Pumpkins Time To Discover Scholastic Readers:

The Storytime Handbook Nina Schatzkamer Miller, 2014-01-27 Fresh fun ideas for children's storytime fill this book. The author, a long-time storytime facilitator, has put together 52 weekly themes plus additional plans for holidays, all with detailed instructions for talking about the theme and choosing the books, crafts, songs, poems, games, and snacks. Each storytime idea is illustrated with photographs of a suggested craft and snack for easy reference. Libraries, bookstores, preschools, and parents alike can use this book to offer themed storytimes that include discussion, literature, art, music, movement, and food. Options are provided for each storytime so the ideas can be used year after year. [The Readiness Year, Grades PK - K](#) Kitzman, Gunzenhauser, 2013-01-02 The Readiness Year is a perfect guide for helping children get ready for school. It includes sections on what students need to know to succeed in kindergarten assessments, tips for creating the perfect readiness classroom, and instructional units to promote higher-level thinking. Get students ready with The Readiness Year. 160 pages. **Learning Centers in Kindergarten, Grade K** M.C. Hall, Loman, 2008-08-26 Keep students engaged with Learning Centers in Kindergarten. This 176-page book includes suggestions for how to set up learning centers, arrange the room with appropriate furniture, determine the number of students at each center, move in and between centers, develop activities, and find materials. It supports the Four Blocks Literacy Model and includes ideas for center time and month-by-month activities for eight centers. *The Picture Book Almanac* Nancy J. Polette, 2015-11-10 This essential guide has exactly the right books to help you celebrate special days throughout the year, even holidays you've never heard of, and provides hundreds of fun titles and activities that could inspire your students to become life-long readers. Young students need to continually be presented with a vast variety of types of books, authors, illustrators, and subject matter in order to find the perfect concept or image that sparks their imagination, takes their comprehension to a new level, or helps them turn the corner to becoming a book lover. Nancy J. Polette's *The Picture Book Almanac: Picture Books and Activities to Celebrate 365 Familiar and Unusual Holidays* can be used year-round as a key to open that great literary treasure vault. The books Polette has painstakingly selected for their value as learning opportunities tie into both familiar and unusual holidays, ranging from official nationally recognized holidays to obscure ones such as Milk Day and Thesaurus Day. The daily featured book titles cover the classics such as books in the Paddington Bear series and Cinderella, to outstanding current and just-published titles, collectively representing the best choices for collection building over time. This book is an excellent tool for collection development as well as an indispensable resource for reading teachers and classroom teachers. **From Pumpkin Time to Valentines** Susan Ohanian, 1994-08-15 Keep students happily focused on learning during two of the most exciting holidays of the year for the elementary classroom: Halloween and Valentine's Day. Poems and excerpts are used as launching points for such projects as writing spooky tongue twisters or designing animal valentine cartoons. Reproducible language arts strategies teach word play, interviewing, letter writing, research skills, problem solving, and metaphorical language while encouraging

divergent thinking Grades 1 5 *Planning the Pre-5 Setting* Christine Macintyre, Kim McVitty, 2013-07-04 Written for teachers nursery nurses students and parents by experienced nursery staff this is an essential guide to organizing resourcing and teaching in pre school settings **Transforming Preschool Storytime** Betsy Diamant-Cohen, Melanie A. Hetrick, 2013-06-18 According to recent research the best way to make new connections in a child's brain is by building on something already known A child who loves a book will listen to it repeatedly maintaining interest Using a selected book in a number of consecutive preschool storytimes but presenting it differently each time can help children learn new skill sets This book presents a new approach to storytime one that employs repetition with variety to create an experience which helps children connect and engage with the story on a higher level Diamant Cohen recently awarded the 2013 ASCLA Leadership and Professional Achievement Award and Hetrick offer a year's worth of activities specifically designed to address multiple intelligences through a repetition based process Incorporating recent theories on developmental learning this book includes Scripts for 8 different books with enough activities to repeat each one for six weeks along with lists of optional alternative books Planning aids such as outlines of storytime sessions a fill in the blanks planning sheet questions for evaluation and tips for enhanced storytimes using props and crafts Detailed but straightforward explanations of theory and research that will help readers communicate effectively with parents caregivers and other stakeholders From setup to execution here's everything you need to create and implement a successful elevated storytime Pumpkins Melvin Berger, 2004 **Great Books for Babies and Toddlers** Kathleen Odean, 2008-12-18 The ideal time to begin sharing books with children is during babyhood even with children as young as six weeks Starting Out Right National Research Council All parents hope to give their children the best possible start in life Many of them know it's a good idea to read to their children at a very young age not with the goal of teaching their kids to read but with the joy of having special time together looking at pictures and playing with words Carefully chosen books that introduce children to the pleasures of language simple story structure and wonderful artwork are the foundation for a future love of books Great Books for Babies and Toddlers is the first book of its kind a guide to the best age appropriate children's books available Compiled by Kathleen Odean former Chair of the Newbery Award Committee Great Books for Babies and Toddlers provides lively annotations for more than five hundred books divided into two helpful categories Nursery Rhymes Fingerplays and Songs and Picture Story Books for the Very Young With story selections ranging from such classics of children's literature as Goodnight Moon and Where's Spot to excellent new books like How Does a Dinosaur Say Good Night and Buzz Great Books for Babies and Toddlers will be more than a cherished guide for parents it will also be a child's first step in the lifelong adventure of reading Children's Books in Print R R Bowker Publishing, Bowker, 1999-12 Storybook Seasons on the Net Ru Story-Huffman, 2002 Provides media specialists and teachers with 24 Internet activities for students K 3 based on picture books about seasons and weather Combines children's literature with the Internet in teaching templates that promote research skills and critical thinking **Storytimes for**
