**Real Puppets, Real Issues** Paul Reed, 2016-03-09 It is no secret that some people are feeling alienated from the church for various reasons social status sexual orientation or how they dress among others For these reasons as well as others some have felt compelled to leave the church The purpose of this book is to minister to those very people to show them that although the church is not perfect Jesus Christ is real and alive and will never mistreat them or abuse them that in His heart there is a place for them too Perhaps the most important part of ministering to those feeling like there is no spiritual home for them in the church is to demonstrate that while the church struggles to exemplify the love of Christ Christ Himself is still real and is still alive and loves each and every one with a deep and abiding love It is my hope that those who either read these scripts or see them performed will come to realize that Christ is calling us all and we have only to say Yes

**Mechanically Inclined & Battery Operated** Mary Bowers, 2015-03-02 In everyday life we all dance to various types of music march to a different rhythm and sing to the tune of different melodies But I really would like to know who is the Supreme Drum Major that guides your every move and footsteps Are you marching to the beat or just marking time Let's march together in Unity to the Beat of God's Heart and keep in line with the Perpetual Rhythm of His Divine Grace and Mercy When we are out of sync with God we are also out of sync with life So let's keep in step and blend our voices in perfect harmony Let us walk together in love peace harmony and unity With No Strings Attached and no batteries inserted

**Object Performance in the Black Atlantic** Paulette Richards, 2023-07-28 Given that slaveholders prohibited the creation of African style performing objects is there a traceable connection between traditional African puppets masks and performing objects and contemporary African American puppetry This study approaches the question by looking at the whole performance complex surrounding African performing objects and examines the material culture of object performance Object Performance in the Black Atlantic argues that since human beings can attribute private personal meanings to objects obtained for personal use such as dolls vessels and quilts the lines of material culture continuity between African and African American object performance run through objects that performed in ritual rather than theatrical capacity Split into three parts this book starts by outlining the spaces where the African American object performance complex persisted through the period of slavery Part Two traces how African Americans began to reclaim object performance in the era of Jim Crow segregation and Part Three details how increased educational and economic opportunities along with new media technologies enabled African Americans to use performing objects as a powerful mode of resistance to the objectification of Black bodies This is an essential study for any students of puppetry and material performance and particularly those

**The Old German Puppet Play of Doctor Faust** ,1887      *The old German puppet play of doctor Faust, turned into Engl., with an intr. and notes by T.C.H. Hedderwick* Thomas Charles H. Hedderwick,1887      **Puppet and Spirit: Ritual, Religion, and Performing Objects** Claudia Orenstein,Tim Cusack,2024-10-17 This anthology of essays a companion to Puppet and Spirit Ritual Religion and Performing Objects Volume I aims to explore the many types of relationships that exist between puppets broadly speaking and the immaterial world The allure of the puppet goes beyond its material presence as historically and throughout the globe many uses of puppets and related objects have expressed and capitalized on their posited connections to other realms or ability to serve as vessels or conduits for immaterial presence The flip side of the puppet s troubling uncanniness is precisely the possibilities it represents for connecting to discarnate realities Where do we see such connections in contemporary artistic work in various mediums How do puppets open avenues for discussion in a world that seems to be increasingly polarized around religious values How do we describe analyze and theorize the present moment What new questions do puppets address for our times and how does the puppet s continued entanglement with these concerns trouble or comfort us The essays in this book from scholars and practitioners provide a range of useful models and critical vocabularies for addressing this aspect of puppet performance further expanding the growing understanding and appreciation of puppetry generally This book along with its companion volume offers for the first time robust coverage of this subject from a diversity of voices examples and perspectives      **God's Good News Through Puppets** Mitchell

Adams, 2017-03-28 Many children s ministries are a flurry of activity run by dedicated volunteers and staff who put in long hours and work hard for the good of the children and parents they serve Yet despite good intentions many children s ministries today are not effective They lack purpose and intentionality A twenty five year veteran of children s ministry in the local church pastor Steve Adams has ministered to families in multiple churches from tiny church plants to his present position at Saddleback Church In this book Steve applies the revolutionary insights of the Purpose Driven Church to children s ministry and leads readers on a journey of discovery showing them how to develop an intentional ministry process that moves children toward spiritual health while building a healthy ministry environment for those who work with kids You will learn how to ask and answer five simple but powerful questions Why are we on this journey Where are you and where are you going Who are we trying to reach How will we move our children towards spiritual health What are the essential elements necessary for the journey There is no single key to a successful children s ministry nor is there only one way that works for everyone But there is a proven process you can follow and Steve shows how children s ministries all over the world are reaching their God given potential by discovering their biblical purpose avoiding the traps of frustration and burnout     *Heart Of The Matter* Kristy Dykes, 2012-04-01 Dr Jeris Waldron would rather help children than worry about hair and makeup Widowed from a demeaning husband she overcame her insecurities by pursuing a career in child psychology With a new practice and a new role as children s director at church Jeris hopes to win some young hearts for the Lord But her own heart is quickly won by little Brady Moore As a single parent Luke Moore has little time for dating But he d like to marry again someday and Brady wants a mommy Luke s only trouble is finding the right woman one who loves the Lord and is gorgeous too A little matchmaking and Brady s endearing ways throw Luke and Jeris together But can Luke overcome his vain prejudice And will Jeris allow her tender heart to trust again Will they let God show them the heart of the matter
