

Punta Del Iceberg La

Astrid Liliana Sánchez-Mejía

Punta Del Iceberg La:

Selective Security in the War on Drugs Alke Jenss, 2023-01-09 Paramilitaries crime and tens of thousands of disappeared persons the so called war on drugs has perpetuated violence in Latin America at times precisely in regions of economic growth Legal and illegal economy are difficult to distinguish A failure of state institutions to provide security for its citizens does not sufficiently explain this Selective Security in the War on Drugs analyzes authoritarian neoliberalism in the war on drugs in Colombia and Mexico It interprets the security projects of the 2000s when the security provided by the state became ever more selective as embedded in processes of land appropriation transformed property relations and global capital accumulation By zooming in on security practices in Colombia and Mexico in that decade and juxtaposing the two contexts this book offers a detailed analysis of the role of the state in violence To what extent and for whom do states produce order and disorder Which social forces support and drive such state practices Expanding the literature on authoritarian neoliberalism and the coloniality of state power thus linking political economy to postcolonial approaches the book builds a theoretical lens to study state security practices Different social groups enjoying differentiated access to the state influenced the state discourse on crime to very different extents Security practices which oscillated between dispersed organization by a multiplicity of actors and institutionalization with the military materialized as horrific insecurity for social groups thought of as disposable In tendency putting security centerstage disabled dissent The security projects exacerbated contradictions driven by a particular economic model and simultaneously criminalized precisely those that this model had already radically disadvantaged

Marketing cinematográfico Elena Neira, Rafael Linares, Joan Herbera, 2015-01-01 Detrás del estreno de una película existe una cuidada estrategia en la que se llevan a cabo distintas acciones con un objetivo común conseguir un buen debut en cines y por extensión un recorrido comercial pítmico en el resto de las ventanas de explotación Este libro aborda la promoción de una película de manera global El lector descubrirá de la mano de sus autores las principales herramientas y estrategias que la empresa audiovisual tiene a su disposición durante toda la cadena de generación de valor de un título desde la idea creativa hasta el día de su proyección en salas Por un lado se exponen los procesos estratégicos materiales y medios que forman parte de una campaña de marketing cinematográfico para explicar posicionar y promocionar un título entre los espectadores potenciales En segundo lugar se abordan las técnicas que proporciona la investigación de mercado para definir productos más afines dimensionar la película y conocer mejor el público objetivo target al que nos dirigimos Por último se explican las posibilidades de promoción que ofrecen las redes sociales al sector del entretenimiento especialmente en uno de los nichos de audiencia más esquivo los jóvenes

Estoy Viva Rocio Garrido, 2009-09-11 Estoy viva es un testimonio autobiográfico de cómo he vivido aceptado y superado el infierno de la fibromialgia

Semantics of Violence Nelson Arteaga Botello, 2022-04-22 This book describes three impactful cases of political violence that broke out in Mexico in 1994 pointing to an important juncture in Mexican political development At that point the patrimonial order centered on the

PRI and the Mexican presidency entered a momentous crisis that is still ongoing after a quarter of a century and caused the patrimonial order and the civil order to compete over Mexican public life. Such competition in turn unfolds at the cultural level on the terrain of three semantics of political violence that shape public debates over violence in Mexico. Ultimately this book sheds light over the refraction of patrimonial and civil attributions across such cultural terrains. *EL legado de Asmodeo* María Gema Salvador Sánchez, 2014-02-19. Un joven abogado se mete en un despacho creyendo encontrar la fama y lo que halla es el enigma mejor guardado de la Edad Media. Global Food-Price Shocks and Poor People Marc Cohen, Melinda Smale, 2014-06-11. This book examines the effects of high and volatile food prices during 2007-08 on low income farmers and consumers in developing transition and industrialized countries. Previous studies of this crisis have mostly used models to estimate the likely impacts. This volume includes actual evidence from the field as to how higher prices affected access to food and farm income among poor people. In addition to country and regional case studies, the book presents discussions of cross-cutting themes including gender risk management, violence, the importance of subsistence farming as a coping strategy, and the role of governments and markets in addressing higher prices. With 2011 witnessing an unprecedentedly high level of food prices, the findings and policy recommendations presented here should prove useful to both scholars and policy makers in understanding the causes and consequences as well as the policies needed to ensure food security in light of the skyrocketing cost of food. This book was published as a special double issue of *Development in Practice*.

Opinar Con Sentido Jes. S. Nchez-Ajofr N. Reverte, Jesús Sánchez-Ajofrín Reverte, 2012-07. La navegación por la vida puede convertir a las personas en instruidos marineros. Saber dar soluciones en los momentos de mayor riesgo para el naufragio es la prueba que te convierte en el habil capitán de tu propio barco. Si toda esta aventura queda argumentada y bien documentada, no hay duda que sobrevivir al inevitable y definitivo naufragio por nuestra vida como garantía para próximos navegadores. Mis cartas fueron llegando a importantes archivos de vanguardia; los periódicos aceptaron la información y fueron testigos de escarpados viajes por mi mente. Cientos de artículos dirigidos a la sección de cartas al director fueron viendo la luz por toda la geografía nacional. Así, periódicos como *El País*, *La Vanguardia*, *La Verdad*, *Diario de León*, *Diario La Nueva España*, *de Oviedo*, *La Voz de Galicia*, *Diario de Mallorca*, *Diario Bahía de Cádiz*, *Diario Palentino*, *Diario de Burgos*, *El Norte de Castilla*, *Heraldo de Aragón*, *Zaragoza*, *El Correo Español*, *El Pueblo Vasco*, *Diario Montañas de Santander*, *Diario Sur*, *Málaga*, *Marbella* y *Melilla*. De esta manera se convirtieron en notarios de mis aventuras. La revista *XL Semanal* de gran tirada nacional me convirtió en marinero de alto rango al haberme premiado en el apartado de carta de la semana enviada con el título *El Reloj de mi abuelo*, dedicada con todo el cariño a la muerte de mi padre, con un comentario de Lorenzo Silva, abogado y escritor, además de haberme publicado otras tantas de opinión. Este libro se convierte por tanto en un torrente variado ante sentimientos e ideas de la vida. El Autor: <http://jsreverte.com>. **Handbook of Research on Digital Violence and Discrimination Studies** Özsungur, Fahri, 2022-04-08. Digital violence continues to increase especially during times of crisis.

Racism bullying ageism sexism child pornography cybercrime and digital tracking raise critical social and digital security issues that have lasting effects Digital violence can cause children to be dragged into crime create social isolation for the elderly generate inter communal conflicts and increase cyber warfare A closer study of digital violence and its effects is necessary to develop lasting solutions The Handbook of Research on Digital Violence and Discrimination Studies introduces the current best practices laboratory methods policies and protocols surrounding international digital violence and discrimination Covering a range of topics such as abuse and harassment this major reference work is ideal for researchers academicians policymakers practitioners professionals instructors and students

Los muertos aún quieren vivir, **Manifiesto de un Humano Más** Alejandro L. Pez Hernández, Alejandro López Hernández, 2012-08 Estimado lector el contenido que est por descubrir es una historia de b squeda de evoluci n de cambio merodeada por circunstancias comunes de nuestro personaje principal un amor envuelto de complicaciones un sue o abatido por sus discrepancias emocionales un retrato del hombre moderno inmerso en un mundo ca tico Es una reflexi n de nuestra postura como entes sociales part cipes de una cadena de causas y efectos part cipes de un entorno que nos delimita y nos nombra part cipes de una ciudad llamada Collage y de ese folklor que vive en ella

The Reinvention of Mexico Gavin O'Toole, 2010-10-25 This book examines a sophisticated effort by radical economic reformers to change the ideology of nationalism in Mexico from 1988 94 and so reinvent the country in a way that was more friendly to their market policies and responses to this by opposition parties

I Arnaud Saint-Paul, 2025-01-16 Through this manifesto Arnaud invites us to explore the depth of what it is to be I in this life and open one s heart to new

possibilities such as finding harmony within Not only does he suggest a new framework of understanding but also a guideline to live our day to day through one's heart

Crisis and the Culture of Fear and Anxiety in Contemporary Europe

Carmen Zamorano Llena, Jonas Stier, Billy Gray, 2023-08-01 The accruelement of crises over the last two decades with their particular manifestations in the European context has evoked the feeling of living in exceptional times as captured in the recurrent claim that we live in the age of anxiety The main aim of this collection is to analyse from a multidisciplinary perspective the causes and consequences of the current dominance of the discourse of fear anxiety and crisis through the experience of distinct and often interdependent moral panics in twenty first century Europe With its multidisciplinary approach this volume sheds light on the need to view the interrelationship between different crises and their associated affects as crucial in attaining a more nuanced understanding of the aetiology and effects of the current age of anxiety This multidisciplinary scrutiny of the interrelationship of twenty first century fears anxiety and crises signals an original engagement with these complex phenomena in order to make their emergence and profound effects on contemporary society more comprehensible The timeliness of the thematic focus and the rigorous in depth analyses make this collection relevant to students and academics within the fields of sociology literary and cultural studies political science and anthropology as well as to those in European studies and global studies

Climate Change and Biodiversity Governance in the Amazon

Joana Castro Pereira, Eduardo Viola, 2021-07-08 This book provides an analysis of the recent governance of the Amazon in Brazil Peru Bolivia and Colombia with a particular focus on deforestation processes demonstrating that current policies and political and socioeconomic dynamics in the four countries are risking the forest's resilience The authors examine and compare Amazonian politics and policies under different administrations concentrating on the main actors policies and dynamics that have affected the region as well as on the institutional and political environment in which deforestation processes were embedded in different periods Essentially the book makes an analytical contribution towards a better understanding of the political economic and social challenges confronting conservation policy in the Amazonian countries Climate Change and Biodiversity Governance in the Amazon At the Edge of Ecological Collapse is essential reading for students and researchers in the fields of environmental studies and sustainability Latin American studies political science and international relations as well as for policymakers and practitioners working in conservation and development

World

Englishes Volumes I-III Set Tommetro Hopkins, Kendall Decker, John McKenny, 2013-03-14 World Englishes is a twelve volume series presenting a comprehensive detailed survey of English as it is spoken all over the world The volumes are organised into four groups covering Britain Europe America Africa and Asia and celebrate English in all its diversity The chapters contain maps facts and figures and a detailed description about English as it is spoken in each region and are an invaluable library resource for undergraduates postgraduates and academics interested in the diversity of the English language

Victims' Rights in Flux: Criminal Justice Reform in Colombia Astrid Liliana Sánchez-Mejía, 2017-07-13

Contributing to the literature on comparative criminal procedure and Latin American law this book examines the effects of adversarial criminal justice reforms on victim s rights by specifically analyzing the Colombian criminal justice reform of the early 2000s This research focuses on the production interpretation and implementation of rules and institutions by exploring how different actors have employed the concept of victims and victims rights to promote their agendas in the context of criminal justice reforms It also analyzes how the goals of these agendas have interplayed in practice By the early 2000s it seemed that the Colombian criminal justice system was headed towards a process characterized by broader victim participation primarily because of the doctrine of the Constitutional Court on victims rights But in 2002 the Colombian Attorney General promoted a more adversarial criminal justice reform This book argues that this reform represented a sudden and unpredicted reversal of the Constitutional Court s doctrine on victim participation even though one of the central justifications for the reform was the need to satisfy human rights standards and adhere to the jurisprudence of the Constitutional Court on victims rights In the criminal justice reform of the early 2000s and its subsequent modifications the promotion of a dichotomous interpretation of the adversarial model which conceived the criminal process as a competition between prosecution and defense served to limit victim participation This study examines how conceptions of victims rights emerged out of the struggles between different and at times competing agendas In the Colombian process of reform victims rights have been invoked both as a justification for criminal sanctions and as an explanation for crime prevention and restorative justice After assessing quantitative and qualitative data this book concludes that punitive approaches to victims rights have prevailed over restorative justice perspectives Furthermore it argues that punitiveness in the criminal justice system has not resulted in more protection for victims Ultimately this research reveals that the adversarial criminal justice reform of the early 2000s has not substantially improved the protection of victims rights in Colombia
