Rage Of A Demon E.D. Jimenez,2018-03-26 Uncover the secrets of a hero greater than gods Kanaka is a simple girl in a simple village If you ignore the wall of lava and screams of death that surrounds it After being forcibly removed from her village she goes on a journey to uncover the truth of her family It sounded simple until the threat of the demon god that her father trapped a thousand years ago getting released loomed over her Now she must join forces with unlikely allies to prevent a world wide catastrophe

Pumpkin Cindy Ott,2012-12-01 Why do so many Americans drive for miles each autumn to buy a vegetable that they are unlikely to eat While most people around the world eat pumpkin throughout the year North Americans reserve it for holiday pies and other desserts that celebrate the harvest season and the rural past They decorate their houses with pumpkins every autumn and welcome Halloween trick or treaters with elaborately carved jack o lanterns Towns hold annual pumpkin festivals featuring giant pumpkins and carving contests even though few have any historic ties to the crop In this fascinating cultural and natural history Cindy Ott tells the story of the pumpkin Beginning with the myth of the first Thanksgiving she shows how Americans have used the pumpkin to fulfill their desire to maintain connections to nature and to the family farm of lore and ironically how small farms and rural communities have been revitalized in the process And while the pumpkin has inspired American myths and traditions the pumpkin itself has changed because of the ways people have perceived valued and used it Pumpkin is a smart and lively study of the deep meanings hidden in common things and their power to make profound changes in the world around us
