**The Oxford Handbook of Caste** ,2023-10-31 Beginning with the 1990s the subject of caste has seen a profound increase in interest among scholars What was until then approached as a fossilized tradition of the ritual obsessed Hindus refusing to see the progressive spirits of the emerging world and studied as a branch of anthropology suddenly began to be seen as a complex reality deeply embedded in a range of institutions and social practices attracting scholars from a wide range of disciplines sociology political science history literature and even economics Underlying this opening of the subject of caste were many factors epistemic empirical and political Caste is no longer approached through the classical binaries of traditional and modern the East and the West or the closed and open systems of stratification With the growing consolidation of caste based identities among those ranked lower down in the hierarchy since the 1990s raising questions of citizenship and dignity the subject has acquired a new salience As the emerging research shows the realities of caste on the ground have always been diverse across regions often contested and ever changing This Handbook presents a wide range of essays written by authors representing diverse academic disciplines and perspectives bringing together the emerging trends in the research imaginations and lived realities of caste

**Bibliography on Scheduled Castes, Scheduled Tribes, and Selected Marginal Communities of India: A-K series.-[2]L-Z series** India. Office of the Registrar General,1970 *19th Century Punjabi Society* Dr. Manveer Kaur,2022-12-28 The proposed book intends to focus on the study of the society in the Punjab during the late 19th century through the Census reports of 1868 and 1881 and highlight the early trends of social change in the region as a result of colonial rule An attempt is made for an in depth analysis of the census reports of 1868 and 1881 Though the period of this research is short yet the abundant information provided by the census can give us a clearer picture of the society at that particular point of time It is an exercise to make optimum use of the census to study trends in the society and degree of social

change in the Punjab during the late 19th century      *A Glossary of the Tribes and Castes of the Punjab and North-West Frontier Province* Horace Arthur Rose, Sir Denzil Ibbetson, 1914      **Caste Matters in Public Policy** Rahul Choragudi, Sony Pellissery, N. Jayaram, 2022-08-19 Caste in India despite its historical resilience has been undergoing transformation since independence If caste as a system of rigid stratification has been on the decline castes as autonomous interest serving groups have been on ascendance This book critically engages with the changing notions of caste and its intersection with public policy in India It discusses key issues such as social security internal reservation the idea of Most Backward Classes caste issues among non Hindu religious communities caste in census caste in market and service castes and urban planning Drawing on in depth case studies from states including Andhra Pradesh Delhi Karnataka Punjab Tamil Nadu Telangana and West Bengal the volume explores the cyclical process of how caste drives policies and how policies in turn shape the reality of caste in India It looks at the impact of factors like protective discrimination adult franchise and democratic decentralisation horizontal and vertical mobilisation land reforms and religious conversion on social mobility and traditional hierarchy in India Empirically rich and analytically rigorous this book will be an excellent reference for scholars and researchers of public policy public administration sociology exclusion studies social work law history economics political science development studies social anthropology and political sociology It will also be of interest to public policy and development practitioners      *Rethinking State Politics in India* Ashutosh Kumar, 2016-12-01 In recent decades India has been witness to the assertion of geographically culturally and historically constituted distinct and well defined regions that display ethnic communal caste and other social political cleavages This book examines the changing configurations of state politics in India Focussing on identity politics and development it explores the specificities of the regions within states not merely as politico administrative constructs but also as conceived in historical geographic economic sociological or cultural terms Adopting a comparative approach the book looks at alternative theoretical approaches the quest for homeland identity caste politics and public policy This second edition includes a new Introduction that updates the research in the area while further developing the theoretical framework One of the first major volumes on federalism in India including studies from across the nation this book will be indispensable for students and scholars of political science sociology history and South Asian studies
