Book of Edward Christian Mythology (Volume I: Matters of the Heart) Edward G. Palmer, 2005-06 Today Christianity is steeped in mythology and Christians are unwittingly headed towards Hell instead of Heaven They are far away from God and HIS Word How would you answer these three questions 1 Do you pray to Jesus 2 Do you worship Jesus 3 Do you give all the glory to Jesus If you've answered yes to even one you do not know God HIS only human begotten Son or HIS Word Many Christians have been programmed with mythology as explained in 2 Timothy and 2 Thessalonians However Jesus taught 1 Pray to God the Father Matthew 6:6-8 2 Worship only God the Father Matthew 4:10-11 3 That he comes in his Father's glory Mark 8:38 Inside Volume I Matters Of The Heart you'll learn that eternal salvation is a matter of the heart Each of us is going to have to make a choice from the heart to engage God and become obedient to HIS Word It's from inside our hearts that we will find HIS kingdom The heart for God is where eternal salvation starts Volume I of a four volume set that deals with Faith Prophecy and Christology Over 1367 Scriptures are cited and there are 238 illustrations tables lists in the entire four volume set

Roy Gane, 2005-06-30 Through the swirling smoke of Aaron's incense and of scholarly theories the present volume steps toward the meaning enacted on the Day of Purgation commonly known as Yom Kippur or the Day of Atonement By treating moral evil both as relational legal breach and as pollution the Israelite system of purification offerings so called sin offerings addresses both the standing and state of YHWH's people This system shows the way not only to freedom from condemnation but also to healing of character which is defined in terms of loyalty to YHWH Freedom and healing come together on the Day of Purgation when purification rituals benefit those who show themselves loyal to YHWH by affirming the freedom from condemnation that they have previously received The effects of purification rituals on YHWH's sanctuary and community profile harmony between justice and kindness in the character of YHWH as he deals with imperfect people of various kinds of character by pardoning and clearing the loyal but condemning the disloyal Thus Gane ultimately affirms Milgrom's seminal insight that theodicy is foundational to the Israelite expiatory system Gane's conclusions are derived from exegetical study of Hebrew ritual texts informed by controls to ritual analysis developed in the course of prior research through critical examination of existing ritual theories and by adapting a systems theory approach to human activity systems *Christianity and the Mass Media in America* Quentin J. Schultze, 2005-11-09 The mass media and religious groups in America regularly argue about news bias sex and violence on television movie censorship advertiser boycotts broadcast and film content rating systems government regulation of the media the role of mass evangelism in a democracy and many other issues In the United States the major disputes between religion and the media usually have involved Christian churches or parachurch ministries on the one hand and the so called secular media on the other Often the Christian Right locks horns with supposedly liberal Eastern media elite and Hollywood entertainment companies When a major Protestant denomination calls for an economic boycott of Disney the resulting news reports suggest business as usual in the tensions between faith groups and media empires Schultze demonstrates how religion and the media in America have borrowed each other's rhetoric In the process they have also helped to keep each other honest pointing out respective foibles and pretensions Christian media have offered the public as well as religious tribes some of the best media criticism better than most of the media criticism produced by mainstream media themselves Meanwhile mainstream media have rightly taken particular churches to task for misdeeds as well as offered some surprisingly good depictions of religious life The tension between Christian groups and the media in America ultimately is a good thing that can serve the interest of democratic life As Alexis de Tocqueville discovered in the 1830s American Christianity can foster the habits of the heart that ward off the antisocial acids of radical individualism And as John Dewey argued a century later the media offer some of our best hopes for maintaining a public life in the face of the

religious tribalism that can erode democracy from within Mainstream media and Christianity will always be at odds in a democracy That is exactly the way it should be for the good of each one Making and Marketing Medicine in Renaissance Florence James Shaw,Evelyn Welch,2011 A study of the Speziale al Giglio apothecary shop in fifteenth century Florence Italy
