Puerto Rican Writers At Home In The Usa An Anthology:

Puerto Rican Writers at Home in the Usa: An Anthology, Handbook of Hispanic Cultures in the United States: Literature and Art Nicolàs Kanellos, Claudia Esteva-Fabregat, Francisco Lomelí, 1993-01-01 Recovering the U S Hispanic Literary Project is a national project to locate identify preserve and make accessible the literary contributions of U S Hispanics from colonial times through 1960 in what today comprises the fifty states of the United States *Ethnic American Literature* Emmanuel S. Nelson, 2015-02-17 Unlike any other book of its kind this volume celebrates published works from a broad range of American ethnic groups not often featured in the typical canon of literature This culturally rich encyclopedia contains 160 alphabetically arranged entries on African American Asian American Latino a and Native American literary traditions among others The book introduces the uniquely American mosaic of multicultural literature by chronicling the achievements of American writers of non European descent and highlighting the ethnic diversity of works from the colonial era to the present The work features engaging topics like the civil rights movement bilingualism assimilation and border narratives Entries provide historical overviews of literary periods along with profiles of major authors and great works including Toni Morrison Maxine Hong Kingston Maya Angelou Sherman Alexie A Raisin in the Sun American Born Chinese and The House on Mango Street The book also provides concise overviews of genres not often featured in textbooks like the Chinese American novel African American young adult literature Mexican American autobiography and Cuban American poetry **A Latino Heritage, Series V** Isabel Schon, 1995 An aid for librarians and teachers interested in exposing students in kindergarten through high school with an understanding and appreciation of the people history and art and political social and economic problems of Central and South American countries and Latino heritage people in the United States *Latino Literature in America* Bridget Kevane, 2003-12-30 There is growing awareness of the tremendous impact Latino writers have had on the recent literary scene yet not all readers have the background to fully appreciate the merits and meanings of works like House on Mango Street Line of the Sun Bless Me Ultima and In the Time of Butterflies Offering analysis of their most important popular and frequently assigned fictional works this book surveys the contributions of eight notable Latino writers Julia Alvarez Rodolfo Anaya Sandra Cisneros Junot Díaz Christina Garza Oscar Hijuelos Ortiz Cofer and Ernesto Quiroga Each chapter gives biographical background on the author and clear literary analysis of the selected works including a concise plot synopsis Delving into the question of cultural identity each work is carefully examined not only in terms of its literary components but also with regard to the cultural background and historical context This book illuminates such themes as acculturation generational differences immigration assimilation and exile Language religion and gender issues are explored against the cultural backdrop along with the social impact of such historical events as Operation Bootstrap in Puerto Rico the early days of Castro's Cuba and the Trujillo Dictatorship in the Dominican Republic Students and teachers will find their reading experiences of U S Latino works enriched with the literary and cultural perspectives

offered here A list of additional suggested reading is included *A Companion to US Latino Literatures* Carlota Caulfield, Darién J. Davis, 2007 A panorama of literature by Latinos whether born or resident in the United States *Gang Nation* Monica Brown, 2002 Explores how Latino gang culture mirrors the most destructive aspects of the American Dream through a look at novels and memoirs There s a place for us Somewhere a place for us With the emergence of a rich body of literature chronicling the experiences of Latino and Latina gang members popular understanding of this outlaw culture has advanced far beyond West Side Story However the diverse works discussed in this important book ranging from the breakthrough 1967 memoir *Down These Mean Streets* and the crime novel *Carlito s Way* to the play *Zoot Suit* and the World War II era historical novel *Don t Spit on My Corner* to more recent works such as *Always Running* *La Vida Loca* *Gang Days in L A* and Chicana gang narratives like *Locas* and *Two Badges* all share with the award winning musical a crucial discourse on nationality citizenship and belonging In *Gang Nation* Monica Brown offers a sophisticated analysis of these narratives produced by former gang members and by outside observers writing within the Latino community She examines the ubiquity of language and behavior within this literature that reveal the frustrated longings within gangs for greater participation in America s national culture and the desire of members to craft an alternative environment in which they are welcome Through literature and memoirs written from within the culture Brown illustrates how these youth mimic the rhetoric and rituals of American nationalism s most destructive aspects intense territoriality justification of violence and cultural chauvinism to assert their citizenship in an alternative nation Before now studies of gang culture have centered on either the choices of individual members or the social forces that inspire their unfocused rage But through Latino and Chicano gang literature Brown provides a more nuanced portrait of that culture one that raises broader concerns about dominant nationalism civil rights the criminalization of urban youth of color and the often unfulfilled sense of communal identity and acceptance among American youth *Latin American Women Writers* Kathy S. Leonard, 2007-09-19 There is a wealth of published literature in English by Latin American women writers but such material can be difficult to locate due to the lack of available bibliographic resources In addition the various types of published narrative short stories novels novellas autobiographies and biographies by Latin American women writers has increased significantly in the last ten to fifteen years To address the lack of bibliographic resources Kathy Leonard has compiled *Latin American Women Writers A Resource Guide to Titles in English* This reference includes all forms of narrative short story autobiography novel novel excerpt and others by Latin American women dating from 1898 to 2007 More than 3 000 individual titles are included by more than 500 authors This includes nearly 200 anthologies more than 100 autobiographies biographies or other narrative and almost 250 novels written by more than 100 authors from 16 different countries For the purposes of this bibliography authors who were born in Latin America and either continue to live there or have immigrated to the United States are included Also titles of pieces are listed as originally written in either Spanish or Portuguese If the book was originally written in English a phrase to that effect is

included to better reflect the linguistic diversity of narrative currently being published This volume contains seven indexes Authors by Country of Origin Authors Titles of Work Titles of Work Authors Autobiographies Biographies and Other Narrative Anthologies Novels and Novellas in Alphabetical Order by Author and Novels and Novellas by Authors Country of Origin Reflecting the increase in literary production and the facilitation of materials this volume contains a comprehensive listing of narrative pieces in English by Latin American women writers not found in any other single volume currently on the market This work of reference will be of special interest to scholars students and instructors interested in narrativ **Boricua**

Literature Lisa Sánchez-González, 2001-08 Since the invasion and colonization of Puerto Rico in 1898 all Puerto Ricans are both American citizens and colonial subjects by birth according to international law Over a third of this population currently lives in the continental U S forming one of the nation s most significant minority communities Yet no complete study of mainland Puerto Rican or Boricua literature has been written Until now Boricua Literature is the first literary history of the Puerto Rican colonial diaspora The result of a decade of research in archives and special collections in the Caribbean and in the U S Lisa Sánchez González argues that the writing of the Puerto Rican diaspora should be considered an integral field of study Covering 100 years of Boricua literary history each chapter looks at the single writer or group of writers who are most emblematic of their respective generation from William Carlos Williams and Arturo Schomburg to latina feminism and salsa music The story of an American community of color Boricua Literature is also about contemporary critical race and gender studies Unlike virtually all studies concerning mainland Puerto Rican writing Lisa Sánchez González is less concerned with cultural identity than with unearthing a substantive cultural intellectual history The first explicitly literary historical analysis of Boricua Literature this definitive study proposes a new and discreet area of literary historical research in American studies

Multicultural American Literature A. Robert Lee, 2003 Table of contents *New York Fictions* Peter Brooker, 2017-09-08 In this original study Peter Brooker takes issue with the simplified opposition of postmodernism to modernism in accounts of the modern period Instead he follows the course of modernity in the spectacular example of New York to reveal the complexities of both modernist and postmodern responses to the city Brooker s study refers us to the fiction of Doctorow Don DeLillo and Toni Morrison and especially to the new urban ethnic writing Here the voice of creative dissent and cultural hybridity expresses the best in a tradition of American newness this Peter Brooker calls the new modern The text is an important contribution to contemporary debates on modernism and postmodernism providing a thorough interdisciplinary study of new American writing within the socio economic context of New York City and will be of great interest to students of American Studies Cultural Studies and Literature **Historical Dictionary of U.S. Latino Literature** Francisco A.

Lomelí, Donaldo W. Urioste, María Joaquina Villaseñor, 2016-12-27 U S Latino Literature is defined as Latino literature within the United States that embraces the heterogeneous inter groupings of Latinos For too long U S Latino literature has not been thought of as an integral part of the overall shared American literary landscape but that is slowly changing This dictionary

aims to rectify some of those misconceptions by proving that Latinos do fundamentally express American issues concerns and perspectives with a flair in linguistic cadences familial themes distinct world views and cross cultural voices The Historical Dictionary of U S Latino Literature contains a chronology an introduction and an extensive bibliography The dictionary section has cross referenced entries on U S Latino authors and terms relevant to the nature of U S Latino literature in order to illustrate and corroborate its foundational bearings within the overall American literary experience This book is an excellent access point for students researchers and anyone wanting to know more about this subject

Daughters of the Diaspora Miriam DeCosta-Willis, 2003 *Daughters of the Diaspora* features the creative writing of 20 Hispanophone women of African descent as well as the interpretive essays of 15 literary critics The collection is unique in its combination of genres including poetry short stories essays excerpts from novels and personal narratives many of which are being translated into English for the first time They address issues of ethnicity sexuality social class and self representation and in so doing shape a revolutionary discourse that questions and subverts historical assumptions and literary conventions Miriam DeCosta Willis's comprehensive Introduction biographical sketches of the authors and their chronological arrangement within the text provide an accessible history of the evolution of an Afro Hispanic literary tradition in the Caribbean Africa and Latin America The book will be useful as textbook in courses in Africana Studies Women's Studies Caribbean Latina and Latin American Studies as well as courses in literature and the humanities

Latina Self-portraits Bridget A. Kevane, Juanita Heredia, 2000 *Embracing Chicana Cuban Dominican and Puerto Rican writers and writers descended from a combined U S and Latin American heritage* Latina literature is one of the fastest growing and most exciting fields in fiction This literature is characterized by revisionist views of recent history a concern with exile and borders a blending of genres and a complex understanding of the term feminist In these ten interviews Kevane and Heredia give writers the opportunity to talk about how they began to write the craft of writing the conjunction of life art and politics literary influences and their goals as artists Readers will meet Julia Alvarez Denise Chavez Sandra Cisneros Rosario Ferrer Cristina Garcia Nicholasa Mohr Cherr e Moraga Judith Ortiz Cofer Esmeralda Santiago and Helena Maria Viramontes The writers' personal and literary journeys vividly portrayed in these interviews will enrich and enhance the readers' understanding of this exciting field The volume also includes bibliographies of the writers' work

A Study Guide for Jack Agueros's "Dominoes" Gale, Cengage Learning, 2016-07-14 *A Study Guide for Jack Agueros's Dominoes* excerpted from Gale's acclaimed *Short Stories for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Short Stories for Students* for all of your research needs

Beyond the Archives Gesa E Kirsch, Liz Rohan, 2008-04-03 *Beyond the Archives* Research as a Lived Process presents highly readable narratives that demystify and illuminate the research process by showing how personal experiences family history and scholarly research intersect Editors Gesa E Kirsch and Liz Rohan emphasize how important it

is for researchers to tap into their passions pursuing research subjects that attract their attention with creativity and intuition without limiting themselves to traditional archival sources and research methods Eighteen contributors from a number of disciplines detail inspiring research opportunities that led to recently published works while offering insights on such topics as starting and finishing research projects using a wide range of types of sources and methods and taking advantage of unexpected leads chance encounters and simple clues In addition the narratives trace the importance of place in archival research the parallels between the lives of research subjects and researchers and explore archives as sites that resurrect personal cultural and historical memory

Telling Their Stories Jean Peterman, 2019-07-09 Abortion and the right of a woman to control her fertility cross boundaries of race ethnicity and social class In this revealing and in depth study Jean P Peterman focuses on a group of Puerto Rican women in Chicago whose decisions about abortion highlight the contradictions between the sexually conservative ethnic and religious beliefs of this community and the fact that Latina women including Puerto Rican women have abortions at a rate one and a half times as high as non Latinas For more than half the women Peterman interviewed their decision to have an abortion allowed them to maintain opportunities for themselves or to resist male control Despite their resistance to traditional gender roles their Puerto Rican identity remains strong The term cultural story coined by sociologist Laurel Richardson explains how cultures create and support their social worlds their cultural and social frameworks as well as beliefs about home community sex roles and family A collective story is an oppositional story a form of resistance and a catalyst for change In this book the stories recounted by these women involve struggles against barriers intrinsic to their social structure such as poverty prejudice and discrimination that ultimately shape newfound feelings of independence inner strength and control over their own fertility and their lives
