and beyond the city they made home Puerto Rican Chicago Mirelsie Velázquez, 2022-02-01 Winner of the Critics Choice Book awards of the American Educational Studies Association AESA CCBA The postwar migration of Puerto Rican men and women to Chicago brought thousands of their children into city schools These children s classroom experience continued the colonial project begun in their homeland where American ideologies had dominated Puerto Rican education since the island became a US territory Mirelsie Vel zquez tells how Chicago s Puerto Ricans pursued their educational needs in a society that constantly reminded them of their status as second class citizens Communities organized a media culture that addressed their concerns while creating and affirming Puerto Rican identities Education also offered women the only venue to exercise power and they parlayed their positions to take lead roles in activist and political circles In time a politicized Puerto Rican community gave voice to a previously silenced group and highlighted that colonialism does not end when immigrants live among their colonizers A perceptive look at big city community building Puerto Rican Chicago reveals the links between justice in education and a people s claim to space in their new home

Brown in the Windy City Lilia Fernández, 2012-12-12 This title examines the migration and settlement of mexicans and

Puerto Ricans in the postwar era Here Lilia Fernandez reveals how the two populations arrived in Chicago in the midst of tremendous social and economic change and in the midst of declining industrial employment and massive urban renewal projects managed to carve out a geographic and racial place in one of America's great cities *Chicago's Puerto Rican Community* Chicago Metro History Education Center, Allen Schwartz, Marilyn Turkovich, 2000 [Puerto Rican Chicago](#) Felix M. Padilla, 1987 **National Performances** Ana Y. Ramos-Zayas, 2003-07-15 Table of contents **Chicago on the Make** Andrew J. Diamond, 2020-04-07 Effectively details the long history of racial conflict and abuse that has led to Chicago becoming one of America's most segregated cities A wealth of material New York Times Winner of the 2017 Jon Gjerde Prize Midwestern History Association Winner of the 2017 Award of Superior Achievement Illinois State Historical Society Heralded as America's quintessentially modern city Chicago has attracted the gaze of journalists novelists essayists and scholars as much as any city in the nation And yet few historians have attempted big picture narratives of the city's transformation over the twentieth century Chicago on the Make traces the evolution of the city's politics culture and economy as it grew from an unruly tangle of rail yards slaughterhouses factories tenement houses and fiercely defended ethnic neighborhoods into a truly global urban center Reinterpreting the familiar narrative that Chicago's autocratic machine politics shaped its institutions and public life Andrew J Diamond demonstrates how the grassroots politics of race crippled progressive forces and enabled an alliance of downtown business interests to promote a neoliberal agenda that created stark inequalities Chicago on the Make takes the story into the twenty first century chronicling Chicago's deeply entrenched social and urban problems as the city ascended to the national stage during the Obama years *Understanding Paseo Boricua* Emma González Roberts, 2021 Paseo Boricua which loosely translates to Puerto Rican Promenade is the center of Puerto Rican culture business and politics in Chicago Since 2000 the rate of gentrification on Chicago's northwest side where Paseo Boricua is located has increased significantly Community leaders and residents have worked fervently for decades to maintain Paseo Boricua and the surrounding area as a Puerto Rican space by protecting and expanding affordable housing investing in arts and culture and supporting Puerto Rican owned businesses In the context of a place at risk of losing its population and character this thesis asks Why does the preservation of Paseo Boricua as a Puerto Rican cultural enclave matter Through interviews with twenty one community leaders and residents historical research and a review of public media I present three themes that illuminate the significance of Paseo Boricua First the district represents Puerto Rican self determination a reality that is not possible on the island due to its continued colonial status Second the place honors and teaches Puerto Rican identity history and culture As Puerto Ricans have faced centuries of colonization exploitation and oppression Paseo Boricua provides space for Puerto Rican people to celebrate their resiliency and joy Third the distinctive food music art culture and leadership of Paseo Boricua contribute uniquely to the vibrancy and diversity of Chicago I conclude by arguing that the city of Chicago must preserve Paseo Boricua the only officially designated Puerto Rican cultural

district in the United States through concerted policy and planning efforts in partnership with local community leaders This thesis seeks to contribute to the ongoing conversation and strategy regarding how to preserve Puerto Rican culture on Paseo Boricua and why it matters *Latina/o/x Education in Chicago* Isaura Pulido, Angelica Rivera, Ann M. Aviles, 2022-08-09 In this collection local experts use personal narratives and empirical data to explore the history of Mexican American and Puerto Rican education in the Chicago Public Schools CPS system The essays focus on three themes the historical context of segregated and inferior schooling for Latina o x students the changing purposes and meanings of education for Latina o x students from the 1950s through today and Latina o x resistance to educational reforms grounded in neoliberalism Contributors look at stories of student strength and resistance the oppressive systems forced on Mexican American women the criminalization of Puerto Ricans fighting for liberatory education and other topics of educational significance As they show many harmful past practices remain the norm or have become worse Yet Latina o x communities and students persistently engage in transformative practices shaping new approaches to education that promise to reverberate not only in the city but nationwide Insightful and enlightening *Latina o x Education in Chicago* brings to light the ongoing struggle for educational equity in the Chicago Public Schools **Ethnic Chicago** Melvin Holli, Peter d'Alroy Jones, 1995-05-19 A study of ethnic life in the city detailing the process of adjustment cultural survival and ethnic identification among groups such as the Irish Ukrainians African Americans Asian Indians and Swedes New to this edition is a six chapter section that examines ethnic institutions including saloons sports crime churches neighborhoods and cemeteries Includes bandw photos and illustrations Annotation copyright by Book News Inc Portland OR *The Insane Chicago Way* John M. first questions you're asked when you move to Chicago. And the answer you give be it Bucktown, Bronzeville or Bridgeport can give your inquisitor a good idea of who you are especially in a metropolis with so many different neighborhoods and suburbs to choose from. Many of us know little of the neighborhoods beyond those where we work, play and live. This is particularly true in Chicagoland, a region that spans over 4,400 square miles and is home to more than 9.5 million residents. Now historian Ann Durkin Keating's compact guide drawn largely from the bestselling Encyclopedia of Chicago brings the history of Chicago neighborhoods to life. Back cover

Chicago Dominic A. Pacyga, 2024-05-31 Chicago has been called by many names. Nelson Algren declared it a City on the Make. Carl Sandburg dubbed it the City of Big Shoulders. Upton Sinclair christened it The Jungle while New Yorkers naturally pronounced it the Second City. At last there is a book for all of us whatever we choose to call Chicago. In this magisterial biography, historian Dominic Pacyga traces the storied past of his hometown from the explorations of Joliet and Marquette in 1673 to the new wave of urban pioneers today. The city's great industrialists, reformers and politicians and indeed the many not so great and downright notorious animate this book from Al Capone and Jane Addams to Mayor Richard J. Daley and President Barack Obama. But what distinguishes this book from the many others on the subject is its author's uncommon ability to illuminate the lives of Chicago's ordinary people. Raised on the city's South Side and employed for a time in the stockyards, Pacyga gives voice to the city's steelyard workers and kill floor operators and maps the neighborhoods distinguished not by Louis Sullivan masterworks but by bungalows and corner taverns. Filled with the city's one-of-a-kind characters and all of its defining moments, *Chicago: A Biography* is as big and boisterous as its namesake and as ambitious as the men and women who built it.
