Women's Gidayū and the Japanese Theatre Tradition Angela Kimi Coaldrake,1997 This is the first book in English on women's gidayu and introduces the performers their music and the politics of their survival within the male dominated world of Japanese theatre tradition It explores the intricate web of interrelationships of personality organization of performance in women's gidayu in contemporary Japan Kimi Coaldrake's book is a pioneering study of a traditional and dynamic area of Japanese cultural life that has previously been little understood in the West It will be of particular interest to those studying Japanese theatre and its music as well as those seeking insights into the contribution of women to Japanese theatre history The CD which accompanies the book provides immediate access to rare historical recordings of the Living National Treasure Takemoto Tosahiro 1897-1992 and other famous women performers bringing to life the popular tales of gidayu discussed in the text 日本舞踊の歴史と現代 (Japan),1977 Performing Arts Books, 1876-1981,1981 *Library of Congress Catalog* Library of Congress,1974 Beginning with 1953 entries for Motion pictures and filmstrips Music and phonorecords form separate parts of the Library of Congress catalogue Entries for Maps and atlases were issued separately 1953-1955 The Japan Magazine,1911 **N? ; And, Bunraku** Donald Keene,1990 Donald Keene combines informative works on two forms of classical Japanese theater into a single volume The No text looks at all aspects of this traditional theater form including its history its stage and props the use of music and dance in its performances the plays as literature and the aesthetics of No Also discussed are Kyogen the comic farces that are typically interspersed with the solemn No dramas **Japan's Modern Theatre** Brian Powell,2013-12-16 This book endeavours to unravel the complicated skeins of Japanese theatre in the modern period and offers an appreciation of the richness of choice of presentational and representational theatre forms Since the end of world War II there has been continuing but different conflict between the major theatrical genres Kabuki continues to defend its ground successfully but the new drama shingeki became firmly established in its own right in the 1960s It was a vigorous and exuberant underground theatre which exploited anything and everything in the Japanese and western theatre traditions Now thirty years on they too have been superseded The youth

theatre of the 1980s and 90s has thrown aside the concerns of the angry underground and developed a fast moving bewilderingly kaleidoscopic drama of breath taking energy *Sino-Japanese Transculturation* Richard King, Cody Poulton, Katsuhiko Endo, 2012 This is a multi author work which examines the cultural dimensions of the relations between East Asia's two great powers China and Japan in a period of change and turmoil from the late nineteenth century to the end of the Second World War This period saw Japanese invasion of China the occupation of China's North east Manchuria and Taiwan and war between the two nations from 1937 1945 the scars of that war are still evident in relations between the two countries today In their quest for modernity the rulers and leading thinkers of China and Japan defined themselves in contradistinction to the other influenced both by traditional bonds of classical culture and by the influx of new Western ideas that flowed through Japan to China The experiences of intellectual and cultural awakening in the two countries were inextricably linked as our studies of poetry fiction philosophy theatre and popular culture demonstrate The chapters explore this process of transculturation the sharing and exchange of ideas and artistic expression not only in Japan and China but in the larger region which Joshua Fogel has called the Sinosphere an area including Korea and parts of Southeast Asia with a shared heritage of Confucian statecraft and values underpinned by the classical Chinese language The authors of the chapters who include established senior academics and younger scholars and employ a range of disciplines and methodologies were selected by the editors for their expertise in particular aspects of this rich and complex cultural relationship As for the editors Richard King and Cody Poulton are scholars and translators of Chinese literature and Japanese theatre respectively each taking a historical and comparative perspective to the study of their subject Katsuhiko Endo is an intellectual historian dealing with both Japan and China *Gleams From Japan* S. Katsumata, 2013-05-13 First published in 1937 this is a collection of articles written by the author under the pseudonym Waseda Eisaku for the Japan Tourist Bureau's magazine over twenty five years Intended to satisfy the intellectual curiosity of cultivated tourists from abroad by giving the insider's view of all things Japanese it was published as a book just before the outbreak of World War II Writing in the first person Katsumata becomes both guide and confidante writing about his own travel experiences in Japan and about Japanese customs and practices that interest him such as traditional incense ceremonies or fishing with rod and creel This personal approach results in an unusual selection of topics and itineraries including tray landscapes old Japanese clocks hot springs Japanese humour sumo wrestling pines in Japanese scenery the Japanese sun flag and Buddhist temple bells The author not only describes but draws the reader into his own experiences his joy on buying an antiquarian book he cannot really afford the monotony he feels when travelling too long through snowy landscapes the delight he takes in telling you that the best bait for carp fishing is sweet potato Katsumata's unconventional choice of subjects and his informal and individualistic writing style make this a refreshingly different guide to Japan and a valuable record of the period in which it was written *A Kabuki Reader* Samuel L. Leiter, 2015-02-12 Unique in any Western language this is an invaluable resource for the study of

one of the world's great theatrical forms. It includes essays by established experts on Kabuki as well as younger scholars now entering the field and provides a comprehensive survey of the history of Kabuki how it is written produced staged and performed and its place in world theater. Compiled by the editor of the influential Asian Theater Journal the book covers four essential areas history performance theaters and plays and includes a translation of one Kabuki play as an illustration of Kabuki techniques *Book Prices: Used and Rare, 1994* Edward N. Zempel, 1994

Professor Risley and the Imperial Japanese Troupe Frederik L. Schodt, 2012-12-04 The little known true story of how a flamboyant circus promoter helped introduce Japan to the West in the late 19th century Professor Risley Richard Risley Carlisle introduced the Western circus to Japan in 1864 Three years later this former acrobat gave many in the West their first glimpse of Japan when he took his Imperial Japanese Troupe of acrobats and jugglers on a triumphant tour of North America and Europe Over the next few years the Troupe performed before presidents monarchs and ordinary citizens Frederik L. Schodt argues compellingly that such early popular entertainments helped stir a curiosity about all things Japanese that eventually led to japonisme The Mikado and in our time the boom in manga and anime Schodt's depiction of Risley and his troupe is enlivened by portraits of the circus demimonde and supported by nineteenth century photographs posters and drawings many in color His accounts of these first meetings between Westerners and Japanese shed new light on how different cultures meet mingle and influence each other Descriptions of crowds dazzling routines and superstar troupe performers like the famous Little All Right are a delightful revelation to anyone interested in Asia the circus and popular entertainment **AKASHVANI** Publications Division (India), New Delhi, 1958-07-13 Akashvani English is a programme journal of ALL INDIA RADIO it was formerly known as The Indian Listener It used to serve the listener as a Bradshaw of broadcasting and give listener the useful information in an interesting manner about programmes who writes them take part in them and produce them along with photographs of performing artists It also contains the information of major changes in the policy and service of the organisation The Indian Listener fortnightly programme journal of AIR in English published by The Indian State Broadcasting Service Bombay started on 22 December 1935 and was the successor to the Indian Radio Times in English which was published beginning in July 16 of 1927 From 22 August 1937 onwards it used to be published by All India Radio New Delhi In 1950 it was turned into a weekly journal Later The Indian listener became Akashvani English in January 5 1958 It was made a fortnightly again on July 1 1983

Puppets of Nostalgia Jane Marie Law, 2015-03-08 Puppets of Nostalgia is the first major work in any Western language to examine the ritual origins and religious dimensions of puppetry in Japan In a lucid and engaging style accessible to the general reader Jane Marie Law describes the life death and rebirth of awaji ningyo shibai the unique form of puppet theater of Awaji Island that has existed since the sixteenth century Puppetry rites on Awaji helped to maintain rigid ritual purity codes and to keep dangerous spiritual forces properly channeled and appeased Law conducted fieldwork on Awaji located in Japan s Inland Sea over a ten year period In addition to being a detailed history and ethnography of this ritual tradition Law s work is at a theoretical level a study of the process and meaning of tradition formation reformation invention and revitalization It will interest scholars in a number of fields including the history of religions anthropology cultural studies ritual and theater studies Japanese studies and social history Focusing on the puppetry tradition of Awaji Island Puppets of Nostalgia describes the activities of the island s ritual puppeteers and includes the first English translation of their performance texts and detailed descriptions of their rites Because the author has lived on Awaji during extended periods of research the work includes fine attention to local detail and nuanced readings of religious currents in Japan that affect popular religious expression Illustrated throughout with rare photographs the book provides an in depth view of a four hundred year old tradition never so thoroughly revealed to Western readers Originally published in 1997 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Historical Dictionary of Japanese Traditional Theatre Samuel L. Leiter, 2014-10-30 Historical Dictionary of Japanese Traditional Theatre is the only dictionary that offers detailed comprehensive coverage of the most important terms people and plays in the four principal traditional Japanese theatrical forms no kyogen bunraku and kabuki supplemented with individual historical essays on each form This updated edition adds well over 200 plot summaries representing each theatrical form in addition to a chronology introductory essay appendixes an extensive bibliography over 1500 cross referenced entries on important terms brief biographies of the leading artists and writers and plot summaries of significant plays This book is an excellent access point for students researchers and anyone wanting to know more about the Japanese theatre

World Encyclopedia of Contemporary Theatre Irving Brown (Consulting Bibliographer), Natasha Rappaport (Bibliographer), Don Rubin (General Editor), Rosabel Wang (Consulting Bibliographer), 2013-10-11 An annotated world theatre bibliography documenting significant theatre materials published world wide since 1945 plus an index to key names throughout the six volumes of the

series *Voices of Early Modern Japan* Constantine Nomikos Vaporis, 2020-11-27 In this newly revised and updated 2nd edition of *Voices of Early Modern Japan* Constantine Nomikos Vaporis offers an accessible collection of annotated historical documents of an extraordinary period in Japanese history ranging from the unification of warring states under Tokugawa Ieyasu in the early seventeenth century to the overthrow of the shogunate just after the opening of Japan by the West in the mid nineteenth century Through close examination of primary sources from The Great Peace this fascinating textbook offers fresh insights into the Tokugawa era its political institutions rigid class hierarchy artistic and material culture religious life and more demonstrating what historians can uncover from the words of ordinary people New features include An expanded section on religion morality and ethics A new selection of maps and visual documents Sources from government documents and household records to diaries and personal correspondence translated and examined in light of the latest scholarship Updated references for student projects and research assignments The first edition of *Voices of Early Modern Japan* was the winner of the 2013 Franklin R Buchanan Prize for Curricular Materials This fully revised textbook will prove a comprehensive resource for teachers and students of East Asian Studies history culture and anthropology *America's Japan and Japan's Performing Arts* Barbara Thornbury, 2013-04-15 America's Japan and Japan's Performing Arts studies the images and myths that have shaped the reception of Japan related theater music and dance in the United States since the 1950s Soon after World War II visits by Japanese performing artists to the United States emerged as a significant category of American cultural exchange initiatives aimed at helping establish and build friendly ties with Japan Barbara E Thornbury explores how Japan and Japanese culture have been constructed reconstructed and transformed in response to the hundreds of productions that have taken place over the past sixty years in New York the main entry point and defining cultural nexus in the United States for the global touring market in the performing arts The author's transdisciplinary approach makes the book appealing to those in the performing arts studies Japanese studies and cultural studies [The Ashgate Research Companion to Japanese Music](#) David W. Hughes, 2017-02-03 Music is a frequently neglected aspect of Japanese culture It is in fact a highly problematic area as the Japanese actively introduced Western music into their modern education system in the Meiji period 1868 1911 creating westernized melodies and instrumental instruction for Japanese children from kindergarten upwards As a result most Japanese now have a far greater familiarity with Western or westernized music than with traditional Japanese music Traditional or classical Japanese music has become somewhat ghettoized often known and practised only by small groups of people in social structures which have survived since the pre modern era Such marginalization of Japanese music is one of the less recognized costs of Japan's modernization On the other hand music in its westernized and modernized forms has an extremely important place in Japanese culture and society Beethoven's Ninth Symphony for example being so widely known and performed that it is arguably part of contemporary Japanese popular and mass culture Japan has become a world leader in the mass production of Western musical instruments and in innovative

methodologies of music education Yamaha and Suzuki More recently the Japanese craze of karaoke as a musical entertainment and as musical hardware has made an impact on the leisure and popular culture of many countries in Asia Europe and the Americas This is the first book to cover in detail all genres including court music Buddhist chant theatre music chamber ensemble music and folk music as well as contemporary music and the connections between music and society in various periods The book is a collaborative effort involving both Japanese and English speaking authors and was conceived by the editors to form a balanced approach that comprehensively treats the full range of Japanese musical culture
