**Marion and Derrida on The Gift and Desire: Debating the Generosity of Things** Jason Alvis,2016-01-13 This book examines the various encounters between Jean Luc Marion and Jacques Derrida on the gift considers their many differences on desire and demonstrates how these topics hold the keys to some of phenomenology s most pressing structural questions especially regarding deconstructive approaches within the field The book claims that the topic of desire is a central lynchpin to understanding the two thinkers conflict over the gift for the gift is reducible to the desire to give which initiates a turn to the topic of generosity To what degree might loving also imply giving How far might it be suggested that love is reducible to desire and intentionality It is demonstrated how Derrida the generative father of deconstruction rejects the possibility of any potential relation between the gift and desire on the account that desire is bound to calculative repetition economical appropriation and subject centered interests that hinder

deconstruction Whereas Marion a representative of the phenomenological tradition demands a unique union between the gift and desire which are both represented in his reduction to givenness and erotic reduction The book is the first extensive attempt to contextualize the stark differences between Marion and Derrida within the phenomenological legacy Husserl Heidegger Kant supplies readers with in depth accounts of the topics of the gift love and desire and demonstrates another means through which the appearing of phenomena might be understood namely according to the generosity of things

Write in Tune: Contemporary Music in Fiction Erich Hertz, Jeffrey Roessner, 2014-05-22 Contemporary popular music provides the soundtrack for a host of recent novels but little critical attention has been paid to the intersection of these important art forms Write in Tune addresses this gap by offering the first full length study of the relationship between recent music and fiction With essays from an array of international scholars the collection focuses on how writers weave rock punk and jazz into their narratives both to develop characters and themes and to investigate various fan and celebrity cultures surrounding contemporary music Write in Tune covers major writers from America and England including Don DeLillo Jonathan Franzen Zadie Smith and Jim Crace But it also explores how popular music culture is reflected in postcolonial Latino and Australian fiction Ultimately the book brings critical awareness to the power of music in shaping contemporary culture and offers new perspectives on central issues of gender race and national identity *Rogue's Salute* Jennifer Blake, 2012-10-15 At ease making life and death decisions between breaths ma tre d armes Nicholas Pasquale proposes marriage to a beautiful and desperate stranger a woman who offers comfort to his irascible young charge and calmly tells him the boy needs a mother It is a challenge he can t resist Nor can Juliette Armant Though pledged to the church since infancy she s been summoned to save her family in the only way possible by marriage Once she is wed she will claim an ancestral marriage chest and protect its secret contents from the dubious intent of her twin sister who wants the treasure all to herself Juliette never dreamed such a practical arrangement would explode with heady desire when a rogue s kiss unleashes the sensual woman within But someone is determined to stop the wedding willing to go to desperate lengths to claim the chest plunging Juliette into a fight to claim a legacy and a love worth any price Autonomy Nicholas Brown, 2019-02-28 In Autonomy Nicholas Brown theorizes the historical and theoretical argument for art s autonomy from its acknowledged character as a commodity Refusing the position that the distinction between art and the commodity has collapsed Brown demonstrates how art can in confronting its material determinations suspend the logic of capital by demanding interpretive attention He applies his readings of Marx Hegel Adorno and Jameson to a range of literature photography music television and sculpture from Cindy Sherman s photography and the novels of Ben Lerner and Jennifer Egan to The Wire and the music of the White Stripes He demonstrates that through their attention and commitment to form such artists turn aside the determination posed by the demand of the market thereby defeating the foreclosure of meaning entailed in commodification In so doing he offers a new theory of art that prompts a rethinking of the relationship between

art critical theory and capitalism      **Pure and Untouched** Barbara Cartland,1981      Rock Music in American Fiction Writing, 1966-2011 Martin Moling,2021-09-20 Can rock music help us understand literature Rock Music in American Fiction Writing 1966 2011 argues that a close analysis of the rock music incorporated into a literary text an investigation of the lyrics a musicological exploration of the sounds and rhythms a cultural historical inquiry into the production and reception of a song may yield exciting new insight into and expand our understanding of American literary production from the mid 20th century onwards Reading major works by Joyce Carol Oates Alice Walker Don DeLillo Jeffrey Eugenides Sherman Alexie and Jennifer Egan from such a rock musicological vantage point Rock Music in American Fiction Writing adds a new dimension to recent work in American literary criticism by seeking to establish rock music as an analytical tool for literary investigation The book concentrates on the way these literary artists have struggled to come to terms with the dichotomies inherent in rock music its liberating and revolutionary impulses as well as its adherence to the bleakest laws of consumer capitalism in their work By combining a musicological with a literary analysis Rock Music in American Fiction Writing highlights the crucial and complex role rock music has played in shaping the artistic outlook and cultural sensibilities of literary artists since the 1960s in America and beyond      **Natural Botanicals** Bruce L.
