Downing,2010-04 Marriage is God s idea He has no bad ideas He brought Eve to Adam married them and they lived as husband and wife for over 900 years Genesis 2 21 25 and 5 5 By this we can conclude that divorce was not God s idea but

Satan's idea to destroy God's ideas, plans and purpose of marriage between a man and a woman. We seek to find the right person when the greater picture is to be the right person. Man sets the time for the wedding but God sets the time for the marriage. There is a great difference between a wedding and a marriage. Many walk down the aisle to be wedded for all the wrong reasons. Saying I do and placing wedding rings upon fingers does not always mean they are married within their hearts. This book reveals that a man and a woman may marry and yet not be a true husband and wife. It stresses the importance of friendship, courtship, engagement and being married from the heart. Introducing a revolutionary approach to the covenant of marriage, this book addresses commitment, romance, love, keeping a right heart, a sound mind and a pure relationship. Dr. Donald R. Downing is a heart physician and specialist from God to the body of Christ. He has written over 12 books and considers Marriage from the Heart to be one of his most important writings. He believes the only way to defeat the high rate of divorce and separation is to restore romance to the relationship and to be truly married from the heart.

FEATURING DRs MELVIN AND ROBIN THORNHILL Melvin and Robin Thornhill are the founders and presidents of Destiny New Image Ministries. They have a combined 50 years of experience in family and marriage counseling. **Family Guide** Dee Hoodith, 2011-06-01. This book is about finding your way back, discovering everything you need to know so as to keep love and happiness flowing smoothly while enjoying life unto the end. It is about the journey of man and woman for unification and satisfaction of passionate love and for the choosing of a lifelong partner. Through playful teasing, you can and will accentuate the enjoyment, but it must also be tolerated only to a point. Hence, it will connect you to the missing links on love, courtship, marriage, sex and post marriage. These contributing factors constantly remind us that man and woman are different from other animals and it is the fundamental instinct which brings them together. It is the de-coilable magnet within the hearts of the human race. In addition, I must place great emphasis when there is imminent danger through misunderstanding in a broken home: why not look right back at the courtship days which was filled with the abundance of valuable materials to avoid a broken home. Thus, with the knowledge and understanding of my work in this book, you can unite with Love and overcome heart break and despair.
