**Purifying the Altar Revised** Al Houghton, Jayne Houghton, 2010-01-21 Purifying The Altar answers the question for every giver where is the blessing promised Jesus said the Altar Sanctifies the gift making the condition of the Altar more important than the gift The goal of this book is doubling Christian discernment by exposing manipulation and enabling the church to spot counterfeits *Purifying the Altar* Al Houghton, 1990 ?????? ?????? Michael Carasik, 2005-01-01 First published 500 years ago as the Rabbinic Bible the biblical commentaries known as Miqra ot Gedolot have inspired and educated generations of Hebrew readers With this edition the voices of Rashi Ibn Ezra Nahmanides Rashbam and other medieval Bible commentators come alive once more speaking in a contemporary English translation annotated and explicated for lay readers Each page of this second volume in The Commentators Bible series contains several verses from the Book of Leviticus surrounded by both the 1917 and 1985 JPS translations and by new contemporary English translations of the major commentators The book also includes an introduction a glossary of terms a list of names used in the text notes on source texts a special topics list and resources for further study This large format volume is beautifully designed for easy navigation among the many elements on each page including explanatory notes and selected additional comments from the works of Bekhor Shor Hizkuni Abarbanel Sforino Gersonides and others The Making of the Tabernacle and the Construction of Priestly Hegemony Nathan MacDonald, 2023-08-23 How did the Jerusalem high priests go from being cultic servants in the sixth century BCE to assuming political supremacy at some point during the third or second century The Making of the Tabernacle and the Construction of Priestly Hegemony examines how the conditions were created for the priesthood's rise to power by examining the most important ideological texts for the high priests the description of the wilderness tabernacle and the instructions for the ordination ritual found in the Biblical books of Exodus and Leviticus Although neglected by many modern readers who often find them technical and repetitive the tabernacle accounts excited considerable interest amongst early scribes and readers as is evidenced by the survival of them in no fewer than four versions Untangling this intricate compositional history helps shed light on how these chapters in the Pentateuch shaped and were shaped by the perception of the priesthood's powers and competencies during the Persian and early Hellenistic periods The hierarchy that is developed is more nuanced and multifaceted than previously appreciated with Israelite artisans community leaders Levites and women incorporated into a complex vision of society The ordination ritual was also transformed by scribal elites during the Persian period appearing in no fewer than five variant forms as the role of the high priesthood and its relationship to other groups was negotiated Using a broad plural methodological approach that incorporates insights from sociology ritual studies textual and literary criticism early interpretation manuscript studies and philology Nathan MacDonald's study shines new light on the historical development theology and ideology of priestly texts in the Pentateuch **My Beautiful Princess Bible NLT**, 2012-07 My Beautiful Princess Bible is the perfect Bible for princesses of all ages This one of a kind Bible with special
