CONTEXTUAL COMMENTARY Dr. Robert R. Seyda, 2024-05-16 Here John advises us that loving one another is not an option or a suggestion it is a commandment John doesn't want any believer to become like Adam and Eve's firstborn Cain That happened because Cain was under the influence of Satan This is therefore a warning not to mess with the world So what if they hate us We are bound for everlasting life in the presence of God That's why death has no power over us And that's why if our thoughts do not tell us that we are guilty we will not be afraid to come to God We can pray to God and we can ask Him to help us He will give us what we ask Him for That is because we obey His commands and we do the things that please Him Furthermore we should all love each other because God makes us able to love other people Everyone who loves other people confirms our claim to be a child of God If anyone says clearly that Jesus is the Son of God God lives in that person And that person lives together with God We know the kind of love that God has for us That's why if we love God we will not be afraid of Him So how do we know that we love God's children We know it when we love God and we do what He tells us to do *The Harbinger* Jonathan Cahn, 2011 An anonymous man has received nine seals from The Prophet with each seal containing mysterious sayings and prophecies from the Book of Isaiah about America's recent past and possible future destruction Is Divine Healing For Today? Leland McClanahan, 2013-05-31 Divine healing is a controversial subject with some people and some denominations Many theologians disagree on this subject There are so many sick in the world today We cannot seem to build enough hospitals Even with the latest technical advances and discoveries there are still diseases sicknesses and malfunctions of the human body that people of science and medicine cannot understand nor prescribe a cure remedy Many of the sick people are in the church Illness does not seem just to plague churchless people but the church going including even Bible believers seem to be just as ill as the people that have nothing to do with God and His church The book is an outgrowth of a syllabus that the writer spent over seven months studying categorizing and outlining what the Bible itself has to say about healing The history books were not consulted The popular and non popular books of famous

people on healing were not sought The writer does not have all the answers but he does have some good answers The library of Sixty six books has been used This Book is meant to be presented with biblical material from the stance of the middle of road Is there still any hope for the incurable and curable disease being remedied Does the Christian believer that believer in the efficacy of the blood of Jesus the virgin birth the soon return of our Lord and the resurrection of the dead have any hope for the wellness of his physical being Has the God of miracles the creator the maker of the most wonderful machine ever made the body the calmer of the winds and the waves the sea walker the healer in sacred writ ceased to do his historical deeds in this modern day In 2 Kings chapter 2 14 Elisha in seeking God s remedy said Where is the Lord God of Elijah The subsequent words will mainly present what the ancient book the Bible has to say about this subject Is Divine Healing for Today Let us come look together and spend some time examining what the Word says Time ,1887
