**Lauren-Brooke Eisen**

## **Punishment For Profit Private Prisons Public Concerns:**

**Punishment for Profit** David Shichor, 1995-01-17 Shichor criminal justice California State U San Bernardino offers a review of the literature on privatization of prisons of interest to researchers policymakers correctional officers and advanced students He raises fundamental questions about the functions of state and government the limits of civil liberties and the relevance of a util

*Private Prisons and Public Accountability* Richard Harding, 2018-04-27 Private prisons have become an integral part of the penal system in the United States the United Kingdom and Australia There already are over 100 such prisons in these countries and with the number of prisoners continuing to increase rapidly the trend toward privatization seems irreversible In this context Richard Harding addresses the following issues the contributions positive or negative that private prisons make to providing custody for offenders whether or not private prisons stimulate improvement within the public prison system and the difficulties with the regulation and accountability of private prisons This book sets out to explore the contribution of private prisons to custodial practices standards and objectives Many experts believe that properly regulated and fully accountable private prisons could lead to improvement within the public prison system which has long been degenerate and demoralized Harding sees the total prison system as a single entity with two components public and private He relies upon extensive fieldwork and draws upon published literature as well as in house documentation discussions with public and private authorities and a range of government documents Key issues covered in *Private Prisons and Public Accountability* are overcrowding program delivery prisoners rights quality of staff and financial control This volume will be a significant addition to the criminal justice literature but it will also appeal to sociologists policymakers and scholars interested in the privatization of various institutions in our society

**Inside Private Prisons** Lauren-Brooke Eisen, 2017-11-07 When the tough on crime politics of the 1980s overcrowded state prisons private companies saw potential profit in building and operating correctional facilities Today more than a hundred thousand of the 1.5 million incarcerated Americans are held in private prisons in twenty nine states and federal corrections Private prisons are criticized for making money off mass incarceration to the tune of 5 billion in annual revenue Based on Lauren Brooke Eisen's work as a prosecutor journalist and attorney at policy think tanks *Inside Private Prisons* blends investigative reportage and quantitative and historical research to analyze privatized corrections in America From divestment campaigns to boardrooms to private immigration detention centers across the Southwest Eisen examines private prisons through the eyes of inmates their families correctional staff policymakers activists Immigration and Customs Enforcement employees undocumented immigrants and the executives of America's largest private prison corporations Private prisons have become ground zero in the anti mass incarceration movement Universities have divested from these companies political candidates hesitate to accept their campaign donations and the Department of Justice tried to phase out its contracts with them On the other side impoverished rural towns often try to lure the for profit prison industry to build facilities and create new jobs Neither an

endorsement or a demonization Inside Private Prisons details the complicated and perverse incentives rooted in the industry from mandatory bed occupancy to vested interests in mass incarceration If private prisons are here to stay how can we fix them This book is a blueprint for policymakers to reform practices and for concerned citizens to understand our changing carceral landscape

**Prison Privatization** Byron Eugene Price, John Charles Morris, 2012-09-20 This book examines the current state of both the theory and practice of prison privatization in the United States in the 21st century providing a balanced compendium of research that allows readers to draw their own conclusions about this controversial subject This three volume set brings together noted scholars and experts in the field to provide a comprehensive treatment of the subject of privatized prisons in the United States It is a definitive work on the topic that synthesizes current thought on both the theory and practice of prison privatization Volume I provides a broad brush overview of private prisons that discusses the history of prison privatization and examines the expansion of the private prison industry and the growth of inmate populations in the United States Volume II focuses on the corrections industry itself providing essays that explore the business models profit motivations economic factors and operations of the corporations that offer corrections services while Volume III explores the political and social environment of prison privatization Academics practitioners policy makers and advocates for and against private prisons will find this work useful and enlightening while general readers can use the unbiased information to draw their own conclusions in respect to the merits of prison privatization

**A Liberal Theory of Practical Morality** Earl Spurgin, 2021-05-25 Moral issues and questions abound in daily life Media outlets frequently raise awareness of many such as those concerning individuals right to privacy The same venues seldom if ever raise awareness of others such as moral issues and questions concerning our fantasies Regardless of the level of publicity various venues afford particular moral matters most people who become aware of those matters find many interesting and important A problem most encounter however is determining the criteria through which they should approach the moral matters they wish to engage Ethicists have long sought a moral theory that would provide the desired criteria but most will grant readily that those efforts have not produced a generally accepted theory This book presents the author's case that a kind of moral liberalism is the theory we should use to engage daily life's moral matters The author presents a conception of moral liberalism argues that it is the best approach to practical morality in a plural society and applies it to several of morality's practical matters

**Addicted to Incarceration** Travis C. Pratt, 2009 Provides a thorough understanding of the nature and scope of incarceration

Encyclopedia of Prisons and Correctional Facilities Mary Bosworth, 2004-12-15 The two volume Encyclopedia of Prisons and Correctional Facilities aims to provide a critical overview of penal institutions within a historical and contemporary framework Issues of race gender and class are fully integrated throughout in order to demonstrate the complexity of the implementation and intended results of incarceration The Encyclopedia contains biographies articles describing important legal statutes and detailed and authoritative descriptions of the major prisons in the United States

Comparative data and examples are employed to analyze the American system within an international context The Encyclopedia's 400 entries are written by recognized authorities The appendix contains a comprehensive listing of every federal prison in the U S complete with facility details and service information *Corrections* Michael Welch, 2013-10-14

*Corrections A Critical Approach* 3rd edition confronts mass imprisonment in the United States a nation boasting the highest incarceration rate in the world This statistic is all the more troubling considering that its correctional population is overrepresented by the poor African Americans and Latinos Not only throwing crucial light on matters involving race and social class this book also identifies and examines the key social forces shaping penal practice in the US politics economics morality and technology By attending closely to historical and theoretical development the narrative takes into account both instrumental goal oriented and expressive cultural explanations to sharpen our understanding of punishment and the growing reliance on incarceration Covering five main areas of inquiry penal context penal populations penal violence penal process and penal state this book is essential reading for both undergraduate and graduate students interested in undertaking a critical analysis of penology **Where Are All the Young Men and Women of Color?** Melvin Delgado, 2001-09-26

When it comes to social work practice in community outreach programs in juvenile detention centres in prisons in parole and probation programs and in the inner cities Melvin Delgado asks the question Where are all the young men and women of color Although many urban residents especially persons of color are or have been involved in the juvenile and or criminal justice system the topic of criminal offenders and ex offenders has been much neglected by the human services literature This book stands as the only work to discuss correctional supervision and the needs of individuals in a nonprescriptive manner marking a shift toward a capacity enhancement or strengths perspective approach specifically what are the strengths of individuals and how can they capitalize on them Delgado includes a section of reflections from the field that applies capacity enhancement principles and methods to case studies **American Prisons** David Musick, Kristine Gunsaulus-Musick, 2017-05-18

Imprisonment has become big business in the United States Using a history of ideas approach this book examines the cultural underpinnings of prisons in the United States and explores how shared ideas about imprisonment evolve into a complex loosely connected nationwide system of prisons that keeps enough persons to populate a small nation behind bars razor wire and electrified fences Tracing both the history of the prison and the very idea of imprisonment in the United States this book provides students with a critical overview of American prisons and considers their past their present and directions for the future Topics covered include a history of imprisonment in America from 1600 to the present day the twentieth century prison building binge the relationship between U S prisons and the private sector a critical account of capital punishment less visible prison minorities including women children and the elderly and sex violence and disease in prison This comprehensive book is essential reading for advanced courses on corrections and correctional management and offers a compelling and provocative analysis of the realities of American penal culture from

past to present It is perfect reading for students of criminal justice corrections penology and the sociology of punishment

Lawful Order Leo Carroll,2005-09-14 Prisons remain a controversial topic for debate in our society While few doubt the necessity of their existence there is considerable debate over their purpose organization and processes Do prisons exist to rehabilitate punish or simply incarcerate How do we judge prison conditions If those conditions are found to be unacceptable how do we change them What are a prisoner s rights This book charts the history of Rhode Island s Adult Correctional Institutions over the past 40 years Professor Carroll examines the radical transformation of Rhode Island prisons in response to changes in their external environment and determines that the transformation can be seen to manifest five distinct stages patriarchy anarchy restoration threat and consolidation Outlandish Perspectives on Public Administration Charles T.

Goodsell,2021-11-29 Not all collections of an author s past works need be a dull revisitation of the best forgotten This book brings together Charles T Goodsell s works on public administration some of which are of ancient vintage or go outside the field for inspiration possibly earning the appellation outlandish Such essays draw from fields including symbol analysis theory of art room phenomenology and theories of public space The book also deals with more orthodox topics such as bureau culture government contracting and the early New Deal The author s methodological biases placed in full view will assure controversy The book ends by encouraging young new scholars to have fun by picking unusual topics and treating them at a fresh angle **Public Personnel Management** Norma M. Riccucci,2015-07-14 Updated in a new 5th edition Public

Personnel Management by Norma M Riccucci is a concise and accessible reader containing all original articles addressing the most current issues in public personnel management Written expressly for the text by leading scholars all of the articles are either new to this edition or substantially revised Each article focuses on specific often controversial issues in public personal management such as comparative personnel management pensions sexuality health succession planning unions and the multi generational workforce **The End of Sovereignty?** Transatlantic Policy Consortium. Annual Colloquium,2006

The second volume of the Transatlantic Public Policy Series comprises contributions by members of the Transatlantic Policy Consortium TPC The 17 provocative contributions focus on the concept of internal and external sovereignty which is critical on both sides of the Atlantic It is not easy to articulate the domain and limits of the state s control of its resources its capacity to coerce activities within its borders its powers to treat other states as co equals across a border or even implement its own defense trade or regulatory policies The volume provides a unique insight into these problems from a European and US perspective **Orange-collar Labor** Michael Gibson-Light,2023 A critical and cutting edge examination of modern prison

labor The United States is home to the most expansive prison system on Earth In addition to holding nearly a quarter of the world s legal captives this nation puts them to work Close to two thirds of those held in U S state prisons hold some sort of job while incarcerated For these imprisoned people the carceral institution is not only a place of punishment but a workplace as well Yet very little is known about the world of work behind bars In order to illuminate the black box that is modern prison

labor this book marshals 18 months of ethnographic observations within one of America's medium security prisons as well as 82 interviews with currently incarcerated men and the institutional staff members tasked with overseeing them Pulling together these accounts it paints a picture of daily labors on the inside showing that not all prison jobs are the same nor are all imprisoned workers treated equally While some find value and purpose in higher paying more desirable jobs others struggle against monotony and hardship in lower paying deskilled work assignments The result is a stratified prison employment system in which race ethnicity nationality and social class help determine one's position in the labor hierarchy and as a result their experiences of incarceration and ability to prepare for release Through insightful first hand perspectives and rich ethnographic detail *Orange Collar Labor* takes the reader inside the prison workplace illustrating the formal prison economy as well as the informal black market on which many rely to survive Highlighting moments of struggle and suffering as well as hard work cooperation resistance and dignity in harsh environments it documents the lives of America's working prisoners so often obscured from view

**Handbook on Prisons** Yvonne Jewkes, 2012-08-21 Focusing on prisons this title is a useful reference for practitioners working in prisons and other parts of the criminal justice system It explores a range of historical and contemporary issues relating to prisons imprisonment and prison management

**The Changing Career of the Correctional Officer** Don A. Josi, Dale K. Sechrest, 1998-03-10 This is an introductory text on the changing nature of correctional officer careers focusing on personnel management and organizational issues

**Criminal Justice Ethics** Cyndi Banks, 2018-12-31 Criminal Justice Ethics examines the criminal justice system through an ethical lens by identifying ethical issues in practice and theory exploring ethical dilemmas and offering suggestions for resolving ethical issues and dilemmas faced by criminal justice professionals Bestselling author Cyndi Banks draws readers into a unique discussion of ethical issues by first exploring moral dilemmas faced by professionals in the criminal justice system and then examining the major theoretical foundations of ethics This distinct and unique organization allows readers to understand real life ethical issues before grappling with philosophical approaches to the resolution of these issues

**Privatization in Criminal Justice** Michael J Gilbert, David Schichor, 2001-01-01 Privatization of Criminal Justice

Penal Systems Michael Cavadino, James Dignan, 2005-10-26 Cavadino and Dignan's *Penal Systems A Comparative Approach* looks across national boundaries to see how penal systems differ and why It is hands down the most comprehensive and up to date book on the subject and should become a staple textbook for use in law and social science courses on comparative penal policy and practice Michael H Tonry University of Minnesota This book is an important addition to the literature on punishment It is a highly readable and very well researched overview of some of the major differences in punitiveness between neo liberal corporatist and social democratic countries This is a major contribution to comparative penology by two of the leading authors in this field Alison Liebling Director of the Prisons Research Centre UK A major and seminal work David Downes Professor Emeritus at the London School of Economics *Penal Systems A Comparative Approach* is a comprehensive and original introduction to the

comparative study of punishment Analysing twelve countries Cavadino and Dignan offer an integrated and theoretically rigorous approach to comparative penology They draw upon material provided by a team of eminent penologists to produce an important and highly readable contribution to scholarship in this area Early chapters introduce the reader to comparative penology set out the theoretical framework and consider whether there is currently a global penal crisis Each country is then discussed in turn Chapters on comparative youth justice and the privatization of prisons follow Comparisons between countries are drawn within each chapter giving the reader a synoptic and truly comparative vision of penalty in different jurisdictions

This is likewise one of the factors by obtaining the soft documents of this **Punishment For Profit Private Prisons Public Concerns** by online. You might not require more mature to spend to go to the books launch as without difficulty as search for them. In some cases, you likewise realize not discover the broadcast Punishment For Profit Private Prisons Public Concerns that you are looking for. It will entirely squander the time.

However below, bearing in mind you visit this web page, it will be so completely simple to get as without difficulty as download lead Punishment For Profit Private Prisons Public Concerns

It will not understand many epoch as we run by before. You can pull off it even though operate something else at house and even in your workplace. in view of that easy! So, are you question? Just exercise just what we come up with the money for below as capably as review **Punishment For Profit Private Prisons Public Concerns** what you subsequently to read!
